

at Wicks Boulevard at the Marina Community Center. These units are activated with a manual push button that energizes the beacons. Additionally, speed feedback signs will be installed on Lake Chabot Road, which will display vehicle speeds with large bright LED numbers as the vehicles approach to alert motorists of their speed.

Analysis

A total of four bids were received on May 12, 2015 ranging from \$371,000.00 to \$683,381.00. Ray's Electric submitted the lowest responsive Base Bid at \$371,000.00. The pre-bid engineer's estimate for construction was \$285,607.00.

Previous Actions

On October 21, 2013, the City Council adopted a resolution that established a San Leandro Title VI program, which was a requirement to receive Cycle 4 New Freedom grant funds from the FTA.

Committee Review and Actions

The project was reviewed and supported by the City Council Facilities and Transportation Committee on October 10, 2012.

Applicable General Plan Policies

This action is consistent with Transportation Goal No. 14 of the General Plan and Action Item 14.07: Pedestrian Environment.

Permits and/or Variances Granted

Two encroachment permits are pending, including one from Caltrans for the APS and accessible ramp improvements at seven signalized intersections on East 14th Street, and one from the County of Alameda Public Works Agency for the APS and accessible ramps improvements at two signalized intersections on East 14th Street at Fairmont Drive and at Bayfair Drive.

Environmental Review

This project was deemed categorically exempt from CEQA per Section 15301(c) - Existing Facilities. A Notice of Exemption was filed with the County Recorder on May 5, 2015.

Board/Commission Review and Actions

The project was reviewed and supported by the San Leandro Bicycle and Pedestrian Advisory Committee (BPAC) on February 22, 2012.

Summary of Public Outreach Efforts

This project was advertised in the Daily Review as well as in three other newspapers whose

circulation reflects the diversity of San Leandro on April 17, 2015. Staff also notified contractors interested in working with the City via email and sent plans to fifteen bid houses.

Fiscal Impacts

The total project cost including design, construction, contingencies and construction management is estimated to be \$661,533.00.

Budget Authority

This project will be funded as follows:

- \$314,344.00 Measure B Bicycle and Pedestrian funds in account 144-36-344 appropriated as part of the Fiscal Year 2012-13 budget, including \$120,000 budget adjustment in Fiscal Year 2014-15.

TITLE: RESOLUTION Awarding Construction Contract to Ray's Electric for APS Upgrade 2012, Project No. 2012.0220 (awards the contract to the lowest responsible bidder in the amount of \$371,000.00 from Measure B and New Freedom Grant)

WHEREAS, the City of San Leandro did, on May 12, 2015, publicly open, examine and declare all sealed proposals or bids for doing the work described in the bid documents for the subject project; and

WHEREAS, said proposals were submitted to the Director of the Engineering and Transportation Department who has found that the proposal hereinafter mentioned is the lowest responsive bid by a responsible bidder for doing said work.

NOW, THEREFORE, the City Council of the City of San Leandro does RESOLVE as follows:

That said City Council hereby rejects all of said proposals or bids except that herein mentioned; hereby waives any irregularities in the proposal or bid of the lowest responsible bidder; and hereby awards the contract for doing said work to the lowest responsible bidder therefore, to wit Ray's Electric in the amount of \$371,000.00

BE IT FURTHER RESOLVED:

That if the above named contractor is unable to execute the contract, then the City Manager is authorized to award this contract to the next lowest responsive bid by a responsible bidder, execute all documents to effect the award, and take all actions necessary to recover any bid security from the low bidder necessary to make the City whole in its acceptance of the lowest bid.
