TITLE: Staff Report for City of San Leandro U.S. Department of Housing and Urban

Development (HUD) Final FY 2014-2015 Annual Action Plan

#### **RECOMMENDATIONS**

Staff recommends that the City Council hold a second public hearing and adopt the resolution approving the FY 2014-2015 Annual Action Plan and authorizing the execution of all related documents by the City Manager and submission of the Action Plan to HUD.

The Action Plan has been available for thirty (30) days for public comment since March 31, 2014. Upon adoption by the City Council, the Plan will be combined with the Alameda County HOME Consortium's plans (for the County and each Consortium member city) and forwarded to HUD.

#### **BACKGROUND**

# **Consolidated (or Annual) Action Plan**

The FY 2014-2015 Annual Action Plan implements the FY 2010-2014 Consolidated Plan strategies by undertaking activities during the program year that utilize two HUD grants: Community Development Block Grant (CDBG) and Home Investment Partnership Program (HOME).

The Draft FY 2014-2015 Annual Action Plan was presented to the City Council at a public hearing on March 17, 2014. The Council directed staff to make the plan available for public comment for a 30-day period from March 31 through April 30, 2014. The draft plan was available for public review at City Hall (City Clerk's office and Community Development Department), at the Main Library, and on the City's website. To date, there have been no comments received.

# Proposed Changes to the Draft of the FY 2014-2015 Annual Action Plan

HUD formally announced its final CDBG and HOME budgets for FY 2014-2015 after the City conducted its March 17, 2014 public hearing on the Draft FY 2014-2015 Annual Action Plan. Staff assumed last year's CDBG and HOME funding levels in the Draft Action Plan because HUD had not yet finalized its FY 2014-2015 budget at the time. The City's CDBG entitlement grant amount next fiscal year will be \$691,519 which is about 6.5% more than last year's grant amount of \$649,471. Below is a summary of the notable changes for the CDBG and HOME allocations from the March 17th draft:

- Funding for public services will be increased from \$97,420 to \$103,727. The list below reflects the funding increases for public services agencies that the Human Services Commission (HSC) approved at its March 26, 2014 commission meeting. HSC equitably allocated an additional \$1,200 to each agency with FESCO receiving a slightly larger allocation of \$1,507. Fiscal year 2014-2015 represents the 2nd year of the two-year funding cycle under the FY 2013-2015 Community Assistance Grant Program (CAP).
  - CALICO Child Abuse Intervention Project \$14,200
  - Davis Street Family Resource Center Basic Needs Program \$42,720
  - Family Emergency Shelter Coalition (FESCO) Emergency Shelter \$14,507
  - SOS/Meals on Wheels Senior Support Services (Meal Delivery) \$18,100
  - Spectrum Community Services Senior Nutrition Program \$14,200
- 2. Funding for General Administration will be increased from \$119,894 to \$128,303.
- 3. Under "Public Facilities and Improvements", the proposed \$40,000 for the ADA Transition Plan for City Facilities will be increased to \$55,000, and the proposed \$88,120 for City-wide handicap accessible curb cuts will be increased to \$100,452. The City's \$204,037 repayment to HUD for its Section 108 loan will remain the same because it is an amortized loan repayment obligation.

Additionally, the HOME fund grant allocation to the City increased by about 6.5%. As a result, the City's HOME grant amount for FY 2014-2015 increases from \$144,275 to \$154,256. HOME administration funds increased from \$8,594 to \$9,130, and HOME funds available for affordable rental housing project expenditures rose from \$425,178 to \$434,623, which includes \$289,497 of unallocated and carryover HOME funds from prior years.

# **Current City Council Policy**

Current Council Policy is defined by the FY 2010-2014 Consolidated Plan, adopted by Resolution No. 2010-038 on April 19, 2010.

# **Previous City Council Action(s)**

A public hearing was held on March 17, 2014, to consider the proposed FY 2014-2015 Annual Action Plan, receive public comments, start the 30-day public comment period for the plan, and

File Number: 14-066

set a second public hearing date for May 5, 2014 to consider public comments and adopt the plan.

# **Applicable General Plan Policies**

The Consolidated Plan addresses the goals of the Housing Element of the General Plan, such as increasing the supply of affordable for-sale and rental housing, providing opportunities for home ownership, preserving and rehabilitating existing affordable owner-occupied and rental housing, and addressing special needs populations.

# **Environmental Review**

National Environmental Protection Act (NEPA) and California Environmental Quality Act, when applicable, review will be conducted for each project or activity approved by the City Council. Neither CEQA nor NEPA apply to the FY 2014-2015 Consolidated Annual Action Plan.

# **Summary of Public Outreach Efforts**

In accordance with the City's Citizen Participation Plan, which is required under the HUD Consolidated Plan regulations, notices of both public hearings (with partial translations in Spanish and Chinese) have been published in the <u>Daily Review</u> and sent to a CDBG mail list of interested parties. Copies of the Draft FY 2014-2015 Action Plan were available for review at City Hall (City Clerk's office and Community Development Department), at the Main Library, and on the City's website (<u>Draft HUD FY 2014-15 Annual Action Plan</u>
<a href="www.sanleandro.org/depts/cd/housing/plans.asp">www.sanleandro.org/depts/cd/housing/plans.asp</a>) for a 30-day comment period from March 31 - April 30, 2014.

# **Fiscal Impacts**

HUD will enter into contract with the City for the grant amount. The grant is on a reimbursement basis with funds being reimbursed by HUD after expenditure by the City for activities designated in the FY 2014-2015 Annual Action Plan.

# **Budget Authority**

Budget authority for CDBG funds is derived from Title I of the Housing and Community Development Act of 1974 (24 CFR 570 et seq.). Budget Authority for HOME funds is derived from the Federal Home Investment Partnerships (HOME) Program (under Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended).

Housing and Urban Development (HUD) Final FY 2014-2015 Annual Action Plan (implements the Housing and Community Development Strategies of the FY 2010-2014 Consolidated Plan and authorizes the execution of all related documents by the City Manager and submission of the Action Plan to HUD)

WHEREAS, through provisions of the Housing and Community Development Act and the National Affordable Housing Act, the federal government has made block grant funding available to local communities for housing and community development activities; and

WHEREAS, the City of San Leandro adopted, by Resolution No. 2010-038 on April 19, 2010, the FY 2010-2014 Consolidated Plan to implement the goals identified in the Acts; and

WHEREAS, an Annual Action Plan (referred to hereinafter as "the Plan") has been prepared reflecting the activities that the City proposes to fund and implement during FY 2014-2015, a copy of which is attached hereto; and

WHEREAS, the City of San Leandro has held two public hearings, solicited public comment for thirty days by publishing a summary of the Plans in the newspaper and by providing the Plan at City Hall, in the City Clerk's office and the Community Development Department, in the Main Library, and on the City's website; and

WHEREAS, all public comments received, if any, were considered in the contents of the Plan; and

WHEREAS, the City Manager recommends execution and submission of said Action Plan with Certifications as attached.

NOW THEREFORE, BE IT RESOLVED that the City Council of the City of San Leandro hereby:

File Number: 14-067

- 1. Approves the attached FY 2014-2015 Annual Action Plan, including requisite Certifications, to meet the HUD plan submittal deadline of May 15, 2014;
- 2. Authorizes the City Manager to execute and submit all related documents to the FY 2014-2015 Annual Action Plan, including the said Action Plan and, if necessary, the Contingency Annual Action Plan, on behalf of the City of San Leandro to the U.S. Department of Housing and Urban Development (HUD).

# **Executive Summary**

# AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

#### 1. Introduction

The FY 2010-2014 Five-Year Housing and Community Development Strategic Plan (Consolidated Plan) identifies the housing and community development needs in San Leandro and outlines the strategies for meeting these needs. The FY 2014-2015 Annual Action Plan (Consolidated Action Plan) represents the fifth (5th) and final year of the Five-Year Plan and implements the strategies from the Five-Year Plan through the use of Community Development Block Grant (CDBG) and Home Investment Partnership (HOME) funds from the U.S. Department of Housing and Urban Development (HUD).

As a CDBG entitlement grantee, the City directly receives CDBG funds from HUD each year. In order to receive its annual CDBG grant allocation from HUD, however, the City must update its Consolidated Plan every five (5) years and annually submit the Consolidated Action Plans to HUD. The City participates in the Alameda County HOME Consortium, which is made up of the County and other Alameda County cities, excluding Berkeley and Oakland, and must apply to the County to receive its annual share of HOME funding. The County serves as the lead agency for the Consortium and the HOME Program and is responsible for submittal of the Consolidated Plan documents to HUD on behalf of the entire Consortium.

The FY 2014-2015 Action Plan outlines the proposed activities, objectives, and budget for the upcoming fiscal year. The Plan includes information on funding resources for housing and community development activities, a description of activities to be carried out, and other actions that the City will take to address issues such as barriers to affordable housing, anti-poverty strategy, and fair housing.

The FY 2014-2015 Community Development Block Grant (CDBG) entitlement grant from the U.S. Department of Housing and Urban Development (HUD) is \$691,519. There will be no CDBG program income or unallocated/unspent CDBG funds from FY 2013-2014. Therefore, the total CDBG funds available in FY 2014-2015 is \$691,519.

# 2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

There are three (3) major goals identified for the funds under the Housing and Community Development Act from which the CDBG Program originated:

- Provide decent housing
- Provide a suitable living environment
- Expand economic opportunity

In addition, CDBG funds must be used to meet one of three national objectives: 1) benefit low-and moderate-income persons, 2) aid in the prevention of slum and blight, or 3) meet an urgent need. HOME funds, meanwhile, must be used specifically for housing opportunities for low- and moderate-income persons.

In preparing the proposed program budget, the following were considered: housing and community development priority needs, Five-Year Strategic Plan objectives for FY 2010-14, and CDBG eligibility criteria. The City is proposing to allocate its available CDBG dollars in the following eligible funding categories: Public Services, Public Facilities, Housing Activities, and General Administration.

For public services the City proposes to fund homeless services and a shelter, family support services for abused children and their families, and services for special needs population (i.e. meal delivery service for homebound seniors and meals in supportive settings for seniors).

For Public Facilities, the City must allocate \$204,037 to HUD for principal/interest payments for the City's outstanding \$2.5 million HUD Section 108 loan which was used to construct the City's senior center. In addition, staff proposes allocating \$55,000 to continue to assist in the implementation of the City's 2010 Updated ADA Transition Plan by funding the completion of architectural modifications designed to make City facilities (including the Main Library, Marina Community Center, City Hall, South Offices, Police Department, Washington Manor Library, and Marina Park) more accessible to persons with disabilities. Furthermore, \$100,452 of CDBG funds will be used for the continued installation of wheelchair accessible sidewalks and curbs throughout the city to bring them into ADA compliance.

For Housing Activities, staff recommends providing \$90,000 of CDBG funds to fund City's Single-Family Housing Rehabilitation Grant Program, which provides minor repair grants to extremely low- and very-low income San Leandro homeowners.

The City's administration funding for FY 2014-2015 is \$138,303 in order to adhere to the HUD-regulated 20% spending cap on general administration. Staff is recommending to allocate \$128,303 to City staffing for program administration. CDBG funds will also once again be allocated to ECHO Housing's Fair Housing services. Staff proposes to allocate \$10,000 to fair housing services to assist the City in meeting HUD requirements to affirmatively further fair housing.

Additionally, staff proposes to continue using the City's HOME funds for the acquisition, rehabilitation, and/or new construction of affordable rental housing as well as tenant-based rental assistance to serve lower income households in need. As of today, there are no proposed HOME-funded projects.

# 3. Evaluation of past performance

Past performance for public services and capital improvement projects was evaluated and described in the City's final Consolidated Annual Performance and Evaluation Report (CAPER) for FY 2012-2013 that was submitted to the HUD Regional Office on September 19, 2013. The CAPER evaluating FY 2012-2013 was published for public comment from August 28th through September 16, 2013.

# 4. Summary of Citizen Participation Process and consultation process

HUD Consolidated Plan regulations require and provide guidelines for the City to develop a citizen participation plan that governs the public input and noticing process for creating the consolidated plan and subsequent annual action plans. The goal of the citizen participation plan is to encourage broader public involvement in the planning and allocation of CDBG and HOME funds and implementation of related programs. A minimum of two (2) public hearings are required with at least one (1) hearing to be held before the Draft FY 2014-2015 Annual Action Plan is published for public comment.

Notice of a summary and the availability of the Draft FY 2014-2015 Annual Action Plan for 30-day public comment was published in a locally circulated newspaper, *Daily Review*, on February 28th, 2014. The City Council held a public hearing on March 17, 2014 to receive initial public input on the Draft Annual Action Plan and to begin the 30-day comment from March 31st through April 30th, 2014. The Draft Action Plan was available for public review and comment during the 30-day period at City Hall (City Clerk's office and Community Development Department), the Main Library, and the City website (www.sanleandro.org/depts/cd/housing/plans.asp).

There were no comments received.

The Final Action Plan was reviewed and approved at a City Council public hearing on May 5, 2014.

# AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

# 1. Introduction

The Action Plan is an important document for the HOME Consortium. Built on interagency coordination, consultation, and public participation, the Action Plan focuses attention on housing and community development needs and resources available to meet these needs. The FY 2014-2015 Action Plan will be prepared through consultation with other public and private entities. The HOME Consortium Technical Advisory Committee, composed of staff from all jurisdictions in the HOME Consortium, meets bi-monthly to provide policy input into the Action Plan planning process.

The City of San Leandro will continue to coordinate available CDBG, HOME, and local funds to provide housing programs, public service assistance, capital improvements, and economic development activities for eligible residents and neighborhoods in FY 2014-2015. Housing-related activities will be coordinated between various City divisions, including Planning and Housing Services. The City will also coordinate with Alameda County, County HOME Consortium member cities, and non-profit agencies to address housing needs. The City will work with Alameda County to administer HOME funds for acquisition, rehabilitation, and/or new construction of affordable rental housing as well as tenant-based rental assistance. The City will continue to contract for housing services such as fair housing and tenant/landlord counseling. The City staff will continue to work closely with local non-profit agencies, the County, and other HOME Consortium members to identify permanent affordable, emergency and transitional housing needs (along with necessary supportive services) for the homeless and/or persons with special needs. HOME Consortium members have agreed to continue funding the regional Tenant-Based Rental Assistance (TBRA) for Homeless Families Program, a transitional housing program that provides short-term rental subsidies, job preparation and placements, case management, and other support services to assist homeless families attain permanent housing. In addition, the Housing Authority of Alameda County (HACA) administers the HUD Section 8 Housing Voucher Program for San Leandro, and the City will continue support for the Housing Authority in its efforts to maintain the current level of vouchers for eligible San Leandrans.

Since 2010, public services have been primarily supported by CDBG funds through the CDBG funds through the City's Community Assistance Grant Program (CAP). Efforts will continue to include the Human Services Commission (HSC) and non-profit agency directors/members to improve and evaluate the needs assessment and funding process. HSC identifies social service needs in the community and recommends to the City Council possible ways to meet those needs. HSC also evaluates and encourages the provision of social services in the City, reviews requests for funds, and makes recommendations for City financial support to social service agencies.

Additionally, CDBG funds are expected to be made available for City-initiated and/or non-profit capital improvement projects. Should funds be available, non-profit improvements will be coordinated within the City's Planning, Building & Safety Services, Engineering & Transportation, Public Works Departments, and the City Council.

Commercial revitalization efforts, furthermore, will continue through the City's Office of Business Development (OBD) staff. OBD staff work closely with CDBG staff, local business organizations (such as the Chamber of Commerce and Downtown Business Association), surrounding communities, and various other economic development organizations to better address and determine the City's future economic and job needs.

# Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

EveryOne Home activities to address the housing needs of the homeless, and extremely low-income persons with serious mental illness and/or those living with HIV/AIDS center on the implementation of the EveryOne Home Plan. Planning efforts began in 2004 as a unique collaboration among community stakeholders, cities and Alameda County government agencies representing three separate care systems — homeless services, HIV/AIDS services, and mental health services — that share overlapping client populations and a recognition that stable housing is a critical cornerstone to the health and well-being of homeless and at-risk people, and our communities. Since its publication in 2006 the Plan has been adopted by the Alameda County Board of Supervisors and all fourteen (14) cities, including San Leandro, and endorsed by numerous community organizations.

Implementation of the EveryOne Home Plan is spearheaded by a community-based organization of the same name. It is guided by a Leadership Board comprised of jurisdictional appointed members and key community constituencies such as consumers, cities, nonprofit service providers and housing developers, businesses, law enforcement, housing authorities, and faith-based organizations.

EveryOne Home envisions a system of housing and services in Alameda County that, by 2020, ensures all extremely low-income residents have a safe, supportive and permanent place to call home with services available to help them stay housed and improve the quality of their lives. EveryOne Home partners are working on five core strategies:

1) Prevent homelessness and other housing crises; 2) Increase housing opportunities for homeless and extremely low-income households; 3) Deliver flexible services to support stability and independence; 4) Measure success and report outcomes; and 5)Develop long-term leadership and build political will.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Alameda County Housing and Community Development Department through HMIS and leadership of the EveryOne Home Performance Management Committee is supportive of the EveryOne Home initiative to establish system wide outcomes and to evaluate effectiveness of programs against those outcomes. These outcomes include shortening the period of time being homeless and reducing the recidivism rates for homeless people.

Consultation with EveryOne Home, the Alameda Countywide Continuum of Care, on the use of Emergency Solutions Grant (ESG) funds, began early in 2012, when representatives from the City of Berkeley, the City of Oakland, Alameda County Housing and Community Development Department (Urban County grantee), and the Executive Director of EveryOne Home worked together to implement the new ESG requirements in a way that would be consistent county-wide and would continue a collaboration which began in 2009 with the American Recovery and Reinvestment Act (ARRA) Homelessness Prevention and Rapid Re-housing (HPRP) funds. This collaboration resulted in the creation of the Priority Home Partnership (PHP), which was a county-wide program to implement

HPRP. In order to learn from the best practices established by PHP, the group agreed to meet regularly to prepare for the submission of this Substantial Amendment and to coordinate around the use of future ESG funding via regular meetings and discussions with EveryOne Home. Subsequent to those calls, on March 1, 2012, EveryOne Home held a community-wide meeting at which additional consultation and public input into the use of ESG funds was solicited. A series of meetings with EveryOne Home and the ESG grantees continued through the year and a coordinated ESG program was established and began implementation in early 2013. This coordinated program will use this same structure for FY 2014 ESG funding.

AP-23 Annual Goals Summary

Geographic Area Goal Category Needs Addressed Funding CDBG HOME Affordable Housing Needs Goals \$100,000 Affordable Housing City-Wide Affordable Housing Needs Outcome: Objective: End Start Year: 2014 Year: 2015 Affordability Provide decent affordable housing

#### Narrative:

The City's Single-Family Housing Rehabilitation Program, which is administered by Neighborhood Solutions, will provide grants to fifteen (15) very low- and low-income households for minor repairs to their homes. \$90,000 CDBG funds will be used to provide these minor home repair

The City will continue to implement its FY 2010-2014 Fair Housing Plan, specifically designed to assist the City to "affirmatively further fair housing". The City will provide \$10,000 CDBG funds to ECHO Housing, a regional fair housing counseling agency, to provide housing discrimination services to fifteen (15) very low- and low-income clients.

In addition, the City will receive HOME funds in the amount of \$154,256 from HUD via the Alameda County HOME Consortium. Alameda County is the lead administrator for HOME funds under the County HOME Consortium. The City will also carry over \$289,497 in HOME funds from previous years for a total \$443,753 in total HOME amount for project expenditures. The City proposes to continue to use HOME funds for the acquisition, rehabilitation, and/or new construction of affordable rental housing as well as tenant-based rental assistance for lower income households in need. Currently, however, the are no proposed HOME-funded projects.

#### Narrative:

The City has, in the past, provided CDBG funds to Building Futures with Women & Children (BFWC) for its San Leandro Shelter for Women and Children and to ECHO Housing to providing tenant and landlord counseling and rental assistance program to San Leandro residents. However, due to limited CDBG funds, the City will be allocating local General Funds to BFWC and ECHO Housing to continue to provide their services that address the City's homelessness needs. BFWC's San Leandro Shelter will provide emergency shelter and support services, including food, laundry facilities, transportation vouchers, case management, mental health services, resources and referrals, advocacy, support groups, and household establishment assistance for residents moving beyond shelter, to homeless families in crisis, specifically to 200 women and children who are victims to domestic violence. ECHO Housing will provide tenant and landlord counseling, dispute resolution that provide tenants and landlords with mediation, and counseling services concerning tenant's and landlord's rights and responsibilities regarding rental housing to 215 tenants and landlords.

#### Narrative:

Non-Homeless Special Needs

Due to the limited availability of funds, the City of San Leandro does not anticipate funding activities that increase the availability of serviceenriched housing for persons with special needs in FY 2014-2015.

The City will commit 15% (or \$103,727) of its annual CDBG allocation (plus estimated CDBG generated program income from the current Fiscal year), in accordance with HUD regulations, toward Public Services. The City issued a Community Assistance Grant Program (CAP) Request for Funding Proposal (RFP) in November 2012 to award two-year grants through FY 2013-2015 (July 1, 2013 - June 30, 2015). The following non-profit social services providers will again be awarded CDBG public services funds in the 2nd-year of the two-year funding cycle: Child Abuse Listening, Interviewing and Coordination Center (CALICO) (\$14,200); Davis Street Family Resource Center (\$42,720); Family Emergency Center Coalition (FESCO) (\$14,507); SOS/Meals on Wheels (\$18,100); and Spectrum Community Services (\$14,200). These public services agencies will serve an estimated 10,441 persons. These projects are further detailed in section "AP - 35 Projects"

For Public Facilities, the City will allocate \$204,037 to HUD for principal/interest payments for the City's outstanding \$2.5 million HUD Section 108 loan which was used to construct the City's senior center. In addition, staff proposes allocating \$55,000 to continue to assist in the implementation of the City's 2010 Updated ADA Transition Plan by funding the completion of architectural modifications designed to make seven (7) City facilities (Main Library, Marina Community Center, City Hall, South Offices, Police Department, Washington Manor Library, and Marina Park) more accessible to persons with disabilities. Furthermore, \$100,452 of CDBG funds will be used for the continued installation of thirty (30) wheelchair accessible sidewalks and curbs throughout the city to bring them into ADA compliance.

CDBG :

# AP-35 Projects – 91.220(d)

# Introduction

CDBG funds can be used for four (4) general types of projects: housing, capital projects, economic development, and public services. All projects must meet at least one (1) of HUD's national objectives: 1) to benefit low/moderate-income people; 2) to prevent or eliminate slums and blight; and 3) to meet an urgent community development need.

Even if a project is suitable for one of the City's eligible categories, it must also pass the low- and moderate-income benefit test. A project basically meets this standard if at least 51% of the beneficiaries have low-moderate incomes (i.e., incomes at or below 80% of Area Median Income) or if the project benefits an area (e.g., census tracts, service area, neighborhood, etc.) with a majority of low-moderate income people. Funded projects are required to document the income levels of persons and households receiving these services.

After assessing the City's housing and community development priority needs, evaluating the Five-Year Strategic Plan objectives for FY 2010-2014, and analyzing CDBG eligibility criteria, the City is proposing to allocate its available CDBG dollars in the following eligible funding categories: Public Services, Public Facilities, Housing Activities, and General Administration.

# Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The City of San Leandro allocates its annual federal CDBG and HOME funds to address the City's housing and community development needs identified in the City's FY 2010-2014 Five-Year Housing and Community Development Strategic Plan (Consolidated Plan).

The main obstacles to addressing the City's underserved needs are: 1) the continued reductions in funding levels for the CDBG and HOME programs, and 2) the excess of need far exceeding the amounts of funding available.

# AP-50 Geographic Distribution – 91.220(f)

# Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Most of the activities in the Action Plan meet the needs of the entire City. The income structure of the City is fairly diverse, and there are few low-income census tract areas. Potential sites that could possibly accommodate affordable housing and homeless facilities are identified in the City's current Housing Element of the General Plan. Geography was not used to determine funding allocation priorities.

# AP-55 Affordable Housing – 91.220(g)

#### Introduction

In FY 2014-2015, the City of San Leandro will continue to diligently put efforts towards providing affordable housing in the City for homeless, non-homeless, and special needs households. Despite the decreasing allocation amount, the City continues to receive HOME funds which can be used to acquire, rehabilitate, and construct affordable housing, as well as to provide tenant-based assistance for income-eligible families. The passage of the California State Legislation AB1x 26, which eliminated the Redevelopment Agency of the City of San Leandro (Agency) and all the other redevelopment agencies throughout California on February 1, 2012, has severely impaired the City's ability to finance affordable housing activities with the substantial loss of Redevelopment Housing Set-Aside funds, which the City historically used to substantially fund affordable housing for low- and moderate-income households. Moreover, there is a minimal balance in the City's Affordable Housing Trust Fund which includes in-lieu fees from the City's Inclusionary Zoning Ordinance from for-sale projects consisting of two (2) to six (6) total units. Consequently, with funds that continue to diminish, the City does not anticipate having limited ability to provide rental assistance, produce new units, rehabilitated existing units, and/or acquire existing units in FY 2014-2015.

# **AP-60 Public Housing - 91.220(h)**

# Introduction

San Leandro is under the jurisdiction of the Housing Authority of the County of Alameda (HACA), but has no public housing. HACA administers the HUD Section 8 Housing Voucher Program for San Leandro, and the City will continue support the Housing Authority in its efforts to maintain the current level of vouchers for eligible San Leandrans.

# AP-65 Homeless and Other Special Needs Activities – 91.220(i)

#### Introduction

EveryOne Home activities to address the housing needs of the homeless and extremely low-income persons with serious mental illness and/or those living with HIV/AIDS center on the implementation of the EveryOne Home Plan. Planning efforts began in 2004 as a unique collaboration among community stakeholders, cities, and Alameda County government agencies representing three (3) separate care systems — homeless services, HIV/AIDS services, and mental health services — that share overlapping client populations and a recognition that stable housing is a critical cornerstone to the health and well-being of homeless and at-risk people, and our communities. Since its publication in 2006, the Plan has been adopted by the Alameda County Board of Supervisors and all fourteen (14) cities, and endorsed by numerous community organizations.

Implementation of the EveryOne Home Plan is being spearheaded by a community-based organization of the same name. It is guided by a Leadership Board comprised of jurisdictional appointed members and key community constituencies such as consumers, cities, nonprofits, businesses, and faith-based organizations.

EveryOne Home envisions a system of housing and services in Alameda County that, by 2020, ensures all extremely low-income residents have a safe, supportive, and permanent place to call home with services available to help them stay housed and improve the quality of their lives. EveryOne Home partners are working on five (5) core strategies:

- 1. Prevent homelessness and other housing crises.
- 2. Increase housing opportunities for homeless and extremely low-income households.
- 3. Deliver flexible services to support stability and independence.
- 4. Measure success and report outcomes.
- 5. Develop long-term leadership and build political will.

# Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

# Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

- Continuing to coordinate the implementation of countywide approaches to rapid rehousing and homelessness prevention, including use of Emergency Solutions Grant funds along with resources from TANF, Foster Care and Probation. Work on additional opportunities to expand Rapid Rehousing resources throughout the County. The intention is to build on the best practices of the Priority Home Partnership, Alameda County's Homeless Prevention and Rapid Rehousing program funded by ARRA, and making adjustments from the lessons learned and the reductions in resources post stimulus.
- Homeless Point-In-Time Count Report to community and jurisdictions.
- Continuing to work to expand housing opportunities. The jurisdictional committee will work to
  ensure that each community is contributing to the creation of permanent housing affordable
  and accessible to the EveryOne Home target populations. Collaboration will continue with local

housing authorities to increase vouchers available to the population as well. Publishing the second annual EveryOne Home Unit Progress Report in the spring of 2013.

- In support of the performance outcomes initiative EveryOne Home will collaborate with the HMIS team to produce the annual Outcomes Progress Report in the spring of 2013 reporting on performance for 2012 calendar year. Continue to provide technical assistance for provider agencies including the EveryOne Home Housed Academy in March 2013. The two-day EveryOne Housed Academy will help agencies developing changes in their operating policies and procedures that will enable them to permanently house people more quickly and perform better on the HEARTH Act outcomes as well as our local county-wide outcomes.
- Continue to work on the two system-wide evaluation and planning processes started in 2012 for moving toward a more centralized coordinated intake for homeless/housing services and for maximizing the benefits of our transitional housing programs.
- Continuing to keep the community informed through newsletters, meetings and website, of the
  collective efforts to prevent and end homelessness and the progress made on achieving the
  goals.

211 is a central access point in Alameda County for homeless persons seeking shelter and other service needs. In addition, the Hope Project provides outreach to street homeless in south and east Alameda County. Health Care for the Homeless provides health care to homeless in shelter and on the street. All of these programs provide an initial assessment to determine individual needs and works to meet those needs, either directly or through referrals.

# Addressing the emergency shelter and transitional housing needs of homeless persons

FESCO provides both emergency shelter and transitional housing in mid-county. Abode Services provide emergency shelter, transitional housing and permanent housing in south and east counties. The SHP-funded Southern Alameda County Housing/Jobs Linkages program provides rapid rehousing to sheltered homeless in mid, south, and east counties. The North County Winter Shelter, jointly funded by the Cities of Berkeley and Oakland, provides 100 beds per night to homeless in north Alameda County from November through April. The South County Winter Relief Program uses rapid rehousing strategies to house 15 families in south and east counties.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

 Alameda County Housing and Community Development Department through HMIS and leadership of the EveryOne Home Performance Management Committee is supportive of the EveryOne Home initiative to establish system wide outcomes and to evaluate effectiveness of programs against those outcomes. These outcomes include shortening the period of time homeless and reducing the recidivism rates for homeless people. An annual Outcomes Report is issued every spring tracking the progress of projects towards locally and nationally established goals.

- HCD and EveryOne Home collaborate with the local veteran's administration to streamline the referral and assessment process for chronically homeless veterans to access VASH vouchers. Funds from the SSVF program will assist with move-in costs for these vets in the coming year. Veteran families will also be rehoused with SSVF funds that will cover not only move-in costs but short term subsidies and supportive services. The SSVF program in Alameda County is a collaboration of four agencies. Abode Housing is the lead and partners with Operation Dignity which does veteran specific services and street outreach, Building Futures with Women and Children which services women and children and addresses issue of family, and Lifelong Medical which does much of the housing stabilization case management.
- HCD, in partnership with EveryOne Home and Alameda County Social Services Agency implemented a rapid rehousing program for homeless families using Title IV Foster Care Waiver Funds. Families will be diverted from or rapidly rehoused from emergency shelters throughout the county using these dollars for transition in place rent subsidies.

In the 2011 McKinney NOFA Alameda County was awarded 46 housing vouchers for chronically homeless individuals with frequent law enforcement encounters. These vouchers are distributed through five cities in Alameda County. Implementation will occur over the next 12 months.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Alameda County developed a pilot program that uses rapid rehousing strategies to assist
homeless individuals leaving State correctional facilities to avoid homelessness. The THP+
program provides transitional housing for youth aging out of foster care. In addition, the Social
Services Agency in the County, in collaboration with local providers, is development an
'Emancipation Village' with housing and services for emancipating foster youth. While the
Village is located in Oakland, it will serve youth coming from the entire County.

Future ESG funding will provide prevention activities that will likely address these populations. In addition, see above for information on Foster Care Waiver funds for homeless prevention and rapid rehousing.

## Discussion

The City of San Leandro was the first jurisdiction in the HOME Technical Advisory Consortium (HOMETAC) to adopt Alameda County's EveryOne Home Plan. The Human Services Commission (HSC) approved the EveryOne Home Plan on July 26, 2006. The City Council adopted the EveryOne Home Plan on November 20, 2006.

The City of San Leandro supports homeless and special needs service providers with CDBG funds. During

City of San Leandro Annual Action Plan

FY 2014-2015, the City will help fund operating costs for programs that provide homeless services. Over the years, the City has continued to support agencies such as the San Leandro Shelter for Women and Children (for homeless and victims of domestic abuse) and Davis Street Family Resource Center (a vital local community social service center) to provide such homeless services. The City will also continue to support services that help prevent homelessness: landlord/tenant counseling, fair housing services, and the Rental Assistance Program (which offers security deposit or delinquent rental payment assistance to eligible households with hardship issues). The City will also support the implementation of the EveryOne Home Plan by providing funds for county-wide administration expenses for Continuum of Care and HMIS.

# AP-75 Barriers to affordable housing – 91.220(j)

#### Introduction

The City continues to face the following barriers to affordable housing: funding, land costs, and construction costs.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

# **Funding**

The lack of available funds for affordable housing activities continues to be a problem for the City. The problem is further exacerbated with the ongoing reduction in federal HOME funds and the elimination of redevelopment in California by the State.

#### **Land Costs**

New construction and acquisition/rehabilitation of housing is severely impacted by the high cost of land in the Bay Area. The viability and feasibility of future City-assisted affordable housing developments may depend on the reasonableness of the land acquisition costs. The City will conduct financial feasibility analyses on a project-by-project basis to ensure it is not over-subsidizing affordable housing developers for any land purchase. Also, the City will continue to work with owners of existing rental units to provide financing in exchange for affordability covenants. Furthermore, the high cost of buying a home in the Bay Area continues to make it difficult for first-time homebuyers to become homeowners. With the elimination of the City's Redevelopment Agency, the City consequently has eliminated its First-Time Homebuyer Program down payment assistance loan program for low- and moderate-income first-time homebuyers as well as the loan portion of its Single-Family Housing Rehabilitation Program.

# **Construction Costs**

In addition to high land costs, the high cost of construction can also negatively affect the development of affordable housing construction and rehabilitation. In addition to undertaking financial feasibility analyses on a project-by-project basis to ensure that the City is not over-subsidizing development costs for affordable housing developers, the City will continue to work with them as well through design, planning, and financing review and recommendations to reduce increased construction costs.

# Discussion

The City approved an Inclusionary Zoning Ordinance in December 2004 that required developers to set aside 15% of their new ownership or rental housing units for low- and moderate-income households. The City will continue to monitor the progress of its inclusionary zoning requirement and assess, if necessary, how it can be improved through coordination with developer and other public input.

# **AP-85 Other Actions – 91.220(k)**

# Introduction

To carry out the following strategies outlined in the City of San Leandro's Consolidated Plan, the City will pursue the following planned actions.

# Actions planned to address obstacles to meeting underserved needs

The Consolidated Plan priorities, highlighted in "AP-23 Annual Goals Summary", are designed to address the underserved needs in San Leandro. The primary obstacle to meeting the City's underserved needs is securing adequate funding resources.

# Actions planned to foster and maintain affordable housing

The City will coordinate and collaborate with Alameda County to administer HOME funds for acquisition, rehabilitation, and/or new construction of affordable rental housing as well as tenant-based rental assistance. The City staff will continue to work closely with local non-profit agencies, the County, and other HOME Consortium member cities to identify permanent affordable housing as well as emergency and transitional housing needs (along with necessary supportive services) for the homeless and/or persons with special needs. HOME Consortium members, including San Leandro, have also agreed to continue funding the consortium-wide Tenant-Based Rental Assistance (TBRA) for Homeless Families Program, a transitional housing program that provides short-term rental subsidies, job preparation and placements, case management, and other support services to assist homeless families attain permanent housing.

The City, moreover, will continue to contract with ECHO Housing for housing services such as fair housing and tenant/landlord counseling. These services help maintain people in housing and prevent homelessness.

Furthermore, the City's Housing Rehabilitation Program for minor home repair grants for owner-occupied homes historically preserved and improved the City's existing housing stock for extremely low and very low-income homeowners and also and assisted elderly homeowners to age in place.

Lastly, the City will continue to monitor the preservation of 613 Below-Market Rate (BMR) rental units (funded and/or regulated by the City/Redevelopment Agency) for tenants earning between 30% and 120% of the Area Median Income and sixty (60) existing BMR ownership units.

# Actions planned to reduce lead-based paint hazards

The new Environmental Protection Agency (EPA) rule effective April 22, 2010 requires that contractors be EPA-lead certified prior to beginning work on structures built before 1978. The City, specifically its Building & Safety Services Division, requires contractors, who are working on homes built prior to 1978, to demonstrate that they have satisfied the EPA law prior to providing them the City building permits needed.

Should the City use federal funds, such as HOME funds, for acquisition and/or rehabilitation of apartments for preservation or maintenance as affordable housing, it will inform tenants of lead-based paint and comply with both the new EPA law on lead and renovation as well as with applicable HUD lead-based paint hazard reduction guidelines and regulations.

#### Actions planned to reduce the number of poverty-level families

Section 220 of the 1992 Housing and Community Development Act requires jurisdictions to describe the goals, programs, and policies that will reduce the number of households with incomes below the poverty level. One strategy for increasing household income is to improve the employment potential of those who are seeking to break from the cycle of poverty. The City's Community Assistance Grant Program (CAP), which is currently funded with CDBG funds, will continue to support non-profit agencies that provide job assistance and related services to low-income members of the community. The Davis Street Family Resource Center (DSFRC) provides case management services to address their clients' financial and social struggles and, employment support services and workshops that include assistance with résumé writing, job search, interview preparation, creating a family budget, and providing clothes for interviews. Special career management courses also assist CalWORKs clients in transitioning from welfare to self-sufficiency. Moreover, DSFRC and Building Futures with Women and Children (BFWC) work collaboratively to find long-term affordable housing for homeless families who have students in the school district.

The City's Office of Business Development actively seeks new commercial office and retail developments that may result in new employment opportunities for residents. The CDBG staff will continue to work closely with the City's Office of Business Development staff to develop eligible projects and programs and promote increased economic development and community job creation and retention.

#### Actions planned to develop institutional structure

Public agencies, for-profit and non-profit private organizations all play a part in the provision of affordable housing, social services, capital improvements, and economic development. The City's Housing Services Division has the primary responsibility for implementation of the Consolidated Plan and the Housing Element. The Division works closely with the Office of Business Development in the implementation of affordable housing projects and programs. Non-profit agencies also provide social services to the community each year. The Alameda County Housing and Community Development (HCD) Department is the lead agency in the implementation of the HOME Consortium's Consolidated Plan. HCD also administers the HOME Program for the HOME Consortium members, HUD homeless programs (including the Continuum of Care Council), and the Mortgage Credit Certificate (MCC) Program for homeownership. The City and other cities in the County take part in the HCD activities described above.

The City plans to continue funding EveryOne Home's operations. As already described, the City is committed to implementing the strategies of the EveryOne Home Plan and its objectives of ending homelessness in Alameda County by 2020.

## **Program Specific Requirements**

# HOME Investment Partnership Program (HOME) Reference 24 CFR 91.220(I)(2)

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

None.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

Per the Alameda County HOME Consortium guidelines, the City shall notify the Owner that the City or a City Designated Purchaser elects to exercise the City Option to purchase the HOME. The City's Notice shall include the City's calculation of the Maximum Restricted Resale Price to be paid by the City or a City Designated Purchaser.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

Per the Alameda County HOME Consortium guidelines, the City shall notify the Owner that the City or a City Designated Purchaser will not exercise the City Option to purchase the HOME. In this event, the City Response Notice shall include the following information: (1) the maximum qualifying income for an Eligible Purchaser; (2) the certifications required of an Eligible Purchaser; and (3) the Maximum Restricted Resale Price the Owner may receive for HOME, calculated by the City. Upon receipt of such notice, the Owner may proceed to sell the Home to an Eligible Purchaser at a price not to exceed the Maximum Restricted Resale Price.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

Not applicable.

# HUD CDBG & HOME Certifications

## Non-State Grantee Certifications

This certification does not apply. This certification is applicable.

#### NON-STATE GOVERNMENT CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace -- It will or will continue to provide a drug-free workplace by:

- 1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
- Establishing an ongoing drug-free awareness program to inform employees about
  - a. The dangers of drug abuse in the workplace;
  - The grantee's policy of maintaining a drug-free workplace;

  - c. Any available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
- 3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
- 4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will -
  - Abide by the terms of the statement; and
  - Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
- 5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
- 6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted -
  - Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
  - Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
- 7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

- 1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
- 2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
- 3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

**Authority of Jurisdiction** -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

#### **Specific CDBG Certifications**

The Entitlement Community certifies that:

**Citizen Participation --** It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

**Community Development Plan** -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

**Use of Funds --** It has complied with the following criteria:

- 1. Maximum Feasible Priority With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
- 2. Overall Benefit The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2014, (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
- 3. Special Assessments It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

#### Excessive Force -- It has adopted and is enforcing:

- 1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
- 2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of part 35, subparts A, B, J, K and R, of title 24.

Compliance with Laws -- It will comply with applicable laws.

#### **Specific HOME Certifications**

The HOME participating jurisdiction certifies that:

**Tenant Based Rental Assistance --** If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

**Eligible Activities and Costs --** it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

**Appropriate Financial Assistance --** before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing.

#### **ESG** Certifications

I, Chief Executive Officer of the City of San Leandro, certify that the local government will ensure the provision of the matching supplemental funds required by the regulation at 24 *CFR* 576.51. I have attached to this certification a description of the sources and amounts of such supplemental funds.

I further certify that the local government will comply with:

- 1. The requirements of 24 *CFR* 576.53 concerning the continued use of buildings for which Emergency Shelter Grants are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services.
- 2. The building standards requirement of 24 CFR 576.55.
- 3. The requirements of 24 CFR 576.56, concerning assurances on services and other assistance to the homeless.
- 4. The requirements of 24 *CFR* 576.57, other appropriate provisions of 24 *CFR* Part 576, and other applicable federal laws concerning nondiscrimination and equal opportunity.
- 5. The requirements of 24 *CFR* 576.59(b) concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.
- 6. The requirement of 24 *CFR* 576.59 concerning minimizing the displacement of persons as a result of a project assisted with these funds.
- 7. The requirements of 24 CFR Part 24 concerning the Drug Free Workplace Act of 1988.
- 8. The requirements of 24 *CFR* 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted with ESG funds and that the address or location of any family violence shelter project will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.
- 9. The requirement that recipients involve themselves, to the maximum extent practicable and where appropriate, homeless individuals and families in policymaking, renovating, maintaining, and operating facilities assisted under the ESG program, and in providing services for occupants of these facilities as provided by 24 *CFR* 76.56.
- 10. The requirements of 24 *CFR* 576.57(e) dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related authorities as specified in 24 *CFR* Part 58.
- 11. The requirements of 24 *CFR* 576.21(a)(4) providing that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services will meet the requirements that: (A) the inability of the family to make the required payments must be the result of a sudden reduction in income; (B) the assistance must be necessary to avoid eviction of the family or termination of the services to the family; (C) there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and (D) the assistance must not supplant funding for preexisting homeless prevention activities from any other source.
- 12. The new requirement of the McKinney-Vento Act (42 *USC* 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that state and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of state and local resources.
- 13. HUD's standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client-level information.

I further certify that the submission of a completed and approved Consolidated Plan with its certifications, which act as the application for an Emergency Shelter Grant, is authorized under state and/or local law, and that the local government possesses legal authority to carry out grant activities in accordance with the applicable laws and regulations of the U. S. Department of Housing and Urban Development.

#### APPENDIX TO CERTIFICATIONS

Instructions Concerning Lobbying and Drug-Free Workplace Requirements

#### **Lobbying Certification**

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

#### **Drug-Free Workplace Certification**

- 1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
- 2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
- 3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
- 4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
- 5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
- 6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code). Check if there are workplaces on file that are not identified here. The certification with regard to the drug-free workplace is required by 24 CFR part 21.

| Place Name            | Street                           | City        | County  | State | Zip   |
|-----------------------|----------------------------------|-------------|---------|-------|-------|
| San Leandro City Hall | 835 East 14 <sup>th</sup> Street | San Leandro | Alameda | CA    | 94577 |

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of *nolo contendere*) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including:

- a. all "direct charge" employees;
- b. all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and
- c. temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Note that by signing these certifications, certain documents must completed, in use, and on file for verification.
