June 3, 2013

City Council Values

“...San Leandro celebrates a long history and embraces a diverse population while still enjoying a “small town” feel...”

Values:

- Long-term fiscal health
- Well-maintained and enhanced infrastructure
- Safe neighborhoods and safe streets
- Health community members
- A variety of housing opportunities
- Abundant recreational opportunities, parks, community services and facilities

City Council Values (cont.)

- Strong businesses, job opportunities, and transit-oriented development
- Clean, pedestrian-friendly corridors, including a vibrant downtown
- Strong schools and excellence in education
- Technology and innovation
- A wise approach to the sustainable use of resources and care of the environment
- An attractive and successful shoreline with several hundred acres of open space
- Partnerships, compassion, communication and fairness

Recommendation

Staff recommends City Council approve City Council Vision and Values as stated in the Biennial Budget for 2013-14 and 2014-15
