TITLE: Staff Report for a Resolution Approving and Authorizing the City Manager to Execute a Non-Professional Services Agreement with Jack Doheny Companies, Inc. for the Closed Circuit Television (CCTV) Truck and Equipment Replacement Project, Project No. 2013.0240

SUMMARY AND RECOMMENDATIONS

Staff recommends approving and authorizing the City Manager to execute a Non-Professional Services Agreement with Jack Doheny Companies, Inc. in the amount of \$193,254, for the Closed Circuit Television (CCTV) Truck and Equipment Replacement Project, Project No. 2013.0240.

BACKGROUND

The City of San Leandro operates and maintains a network of approximately 125 miles of sanitary sewer pipelines and 70 miles of storm drain pipelines. Internal condition inspection of these pipelines is performed by review of video obtained from closed circuit television (CCTV) cameras inserted into the subject pipelines. The inspections are essential for monitoring the structural integrity of the pipelines and identifying conditions that are likely to cause blockages therefore preventing potential sewer overflows. The existing truck and CCTV equipment is over 14 years old and has reached the end of its useful life.

Analysis

A Request for Proposals to procure a new truck and CCTV equipment was issued in October 2013, generating proposals from three qualified firms. Staff evaluated the proposals based on least cost/best value, system functionality, and support services. The Jack Doheny Companies, Inc. was rated highest of these firms.

This contract will provide a new truck and CCTV equipment, backed by a warranty and

support services.

Applicable General Plan Policies

52.04: Wastewater Collection and Treatment

Maintain efficient, environmentally sound, and cost-effective wastewater collection and treatment services in San Leandro.

Fiscal Impacts

This project will cost \$240,000 and will be funded by existing allocations in account 593-52-254. The subject contract is for \$193,254.

Budget Authority

This WPCP Enterprise Fund project will be funded with the money in account 593-52-254 that was allocated as part of the fiscal year 2012-13 budget.

TITLE: RESOLUTION Approving and Authorizing the City Manager to Execute a Non-Professional Services Agreement with Jack Doheny Companies, Inc. for the Closed Circuit Television Truck and Equipment Replacement Project, Project No. 2013.0240 (provides for the replacement of a Closed Circuit Television Truck and Equipment funded by the Water Pollution Control Plant Fund at a cost of \$193,254)

WHEREAS, an agreement between the City of San Leandro and Jack Doheny Companies, Inc., a copy of which is attached, has been presented to this City Council; and

WHEREAS, the City Council is familiar with the contents thereof; and

WHEREAS, the City Manager recommends approval of said agreement and appropriation of \$240,000 carryover from account 593-52-254 in the fiscal year 2013-14 adopted budget to fiscal year 2014-15 budget.

NOW, THEREFORE, the City Council of the City of San Leandro does RESOLVE as follows:

That said agreement and fiscal year 2014-15 budget appropriation of \$240,000 is hereby approved and execution by the City Manager is hereby authorized.

**NON-PROFESSIONAL SERVICES AGREEMENT BETWEEN
THE CITY OF SAN LEANDRO AND
JACK DOHENY COMPANIES, INC.**

THIS AGREEMENT for Closed Circuit Television Truck and Equipment services is made by and between the City of San Leandro (“City”) and Jack Doheny Companies, Inc. (“Contractor”) (together sometimes referred to as the “Parties”) as of _____, 2014 (the “Effective Date”).

Section 1. SERVICES Subject to the terms and conditions set forth in this Agreement, Contractor shall provide to City the services described in the Scope of Work attached as Exhibit A at the time and place and in the manner specified therein. In the event of a conflict in or inconsistency between the terms of this Agreement and Exhibit A, the Agreement shall prevail.

- 1.1 Term of Services** The term of this Agreement shall begin on the Effective Date and shall end on completion of the initial Warranty and Support period, and Contractor shall complete the work described in Exhibit A on or before that date, unless the term of the Agreement is otherwise terminated or extended, as provided for in Section 8. The time provided to Contractor to complete the services required by this Agreement shall not affect the City’s right to terminate the Agreement, as referenced in Section 8.
- 1.2 Standard of Performance** Contractor shall perform all services required pursuant to this Agreement in the manner and according to the standards observed by a competent practitioner of the profession in which Contractor is engaged.
- 1.3 Assignment of Personnel** Contractor shall assign only competent personnel to perform services pursuant to this Agreement. In the event that City, in its sole discretion, at any time during the term of this Agreement, desires the reassignment of any such persons, Contractor shall, immediately upon receiving notice from City of such desire of City, reassign such person or persons.
- 1.4 Time** Contractor shall devote such time to the performance of services pursuant to this Agreement as may be reasonably necessary to meet the standard of performance provided in Subsection 1.2 above and to satisfy Contractor’s obligations hereunder.
- 1.5 City of San Leandro Living Wage Rates** This contract may be covered by the City of San Leandro Living Wage Ordinance (LWO). Bidder’s attention is directed to the San Leandro Municipal Code, Title 1, Chapter 6, Article 6. Successful Bidder must submit completed self-certification form and comply with the LWO if covered.

Section 2. COMPENSATION City hereby agrees to pay Contractor a sum not to exceed **\$193,254**, notwithstanding any contrary indications that may be contained in Contractor’s proposal, for services to be performed and reimbursable costs incurred under this Agreement. In

the event of a conflict between this Agreement and Contractor's proposal, attached as Exhibit A, regarding the amount of compensation, the Agreement shall prevail. City shall pay Contractor for services rendered pursuant to this Agreement at the time and in the manner set forth herein. The payments specified below shall be the only payments from City to Contractor for services rendered pursuant to this Agreement. Contractor shall submit all invoices to City in the manner specified herein. Except as specifically authorized by City in writing, Contractor shall not bill City for duplicate services performed by more than one person.

Contractor and City acknowledge and agree that compensation paid by City to Contractor under this Agreement is based upon Contractor's estimated costs of providing the services required hereunder, including salaries and benefits of employees and subcontractors of Contractor. Consequently, the Parties further agree that compensation hereunder is intended to include the costs of contributions to any pensions and/or annuities to which Contractor and its employees, agents, and subcontractors may be eligible. City therefore has no responsibility for such contributions beyond compensation required under this Agreement.

2.1 Invoices Contractor shall submit invoices, not more often than once a month during the term of this Agreement, based on the cost for services performed and reimbursable costs incurred prior to the invoice date. Invoices shall contain the following information:

- Serial identifications of progress bills; i.e., Progress Bill No. 1 for the first invoice, etc.;
- The beginning and ending dates of the billing period;
- A Task Summary containing the original contract amount, the amount of prior billings, the total due this period, the balance available under the Agreement, and the percentage of completion;
- At City's option, for each work item in each task, a copy of the applicable time entries or time sheets shall be submitted showing the name of the person doing the work, the hours spent by each person, a brief description of the work, and each reimbursable expense;
- The total number of hours of work performed under the Agreement by Contractor and each employee, agent, and subcontractor of Contractor performing services hereunder;
- The Contractor's signature;
- Contractor shall give separate notice to the City when the total number of hours worked by Contractor and any individual employee, agent, or subcontractor of Contractor reaches or exceeds 800 hours within a 12-month period under this Agreement and any other agreement between Contractor and City. Such notice shall include an estimate of the time necessary to complete

work described in Exhibit A and the estimate of time necessary to complete work under any other agreement between Contractor and City, if applicable.

2.2 Monthly Payment City shall make monthly payments, based on invoices received, for services satisfactorily performed, and for authorized reimbursable costs incurred. City shall have 30 days from the receipt of an invoice that complies with all of the requirements above to pay Contractor.

2.3 Final Payment City shall pay the last 10% of the total sum due pursuant to this Agreement within 60 days after completion of the services and submittal to City of a final invoice, if all services required have been satisfactorily performed.

2.4 Total Payment City shall pay for the services to be rendered by Contractor pursuant to this Agreement. City shall not pay any additional sum for any expense or cost whatsoever incurred by Contractor in rendering services pursuant to this Agreement. City shall make no payment for any extra, further, or additional service pursuant to this Agreement.

In no event shall Contractor submit any invoice for an amount in excess of the maximum amount of compensation provided above either for a task or for the entire Agreement, unless the Agreement is modified prior to the submission of such an invoice by a properly executed change order or amendment.

2.5 Hourly Fees Not Used.

2.6 Reimbursable Expenses Not Used.

2.7 Payment of Taxes Contractor is solely responsible for the payment of employment taxes incurred under this Agreement and any similar federal or state taxes.

2.8 Payment upon Termination In the event that the City or Contractor terminates this Agreement pursuant to Section 8, the City shall compensate the Contractor for all outstanding costs and reimbursable expenses incurred for work satisfactorily completed as of the date of written notice of termination. Contractor shall maintain adequate logs and timesheets to verify costs incurred to that date.

2.9 Authorization to Perform Services The Contractor is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of authorization from the Contract Administrator.

2.10 Liquidated Damages Failure of Contractor to respond to problems referred to it by City within the time limits established in Subsection 1.2 of this Agreement shall result in liquidated damages as set forth in Exhibit A.

Section 3. FACILITIES AND EQUIPMENT Except as set forth herein, Contractor shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. City shall make available to Contractor only the facilities and equipment listed in this section, and only under the terms and conditions set forth herein. Contractor shall make a written request to City to use facilities or equipment not otherwise listed herein.

3.1 Safety Requirements In accordance with generally accepted construction practices and state law, Contractor shall be solely and completely responsible for conditions on the jobsite, including safety of all persons and property during performance of the work. This requirement shall apply continuously and not be limited to normal working hours.

Contractor shall take all necessary precautions and provide all necessary safeguards to prevent personal injury and property damage. Contractor shall provide protection for all persons including, but not limited to, its employees and employees of its subcontractors; members of the public; and employees, agents, and representatives of the City and regulatory agencies that may be on or about the work.

The services of the City in conducting review and inspection of Contractor's performance is not intended to include review of the adequacy of Contractor's work methods, equipment, bracing or scaffolding, or safety measures, in, on, or near any Contractor jobsite.

All work and materials shall be in strict accordance with all applicable state, city, county, and federal rules, regulations and codes, with specific attention to the United States Department of Labor Occupational Health and Safety Administration (OSHA) requirements. Contractor shall be solely responsible for compliance with all city, county, and state explosive transport, storage, and blasting requirements and for any damages caused by such operations.

Contractor is hereby informed that work on City property could be hazardous. Contractor shall carefully instruct all personnel working on City property that all conditions of the property are potentially hazardous work areas as to potential dangers and shall provide such necessary safety equipment and instructions as are necessary to prevent injury to personnel and damage to property. Special care shall be exercised relative to work underground.

In addition to complying with all other safety regulations, Contractor shall abide by any and all other City requirements contained in any specifications, special conditions or manuals, which shall be made available by City upon request.

Contractor shall provide and maintain all necessary safety equipment such as fences, barriers, signs, lights, walkways, guards, and fire prevention and fire-fighting equipment and shall take such other action as is required to fulfill its

obligations under this section. It is the intent of the City to provide a safe working environment under normal conditions. CONTRACTOR IS ADVISED THAT CITY'S OPERATIONS AND PROPERTY ARE INHERENTLY HAZARDOUS BECAUSE OF CONDITIONS SUCH AS CONFINED SPACES, POTENTIALLY EXPLOSIVE ATMOSPHERES, AND POSSIBLE EXPOSURE TO PATHOGENS.

Contractor shall maintain all portions of the jobsite in a neat, clean, and sanitary condition at all times. If required by the City, toilets shall be furnished by Contractor where needed for use of its employees and their use shall be strictly enforced. Contractor shall not use the City's existing sanitary facilities, unless previously authorized by the City.

Contractor shall keep adequate first aid facilities and supplies available and instruction in first aid for its employees shall be given.

City reserves the right to require that Contractor bring onto the project or engage the services of a licensed safety engineer at any time during the term of this Agreement. If Contractor does not have a licensed safety engineer on staff, then City may require that Contractor engage a subcontractor or subconsultant as the project's safety engineer. Contractor shall bear all costs in connection with meeting the requirements of this section.

Section 4. INSURANCE REQUIREMENTS Before fully executing this Agreement, Contractor, at its own cost and expense, unless otherwise specified below, shall procure the types and amounts of insurance listed below against claims for injuries to persons or damages to property that may arise from or in connection with the performance of the work hereunder by the Contractor and its agents, representatives, employees, and subcontractors. Consistent with the following provisions, Contractor shall provide proof satisfactory to City of such insurance that meets the requirements of this section and under forms of insurance satisfactory in all respects, and that such insurance is in effect prior to beginning work to the City. Contractor shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Contractor's bid. Contractor shall not allow any subcontractor to commence work on any subcontract until Contractor has obtained all insurance required herein for the subcontractor(s) and provided evidence that such insurance is in effect to City. VERIFICATION OF THE REQUIRED INSURANCE SHALL BE SUBMITTED AND MADE PART OF THIS AGREEMENT PRIOR TO EXECUTION. Contractor shall maintain all required insurance listed herein for the duration of this Agreement.

4.1 Workers' Compensation

4.1.1 General Requirements Contractor shall, at its sole cost and expense, maintain Statutory Workers' Compensation Insurance and Employer's Liability Insurance for any and all persons employed directly or indirectly by Contractor. The Statutory Workers' Compensation Insurance and Employer's Liability Insurance shall be provided with limits of not less than **\$1,000,000** per accident. In the

alternative, Contractor may rely on a self-insurance program to meet those requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the California Labor Code shall be solely in the discretion of the Contract Administrator.

The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the entity for all work performed by the Contractor, its employees, agents, and subcontractors.

4.1.2 Submittal Requirements To comply with Subsection 4.1, Contractor shall submit the following:

- a. Certificate of Liability Insurance in the amounts specified in the section; and
- b. Waiver of Subrogation Endorsement as required by the section.

4.2 Commercial General and Automobile Liability Insurance

4.2.1 General Requirements Contractor, at its own cost and expense, shall maintain commercial general liability insurance for the term of this Agreement in an amount not less than **\$1,000,000** and automobile liability insurance for the term of this Agreement in an amount not less than **\$1,000,000** per occurrence, combined single limit coverage for risks associated with the work contemplated by this Agreement. If a Commercial General Liability Insurance or an Automobile Liability form or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to the work to be performed under this Agreement or the general aggregate limit shall be at least twice the required occurrence limit. Such coverage shall include but shall not be limited to, protection against claims arising from bodily and personal injury, including death resulting therefrom, and damage to property resulting from activities contemplated under this Agreement, including the use of owned and non-owned automobiles.

4.2.2 Minimum Scope of Coverage Commercial general coverage shall be at least as broad as Insurance Services Office Commercial General Liability occurrence form CG 0001 (most recent edition) covering comprehensive General Liability on an "occurrence" basis. Automobile coverage shall be at least as broad as Insurance Services Office Automobile Liability form CA 0001, Code 1 (any auto). No endorsement shall be attached limiting the coverage.

4.2.3 Additional Requirements Each of the following shall be included in the insurance coverage or added as a certified endorsement to the policy:

- a. The Insurance shall cover on an occurrence or an accident basis, and not on a claims-made basis.
- b. City, its officers, officials, employees, and volunteers are to be covered as additional insureds as respects: liability arising out of work or operations performed by or on behalf of the Contractor; or automobiles owned, leased, hired, or borrowed by the Contractor.
- c. Contractor hereby agrees to waive subrogation which any insurer or contractor may require from vendor by virtue of the payment of any loss. Contractor agrees to obtain any endorsements that may be necessary to affect this waiver of subrogation.
- d. For any claims related to this Agreement or the work hereunder, the Contractor's insurance covered shall be primary insurance as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it.

4.2.4 Submittal Requirements To comply with Subsection 4.2, Contractor shall submit the following:

- a. Certificate of Liability Insurance in the amounts specified in the section;
- b. Additional Insured Endorsement as required by the section;
- c. Waiver of Subrogation Endorsement as required by the section; and
- d. Primary Insurance Endorsement as required by the section.

4.3 All Policies Requirements

4.3.1 Acceptability of Insurers All insurance required by this section is to be placed with insurers with a Bests' rating of no less than A:VII.

4.3.2 Verification of Coverage Prior to beginning any work under this Agreement, Contractor shall furnish City with complete copies of all Certificates of Liability Insurance delivered to Contractor by the insurer, including complete copies of all endorsements attached to the policies. All copies of Certificates of Liability Insurance and certified endorsements shall show the signature of a person authorized by that insurer to bind coverage on its behalf. If the City does not receive the required insurance

documents prior to the Contractor beginning work, it shall not waive the Contractor's obligation to provide them. The City reserves the right to require complete copies of all required insurance policies at any time.

4.3.3 Deductibles and Self-Insured Retentions Contractor shall disclose to and obtain the written approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement. At the option of the City, either: the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects the City, its officers, employees, and volunteers; or the Contractor shall provide a financial guarantee satisfactory to the City guaranteeing payment of losses and related investigations, claim administration and defense expenses.

4.3.4 Wasting Policies No policy required by this Section 4 shall include a "wasting" policy limit (i.e. limit that is eroded by the cost of defense).

4.3.5 Endorsement Requirements Each insurance policy required by Section 4 shall be endorsed to state that coverage shall not be canceled by either party, except after 30 days' prior written notice has been provided to the City.

4.3.6 Subcontractors Contractor shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

4.4 Remedies In addition to any other remedies City may have if Contractor fails to provide or maintain any insurance policies or policy endorsements to the extent and within the time herein required, City may, at its sole option exercise any of the following remedies, which are alternatives to other remedies City may have and are not the exclusive remedy for Contractor's breach:

- Obtain such insurance and deduct and retain the amount of the premiums for such insurance from any sums due under the Agreement;
- Order Contractor to stop work under this Agreement or withhold any payment that becomes due to Contractor hereunder, or both stop work and withhold any payment, until Contractor demonstrates compliance with the requirements hereof; and/or
- Terminate this Agreement.

Section 5. INDEMNIFICATION AND CONTRACTOR'S RESPONSIBILITIES

Contractor shall indemnify, defend with counsel acceptable to City, and hold harmless City and its officers, officials, employees, agents and volunteers from and against any and all liability,

loss, damage, claims, expenses, and costs (including without limitation, attorney's fees and costs and fees of litigation) (collectively, "Liability") of every nature arising out of or in connection with Contractor's performance of the Services or its failure to comply with any of its obligations contained in this Agreement, except such Liability caused by the sole negligence or willful misconduct of City.

The Contractor's obligation to defend and indemnify shall not be excused because of the Contractor's inability to evaluate Liability or because the Contractor evaluates Liability and determines that the Contractor is not liable to the claimant. The Contractor must respond within 30 days, to the tender of any claim for defense and indemnity by the City, unless this time has been extended by the City. If the Contractor fails to accept or reject a tender of defense and indemnity within 30 days, in addition to any other remedy authorized by law, so much of the money due the Contractor under and by virtue of this Agreement as shall reasonably be considered necessary by the City, may be retained by the City until disposition has been made of the claim or suit for damages, or until the Contractor accepts or rejects the tender of defense, whichever occurs first.

Notwithstanding the forgoing, to the extent this Agreement is a "construction contract" as defined by California Civil Code Section 2782, as may be amended from time to time, such duties of Contractor to indemnify shall not apply when to do so would be prohibited by California Civil Code Section 2782.

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Section 6. STATUS OF CONTRACTOR

- 6.1 Independent Contractor** At all times during the term of this Agreement, Contractor shall be an independent contractor and shall not be an employee of City. City shall have the right to control Contractor only insofar as the results of Contractor's services rendered pursuant to this Agreement and assignment of personnel pursuant to Subsection 1.3; however, otherwise City shall not have the right to control the means by which Contractor accomplishes services rendered pursuant to this Agreement. Notwithstanding any other City, state, or federal policy, rule, regulation, law, or ordinance to the contrary, Contractor and any of its employees, agents, and subcontractors providing services under this Agreement shall not qualify for or become entitled to, and hereby agree to waive any and all claims to, any compensation, benefit, or any incident of employment by City, including but not limited to eligibility to enroll in the California Public Employees Retirement System (PERS) as an employee of City and entitlement to

any contribution to be paid by City for employer contributions and/or employee contributions for PERS benefits.

- 6.2** **Contractor Not an Agent** Except as City may specify in writing, Contractor shall have no authority, express or implied, to act on behalf of City in any capacity whatsoever as an agent. Contractor shall have no authority, express or implied, pursuant to this Agreement to bind City to any obligation whatsoever.

Section 7. LEGAL REQUIREMENTS

- 7.1** **Governing Law** The laws of the State of California shall govern this Agreement.
- 7.2** **Compliance with Applicable Laws** Contractor and any subcontractors shall comply with all laws applicable to the performance of the work hereunder.
- 7.3** **Other Governmental Regulations** To the extent that this Agreement may be funded by fiscal assistance from another governmental entity, Contractor and any subcontractors shall comply with all applicable rules and regulations to which City is bound by the terms of such fiscal assistance program.
- 7.4** **Licenses and Permits** Contractor represents and warrants to City that Contractor and its employees, agents, and any subcontractors have all licenses, permits, qualifications, and approvals of whatsoever nature that are legally required to practice their respective professions. Contractor represents and warrants to City that Contractor and its employees, agents, any subcontractors shall, at their sole cost and expense, keep in effect at all times during the term of this Agreement any licenses, permits, and approvals that are legally required to practice their respective professions. In addition to the foregoing, Contractor and any subcontractors shall obtain and maintain during the term of this Agreement valid Business Licenses from City.
- 7.5** **Nondiscrimination and Equal Opportunity** Contractor shall not discriminate, on the basis of a person's race, religion, color, national origin, age, physical or mental handicap or disability, medical condition, marital status, sex, or sexual orientation, against any employee, applicant for employment, subcontractor, bidder for a subcontract, or participant in, recipient of, or applicant for any services or programs provided by Contractor under this Agreement. Contractor shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Contractor thereby.

Contractor shall include the provisions of this Subsection in any subcontract approved by the Contract Administrator or this Agreement.

Section 8. TERMINATION AND MODIFICATION

- 8.1 Termination** City may cancel this Agreement at any time and without cause upon written notification to Contractor.

Contractor may cancel this Agreement upon 90 days' written notice to City and shall include in such notice the reasons for cancellation.

In the event of termination, Contractor shall be entitled to compensation for services performed to the effective date of termination; City, however, may condition payment of such compensation upon Contractor delivering to City any or all documents, photographs, computer software, video and audio tapes, and other materials provided to Contractor or prepared by or for Contractor or the City in connection with this Agreement.

- 8.2 Extension** City may, in its sole and exclusive discretion, extend the end date of this Agreement beyond that provided for in Subsection 1.1. Any such extension shall require a written amendment to this Agreement, as provided for herein. Contractor understands and agrees that, if City grants such an extension, City shall have no obligation to provide Contractor with compensation beyond the maximum amount provided for in this Agreement. Similarly, unless authorized by the Contract Administrator, City shall have no obligation to reimburse Contractor for any otherwise reimbursable expenses incurred during the extension period.

- 8.3 Amendments** The Parties may amend this Agreement only by a writing signed by all the Parties.

- 8.4 Assignment and Subcontracting** City and Contractor recognize and agree that this Agreement contemplates personal performance by Contractor and is based upon a determination of Contractor's unique personal competence, experience, and specialized personal knowledge. Moreover, a substantial inducement to City for entering into this Agreement was and is the professional reputation and competence of Contractor. Contractor may not assign this Agreement or any interest therein without the prior written approval of the Contract Administrator. Contractor shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors noted in the proposal, without prior written approval of the Contract Administrator.

- 8.5 Survival** All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between City and Contractor shall survive the termination of this Agreement.

- 8.6 Options upon Breach by Contractor** If Contractor materially breaches any of the terms of this Agreement, City's remedies shall included, but not be limited to, the following:

- 8.6.1 Immediately terminate the Agreement;
- 8.6.2 Retain the plans, specifications, drawings, reports, design documents, and any other work product prepared by Contractor pursuant to this Agreement;
- 8.6.3 Retain a different contractor to complete the work described in Exhibit A not finished by Contractor; or
- 8.6.4 Charge Contractor the difference between the cost to complete the work described in Exhibit A that is unfinished at the time of breach and the amount that City would have paid Contractor pursuant to Section 2 if Contractor had completed the work.

Section 9. KEEPING AND STATUS OF RECORDS

- 9.1 **Records Created as Part of Contractor's Performance** All reports, data, maps, models, charts, studies, surveys, photographs, memoranda, plans, studies, specifications, records, files, or any other documents or materials, in electronic or any other form, that Contractor prepares or obtains pursuant to this Agreement and that relate to the matters covered hereunder shall be the property of the City. Contractor hereby agrees to deliver those documents to the City upon termination of the Agreement. It is understood and agreed that the documents and other materials, including but not limited to those described above, prepared pursuant to this Agreement are prepared specifically for the City and are not necessarily suitable for any future or other use. City and Contractor agree that, until final approval by City, all data, plans, specifications, reports and other documents are confidential and will not be released to third parties without prior written consent of both Parties.
- 9.2 **Contractor's Books and Records** Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the City under this Agreement for a minimum of 3 years, or for any longer period required by law, from the date of final payment to the Contractor to this Agreement.
- 9.3 **Inspection and Audit of Records** Any records or documents that Subsection 9.2 of this Agreement requires Contractor to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the City. Under California Government Code Section 8546.7, if the amount of public funds expended under this Agreement exceeds \$10,000.00, the Agreement shall be subject to the examination and audit of the State Auditor, at the request of City or as part of any audit of the City, for a period of 3 years after final payment under the Agreement.

Section 10. MISCELLANEOUS PROVISIONS

- 10.1 Attorneys' Fees** If a party to this Agreement brings any action, including an action for declaratory relief, to enforce or interpret the provision of this Agreement, the prevailing party shall be entitled to reasonable attorneys' fees in addition to any other relief to which that party may be entitled. The court may set such fees in the same action or in a separate action brought for that purpose.
- 10.2 Venue** In the event that either party brings any action against the other under this Agreement, the Parties agree that trial of such action shall be vested exclusively in the state courts of California in the County of Alameda or in the United States District Court for the Northern District of California.
- 10.3 Severability** If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.
- 10.4 No Implied Waiver of Breach** The waiver of any breach of a specific provision of this Agreement does not constitute a waiver of any other breach of that term or any other term of this Agreement.
- 10.5 Successors and Assigns** The provisions of this Agreement shall inure to the benefit of and shall apply to and bind the successors and assigns of the Parties.
- 10.6 Conflict of Interest** Contractor may serve other clients, but none whose activities within the corporate limits of City or whose business, regardless of location, would place Contractor in a "conflict of interest," as that term is defined in the Political Reform Act, codified at California Government Code Section 81000 *et seq.*

Contractor shall not employ any City official in the work performed pursuant to this Agreement. No officer or employee of City shall have any financial interest in this Agreement that would violate California Government Code Section 1090 *et seq.*

Contractor hereby warrants that it is not now, nor has it been in the previous 12 months, an employee, agent, appointee, or official of the City. If Contractor was an employee, agent, appointee, or official of the City in the previous 12 months, Contractor warrants that it did not participate in any manner in the forming of this Agreement. Contractor understands that, if this Agreement is made in violation of California Government Code Section 1090 *et seq.*, the entire Agreement is void and Contractor will not be entitled to any compensation for services performed pursuant to this Agreement, including reimbursement of expenses, and Contractor

will be required to reimburse the City for any sums paid to the Contractor. Contractor understands that, in addition to the foregoing, it may be subject to criminal prosecution for a violation of California Government Code Section 1090 *et seq.*, and, if applicable, will be disqualified from holding public office in the State of California.

10.7 Solicitation Contractor agrees not to solicit business at any meeting, focus group, or interview related to this Agreement, either orally or through any written materials.

10.8 Contract Administration This Agreement shall be administered by John O'Driscoll ("Contract Administrator"). All correspondence shall be directed to or through the Contract Administrator or his or her designee.

10.9 Notices Any written notice to Contractor shall be sent to:

Mr. Kevin Kelly

EXHIBIT A

SCOPE OF SERVICES

BACKGROUND

The Water Pollution Control Plant (WPCP) Closed Circuit Television truck and equipment is 14 years old and has reached its useful life. The existing CCTV truck is out of service frequently due to equipment failure and repair issues. Timely TV inspections of internal sanitary and storm pipelines are essential for monitoring the structural integrity of the pipeline and for preventing sewer overflows by observing and identifying conditions that are likely to cause blockages. As a one truck agency, reliability and local factory support are paramount to complete this mission.

SCOPE OF WORK

Provide a vehicle (truck) custom fitted and equipped to perform closed circuit television inspections of pipeline interiors. Package shall include all components necessary to deploy, control and retrieve camera equipment. Video and still images collected shall be formatted compatible with the City's existing sanitary sewer asset management system.

Contractor shall also provide a standard Warranty, Maintenance and Support Services for a period of one (1) year commencing with delivery of the vehicle and all equipment. The Contractor shall also provide a five year (years 2 through 6) extended coverage package on the camera and control equipment.

Contractor Deliverables

Truck – Custom Fitted with Closed Circuit Television Inspection Equipment

1.0 Truck Vehicle

1.1 General Conditions

- a. The vehicle shall be completely serviced as recommended by the manufacturer prior to delivery to the City
- b. Vehicle shall be delivered with DMV registration completed
- c. Vehicle shall be delivered with a full tank of fuel
- d. Two (2) keyless fob door transmitters and three (3) sets of standard keys for doors and ignition be provided
- e. Maintenance manuals, in book form or CD-ROM format shall be included
- f. TV truck and all equipment shall be delivered to the Water Pollution Control Plant (WPCP), 3000 Davis Street, San Leandro

1.2 Engine, Transmission, Chassis & Drive Train

- a. Ford E-450, V-10, Gasoline Truck, 14,200 GVWR
- b. Electronic Fuel Injection Engine:
- c. Automatic Transmission with Overdrive
- d. Heavy Duty Cooling System

- e. Chassis, Painted Black (no rust showing)
- f. Factory Installed power assisted Steering
- g. Factory Installed, Power Assisted, Hydraulic, ABS Brakes
- h. Standard Steel Wheels; Dual Rear Wheels
- i. Wheels sized to accommodate GVWR; with full size spare
- j. All season Radial Tires
- k. Heavy Duty, maintenance free Battery
- l. Single Fuel Tank with 35 gallon capacity

1.3 Cab Details

- a. Manufacturer's White Painted Interior and Exterior
- b. Gray or Tan Trim
- c. Two Exterior Doors
- d. Sliding Passage Door from cab to cargo area
- e. Two individual seats, driver & passenger; Gray or Tan Vinyl
- f. Seat Belts
- g. Air Bags
- h. Sun Visors
- i. Power Windows
- j. Power exterior Mirrors
- k. Gauges: - Speedometer; Odometer; Fuel; Volt-meter; Temperature; Oil

1.4 Cargo Area (exterior)

- a. Pre-Painted White Side Sheets (0.040 Aluminum)
- b. One Piece Roof Sheet (0.032 Aluminum)
- c. Full Width Rear Doors
- d. Laminated Steel Cam (Pipe) locks on each door
- e. Cargo deck height shall be 40" (+/-) above ground
- f. Two intermediate steps (evenly spaced)
- g. Three hand grips to assist entry/exit (left, right and middle)
- h. Two Traffic Adviser; LED (rear & front mounted)
- i. Two top strobes on independent circuit / switch
- j. Adjustable Floodlights at rear of vehicle for manhole work area illumination
- k. Rear back-up camera to see manholes when positioning truck
- l. Back-up warning Alarm

2.0 External Accessories

2.1 Generator

- a. Generator Storage Compartment with Lockable External Access Door
- b. 120-Volt, 60 HZ. 5.5 Kw, Quiet Commercial Grade Generator
- c. Gasoline Powered, tied to chassis fuel; Electric Start
- d. Automatic Power Transfer Switch
- e. Electrical Supply Center with Circuit Breaker Box
- f. Commercial grade Generator Power Connectors

- g. Commercial grade Power Supply Receptacle, 25' cord and plug
- h. Generator Remote Start/Stop

2.2 Wash-down System

- a. 20 Gallon Capacity
- b. Electric Water Pump - High Pressure 60psi
- c. Retractable Reel with 35' Water Hose and Nozzle

2.3 Heating Cooling control

- a. Compact roof-top unit
- b. 13,500 BTU Cooling and 5,000 BTU heat strip

3.0 Cargo Area

3.1 General

- a. Space separated into control and equipment areas
- b. Bulkhead Wall with Passage Door from Control Room to Equipment Room
- c. "Safety Plus Visual" Viewing Window in Bulkhead Wall
- d. Sliding passage door from control room to cab space
- e. Resilient Flooring System
- f. Resilient Wall & Ceiling Covering (also on interior faces of exterior doors)

3.2 Control Room Furnishings & Equipment

- a. Custom built-in Desktop (approximate 90" x 30" L-shaped), Formica laminate
- b. Below Desk Control Console with Rack Mount for Electronic Equipment
- c. Operators Chair, swivel with casters
- d. Bench seating with below storage
- e. 12-Volt Courtesy Light
- f. Electrical Outlets above and below desk
- g. Fire Extinguisher (10BC Rating) with Mounting Bracket
- h. Microwave Oven (stainless steel case & trim)

3.3 Equipment Room Components

- a. Work Top with Sink and Faucet (10 gallon waste reservoir)
- b. Electrical outlets above worktop
- c. 7 Drawer Tool Chest (+/- 40" wide x 18" deep, full extension, latching drawers)
- d. Wall mounted bracket for rear facing TV Monitor
- e. Multi Conductor TV only Tool Kit; with one each of:
 - i. Milliampmeter Tool
 - ii. Electrical Tape
 - iii. Needle Nose Pliers
 - iv. Six-In-One Screwdriver
 - v. 6" Adjustable Wrench
 - vi. Anti Seize Grease
 - vii. 9-Piece Allen Wrench kit

- viii. Solder Iron Kit
- ix. Industrial Pliers
- x. Metric T-Handle Hex Wrench
- f. Multi Conductor TV Only Operation Manual, with:
 - i. Parts Catalog
 - ii. Cable Repair Kit DVD
 - iii. On-site Training & Manuals
- g. Manhole Toproller Assembly, TV only
- h. Manhole adaptor Claw Hook
- i. Retrieval/Downhole Pole Assembly
- j. Invert Roller Assembly
- k. Retrieval Hook

4.0 Control & Computer Equipment

4.1 Control Components

- a. IBAK controller mounted on top of desk
- b. Two (2) Multi-function Joysticks
- c. LCD Display For Operating Functions
 - i. Voltage Readout, Power Supply
 - ii. Hertz Readout, Power Supply
 - iii. Generator Hour Readout
 - iv. Remote Generator Start/Stop Control Switch
- d. Control of the Camera functions KRA functions and Electric Launch Winch
- e. Built-in MPEG Recorder
- f. Three 19" multimedia LCD desktop monitors with 16x9 aspect ratio
- g. In and output of video signal
- h. RS232 interface
- i. Data display generator
- j. Operating voltage 90-240VAC
- k. Integrated QWERTY Keyboard
- l. Connection Cable KT180/KW180 to BK3/BE3 for permanent installation, length 16 feet
- m. UPS; Input 120-Volt/Output 120-Volt
- n. 19" LCD TV Monitor located in the equipment room with Cable Assembly - Video Monitor to Monitor in Control Room
- o. Separate Remote Command and Control Center with Touch Screen Color LCD Panel

4.2 Computer Equipment

- a. X79 motherboard with LGA2011 socket, i7-4820k CPU
- b. Intel Core i7-4820k 3.7GHZ processor
- c. 8GB of DDR3 memory
- d. PCI Video Capture Board for MPEG 1/2/4 Video Capture with Hardware Compression

- e. Video graphics card supporting 2GB video memory
- f. LAN, On Board Network Connection, Intel 82547E1 10/100/1000
- g. USB 3.0 Ports (4 total)
- h. RS232 Serial Ports
- i. SoundBlaster Compatible, On Board Sound
- j. DVD +/- RW DVD Burner 20x /CD - RW 40x both Internal
- k. Two (2) 2TB raid drives mirrored
- l. 256GB solid state drive SATA 3
- m. 650 Watt ATX Power Supply
- n. Industrial Hardened, Rack Mount Case with Air Filtering, Vibration Dampening Hard Drive Mounts
- o. Windows 7 professional 64BIT
- p. System shall be compatible with PIC AX software
- q. Keyboard (black)
- r. Mouse, Microsoft Optical SCR, PS2/USB
- s. Printer; HP Office 6100 series, (or equal)

5.0 Camera Equipment

5.1 Camera System

- a. Solid State Color Sewer TV Camera; IBAK Orion
- b. Internal air pressure system; hand pump with air dehumidifier & pressure gauge & pressure test kit provided
- c. Pan, Tilt, 3X digital Zoom Control of the Camera and Tractor Functions
- d. NTSC Color Standard with 4x Light Integration
- e. Camera Lighting System (for 6" through 24" pipe)
- f. Built in 32.8 HZ Sonde transmitter with RD7000 locator provided in truck
- g. Laser Measurement equipment for application in pipe sizes 6" through 12"
- h. Zero home position & upright picture control
- i. Camera Transportation and Storage Case

5.2 Camera Transporter (Base)

- a. Self-Propelled, steerable, wheeled; IBAK T-66 Tractor
- b. Forward and Power Reverse drives
- c. Compact unit to inspect 6" pipelines
- d. Wheel Sets
 - i. Three (3) Tread Wheel sets for 5", 6" and 8" pipes
 - ii. Two (2) Granulated Wheel set for 5" and 6" pipes
 - iii. One (1) High-Traction Wheel set for 6" Pipe
 - iv. One (1) Pneumatic Wheel set with adaptors for larger pipes

5.3 Power & Communication

- a. Electric Launch Winch System
- b. 1000' Cable Assembly, M/C 12Pin Metal

- c. 1000' Gold Multi Conductor Kevlar Fiber Armored Combination TV Transmission/Tow Cable, 0.450 Diameter
- d. Metal Splice Chamber with Pigtail
- e. Cable Strain Relief
- f. TV Reel Assembly [RH], mechanical for summit 0.450 cable w/auto payout
- g. Black Thermoplastic Powder Coated Frame
- h. 100% synchronization between transporter and cable reel
- i. Automatic Cable Payout System
- j. Footage Meter with Local Counter and Remote Electronic Counter
- k. Transmission Control at Viewing Station
- l. Local Reel Mount Electrical and Mechanical Control
- m. Sealed Continuous Contact Collector Assembly
- n. Removable Drip Pan for Cleaning

5.4 Portable Push System

- a. VuTek GT Series portable Push System (base unit)
- b. Aluminum Housing
- c. Combination Color Mini-Camera Control System/Monitor
- d. Operable on both AC and DC power; with 12v truck adapter
- e. 6.4" Color Display Monitor with Anti-Glare Screen
- f. Built in keyboard.
- g. Control Unit with Connecting Jack for Video In and Video Out
- h. Built In 12-Volt Battery and Battery Charger
- i. Wheeled Coiler Assembly
- j. Electronic Footage Meter
- k. Mini Titler Video Display System with Electronic Footage Meter
- l. Onscreen options for footage, titling and picture view
- m. Built In Keypad for Titling and Set Up Functions
- n. 200' Mini System Push Assembly
- o. 12 PIN Translator, Push System to mainline multiconductor system
- p. Portable system Truck Mount

6.0 Warranties & Support Services

6.1 General

- a. Contractor shall provide standard maintenance & warranty (100% parts and labor) on all components provided in this agreement, for a period of one year commencing on the date of delivery of the vehicle and all equipment to the City
- b. The City shall have the option of purchasing extended maintenance, warrant and support coverage for a period of up to four years beyond the initial one year warranty period
- c. Spare parts, including O-rings, transporter tires, and LED protective lenses will be provided with delivery of vehicle. All tools necessary to perform standard maintenance listed in section 3.3 (e)

- d. Full factory authorized service technician center is located at 1700 Verne Roberts Circle, Antioch, CA, 94509 and Contractor shall provide same day or next day service
- e. Typical Contractor on site repairs include but are not limited to: cable termination repair, basic camera and tractor repairs, camera maintenance, tractor maintenance, and troubleshooting and parts swap
- f. Loaner equipment shall be made available for all warranty repairs that cannot be completed within 2 business days of a reported defect; said loaner equipment shall be provided no later than 3 business days after the defect was reported
- g. Loaner equipment shall be of equal or better quality than the components replaced and shall be compatible with remaining equipment providing a fully functioning CCTV Inspection system

6.2 Extended Coverage

- a. Extended coverage shall be applicable to all Control, Computer and Camera equipment provided as listed in sections 4.0 and 5.0
- b. Extended service and warranty package shall be annually renewable for a 5-year period (years 2 through 6) beyond the initial one year warranty period; extended warranty on Vutek equipment is limited to 4 years (years 2 through 5)
- c. Extended coverage package shall include:
 - i. Spare part inventory
 - ii. Defective part replacement
 - iii. On-site trouble shooting, repair and maintenance
 - iv. Off-site repair work
 - v. Loaner equipment as listed in section 6.1 (f & g)

6.3 Training

- a. A factory-trained person shall conduct the initial set up/start up and training
- b. Three full (8-hour) days of on-site training shall be provided
- c. Training shall occur at the WPCP, or at a San Leandro site selected by WPCP staff
- d. O & M Manuals shall be provided for all equipment and systems in the format as follows:
 - ii. One hard Copy
 - iii. One electronic copy (pdf format)
 - iv. Three sets of field copies on Tyvek (or similar tear & water resistant material)

Timeline

- Vehicle and equipment shall be delivered within 45 days issuance of Notice to Proceed
- Training shall commence within 3 business days of the truck delivery
- Initial one-year Warranty & Support Services shall commence on date of delivery of vehicle and all equipment

EXHIBIT B

COMPENSATION SCHEDULE

Contractor shall provide the Scope of Services defined in Exhibit A for this project for a Lump Sum Fee of **\$193,254.00**

Any additional services beyond those detailed in Exhibit A shall be pre-approved in writing and shall will be provided on either an hourly fee, unit cost, basis or a mutually agreed upon lump sum fee.

EXHIBIT C

EXTENDED WARRANTY & SUPPORT

City may, in its sole and exclusive discretion, extend the end date of this Agreement beyond that provided for in Subsection 1.1, for five (5) additional one-year terms, as deemed beneficial to the City, for a total contract period of six (6) years. Contractor shall be notified in writing by the City Purchasing Agent of the City's intention to extend the Contract term at least ninety (90) calendar days prior to the expiration of the Contract.

Contractor shall provide Extended Warranty and Support for this project on a Lump Sum basis as follows:

Item	Annual Cost
1 – IBAK Equipment (Camera, transporter, controls)	\$ 1,200.00
2 – Vutek Equipment (Push camera system)	\$ 325.00
Sub-total cost per year (years 2 – 5)	\$ 1,525.00
Sub-total cost per year (year 6)	\$ 1,200.00

The stated yearly fee for this agreement shall be adjusted annually on the anniversary of the execution of the contract based on the Consumer Price Index published by the Bureau of Labor Statistics, for all commodities for all urban consumers in the U. S. Cities Average Index (index base 1982 - 1984 = 100) for the preceding twelve months.

Payments are due at the commencement of each annual renewal period.

EXHIBIT D

PROVISIONS REQUIRED FOR PUBLIC WORKS CONTRACTS PURSUANT TO CALIFORNIA LABOR CODE SECTION 1720 *ET SEQ.*

HOURS OF WORK:

- A. In accordance with California Labor Code Section 1810, 8 hours of labor in performance of the services described in Exhibit A shall constitute a legal day's work under this contract.
- B. In accordance with California Labor Code Section 1811, the time of service of any worker employed in performance of the services described in Exhibit A is limited to 8 hours during any one calendar day, and 40 hours during any one calendar week, except in accordance with California Labor Code Section 1815, which provides that work in excess of 8 hours during any one calendar day and 40 hours during any one calendar week is permitted upon compensation for all hours worked in excess of 8 hours during any one calendar day and 40 hours during any one calendar week at not less than one-and-one-half times the basic rate of pay.
- C. The Contractor and its subcontractors shall forfeit as a penalty to the City \$25 for each worker employed in the performance of the services described in Exhibit A for each calendar day during which the worker is required or permitted to work more than 8 hours in any one calendar day, or more than 40 hours in any one calendar week, in violation of the provisions of California Labor Code Section 1810 and following.

WAGES:

- A. In accordance with California Labor Code Section 1773.2, the City has determined the general prevailing wages in the locality in which the services described in Exhibit A are to be performed for each craft or type of work needed to be as published by the State of California Department of Industrial Relations, Division of Labor Statistics and Research, a copy of which is on file in the City Public Works Office and shall be made available on request. The Contractor and subcontractors engaged in the performance of the services described in Exhibit A shall pay no less than these rates to all persons engaged in performance of the services described in Exhibit A.
- B. In accordance with California Labor Code Section 1775, the Contractor and any subcontractors engaged in performance of the services described in Exhibit A shall comply with California Labor Code Section 1775, which establishes a penalty of up to \$50 per day for each worker engaged in the performance of the services described in Exhibit A that the Contractor or any subcontractor pays less than the specified prevailing wage. The amount of such penalty shall be determined by the Labor Commissioner and shall be based on consideration of the mistake, inadvertence, or neglect of the Contractor or subcontractor in failing to pay the correct rate of prevailing

wages, or the previous record of the Contractor or subcontractor in meeting applicable prevailing wage obligations, or the willful failure by the Contractor or subcontractor to pay the correct rates of prevailing wages. A mistake, inadvertence, or neglect in failing to pay the correct rate of prevailing wages is not excusable if the Contractor or subcontractor had knowledge of their obligations under the California Labor Code. The Contractor or subcontractor shall pay the difference between the prevailing wage rates and the amount paid to each worker for each calendar day or portion thereof for which each worker was paid less than the prevailing wage rate. If a subcontractor worker engaged in performance of the services described in Exhibit A is not paid the general prevailing per diem wages by the subcontractor, the Contractor is not liable for any penalties therefore unless the Contractor had knowledge of that failure or unless the Contractor fails to comply with all of the following requirements:

1. The contract executed between the Contractor and the subcontractor for the performance of part of the services described in Exhibit A shall include a copy of the provisions of California Labor Code Sections 1771, 1775, 1776, 1777.5, 1813, and 1815.
 2. The Contractor shall monitor payment of the specified general prevailing rate of per diem wages by the subcontractor by periodic review of the subcontractor's certified payroll records.
 3. Upon becoming aware of a subcontractor's failure to pay the specified prevailing rate of wages, the Contractor shall diligently take corrective action to halt or rectify the failure, including, but not limited to, retaining sufficient funds due the subcontractor for performance of the services described in Exhibit A.
 4. Prior to making final payment to the subcontractor, the Contractor shall obtain an affidavit signed under penalty of perjury from the subcontractor that the subcontractor has paid the specified general prevailing rate of per diem wages for employees engaged in the performance of the services described in Exhibit A and any amounts due pursuant to California Labor Code Section 1813.
- C. In accordance with California Labor Code Section 1776, the Contractor and each subcontractor engaged in performance of the services described in Exhibit A shall keep accurate payroll records showing the name, address, social security number, work, straight time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker, or other employee employed in performance of the services described in Exhibit A. Each payroll record shall contain or be verified by a written declaration that it is made under penalty of perjury, stating both of the following:
1. The information contained in the payroll record is true and correct.

2. The employer has complied with the requirements of California Labor Code Sections 1771, 1811, and 1815 for any work performed by the employer's employees on the public works project.

The payroll records required pursuant to California Labor Code Section 1776 shall be certified and shall be available for inspection by the Owner and its authorized representatives, the Division of Labor Standards Enforcement, the Division of Apprenticeship Standards of the Department of Industrial Relations and shall otherwise be available for inspection in accordance with California Labor Code Section 1776.

- D. In accordance with California Labor Code Section 1777.5, the Contractor, on behalf of the Contractor and any subcontractors engaged in performance of the services described in Exhibit A, shall be responsible for ensuring compliance with California Labor Code Section 1777.5 governing employment and payment of apprentices on public works contracts.
- E. In case it becomes necessary for the Contractor or any subcontractor engaged in performance of the services described in Exhibit A to employ for the services described in Exhibit A any person in a trade or occupation (except executive, supervisory, administrative, clerical, or other non manual workers as such) for which no minimum wage rate has been determined by the Director of the Department of Industrial Relations, the Contractor or subcontractor shall pay the minimum rate of wages specified therein for the classification which most nearly corresponds to services described in Exhibit A to be performed by that person. The minimum rate thus furnished shall be applicable as a minimum for such trade or occupation from the time of the initial employment of the person affected and during the continuance of such employment.
