Current Agency Policies

This action is consistent with Streets and Highways Goal No. 16 of the General Plan and Action Item 16.03: Regularly maintain City streets and traffic control devices to ensure that streets operate safely and efficiently.

Previous Actions

- On February 17, 2015 by Resolution No. 2015-032, the City Council awarded a contract for construction of the work to American Asphalt.

Environmental Review

This project is categorically exempt from CEQA per section 15301, Existing Facilities. Repair and maintenance of existing structures are covered by this section.

Summary of Public Outreach Efforts

This project was advertised in the Daily Review as well as in three other newspapers whose circulation reflects the diversity of San Leandro on February 3, 2015. Staff also notified contractors interested in working with the City via email and sent plans to fifteen bid houses.

Prior to construction, staff notified residents regarding the streets included in the project and project schedule. The contractor also provided notification to properties adjacent to the work via door hangers immediately before the work started.

Fiscal Impacts

A summary of the construction contract with American Asphalt is below:

Original Contract	\$1,175,102
Change Orders	<u>\$20,000</u>
Total Contract Amount	\$1,195,102

The total project cost was \$1,288,393, including design and construction administration.

Budget Authority

This project was funded from four accounts:

- 1) \$775,113 - Gas Tax Funds, Annual Street Sealing 2014-15, Account No. 142-38-354, allocated in FY 2014-15.
- 2) \$32,025 - Measure B/ACTC Funds, Annual Street Sealing 2014-15, Account No. 144-36-299 allocated in FY 2014-15.

TITLE: RESOLUTION Accepting the Work for Annual Street Sealing 2014-2015, Project No. 2015.0070 (provides for acceptance of work for annual roadway maintenance program funded by Gas tax, Cal Recycle Grant and Measure B)

WHEREAS, pursuant to a construction contract between the City of San Leandro and American Asphalt, approved on February 17, 2015 by Resolution No. 2015-036, American Asphalt completed the Annual Street Sealing 2014-2015, Project No. 2015.0070; and

WHEREAS, said work was completed in accordance with the plans and specifications and to the satisfaction of the Engineering and Transportation Director, who therefore recommends that said work be accepted.

NOW, THEREFORE, the City Council of the City of San Leandro does RESOLVE as follows:

1. That the work hereinbefore described is hereby accepted; and
2. That the City Clerk is hereby directed to file a Notice of Completion on said project;
and
3. That the bonds heretofore given for performance and payment of said conditions are hereby discharged and exonerated from further liability when the statute of limitations expires after the recording of the Notice of Completion; and
4. That upon completion of the one-year maintenance period established pursuant to said contract, and to the satisfaction of the Engineering and Transportation Director, the City Manager is hereby authorized to release the maintenance bond heretofore given for maintenance of the work hereinbefore described.
