TITLE: Staff Report for the City of San Leandro U.S. Department of Housing and Urban Development (HUD) Draft FY 2016-2017 Annual Action Plan

RECOMMENDATIONS

Staff recommends the City Council hold a public hearing, publish the Draft FY 2016-2017 Annual Action Plan for a 30-day comment period (March 22nd - April 20th, 2016), and set a public hearing for May 2, 2016 to consider final approval of the FY 2016-2017 Annual Action Plan.

BACKGROUND

The FY 2015-2019 Five-Year Housing and Community Development Strategic Plan (Consolidated Plan) identifies the housing and community development needs in San Leandro and outlines the strategies for meeting those needs. The Draft FY 2016-2017 Annual Action Plan (Annual Action Plan) represents the second year of the Consolidated Plan and implements the strategies through the use of Community Development Block Grant (CDBG) and Home Investment Partnership (HOME) funds from the U.S. Department of Housing and Urban Development (HUD).

As a CDBG entitlement grantee, the City receives CDBG funds directly from HUD each year. In order to receive its annual CDBG grant allocation from HUD, the City must update its Consolidated Plan every five years and submit an Annual Action Plan to HUD.

The City participates in the Alameda County HOME Consortium, which is made up of Alameda County and Alameda County cities, excluding Berkeley and Oakland. As such, the City must apply to the County to receive its annual share of HOME funding. As part of this process, the City's Annual Action Plan must be submitted to Alameda County. The County serves as the lead agency for the Consortium and the HOME Program and is responsible for submittal to HUD of the Annual Action Plan documents on behalf of the entire Consortium.

There are three major goals identified for the funds under the Housing and Community Development Act from which the CDBG Program originated:

- Provide decent housing
- Provide a suitable living environment
- Expand economic opportunity

In addition, CDBG funds must be used to meet one of three national objectives:

- 1) benefit low- and moderate-income persons,
- 2) aid in the prevention of slum and blight, or
- 3) meet an urgent need.

HOME funds, meanwhile, must be used specifically for housing opportunities for low- and moderate-income persons.

The City's CDBG allocation for FY2016-2017 is \$650,261. This is a 3.49% increase (or \$21,955) from last year's \$628,306 allocation. In addition, the City will be allocated \$156,659 (a 10.35% or \$14,695 increase from last year's \$141,964 funding) in new HOME funds available for general administration and affordable housing projects as part of the Alameda County HOME Consortium.

Citizen Participation Process

HUD Consolidated Plan regulations provide guidelines and requirements for the City to develop a citizen participation plan that governs the public input and noticing process for creating the consolidated plan and subsequent annual action plans. The goal of the citizen participation plan is to encourage broader public involvement in the planning and allocation of CDBG and HOME funds and implementation of related programs. A minimum of two (2) public hearings are required with at least one (1) hearing held before the Draft FY 2016-2017 Annual Action Plan is published for public comment. After tonight's public hearing, a summary of the draft Annual Action Plan will be published in the *Daily Review* newspaper and will be available for review at publicly accessible locations. Copies of the Draft FY 2016-2017 Annual Action Plan will be available for review at the City Clerk's office and the City's Community Development Department, both of which are located in City Hall; at the Main Library; and on the City's website at <http://www.sanleandro.org/depts/cd/housing/plans.asp>. The second public hearing will be held May 2, 2016, at which time the City Council will consider approval of the final Plan.

Analysis

The Draft FY 2016-2017 Annual Action Plan outlines the proposed activities, objectives, and budget for the upcoming fiscal year. Attachment A summarizes the FY 2016-2017 proposed activities and funding amounts. Attachment B contains the Draft FY 2016-2017 Annual Action Plan. The Annual Action Plan includes information on funding resources for housing and community development activities, a description of activities to be undertaken during FY 2016-2017, and other actions that the City will take to address issues such as barriers to affordable housing, anti-poverty strategies, and lead-based paint hazards.

The City's CDBG entitlement grant from HUD for FY 2016-2017 is \$650,261. There is no projected CDBG program income or unallocated CDBG funds from prior years. The City will also receive \$156,695 in HOME funds from the Alameda County HOME Consortium plus an estimated \$256,761 carried over from prior years' HOME grants.

The proposed CDBG-funded activities in the FY 2016-2017 Annual Action Plan fall into the following eligible categories: Public Services, Public Facilities, Housing Activities, and General Administration.

In accordance with HUD regulations, the City will commit no more than 15% (or \$97,539) of its annual CDBG allocation toward Public Services. The City issued a Community Assistance Grant Program (CAP) Request for Funding Proposal in December 2014 to award two-year grants for FY 2015-2017 (July 1, 2015 through June 30, 2017). The Human Services Commission made final funding recommendations at the February 18, 2015 commission meeting including approval of CDBG grants for public services conditioned on CDBG grant funding being subject to change if HUD increases or decreases CDBG entitlement grant funding in FY 2016-2017. FY 2016-2017 is the second year of the two-year cycle. Additionally, the City, as part of its biennial budget for FY 2015-2017, approved \$150,000 in General Funds as part of the Community Investment Fund to supplement funding for public service providers

Under the draft Plan, the following non-profit public service providers will continue to be funded with CDBG in FY 2016-2017. The Human Services Commission will confirm this second year funding recommendation at its March 23, 2016 Commission meeting.

**reflects a 3.5% increase for each nonprofit from FY 15-16*

For Public Facilities, the City must allocate \$198,234 to HUD for principal/interest payments for the City's outstanding \$2.5 million HUD Section 108 loan, which was used to construct the City's Senior Community Center. In addition, staff proposes allocating \$134,436 to continue implementation of the City's 2010 Updated ADA Transition Plan by funding the completion of architectural modifications designed to make City facilities (including the Main Library, Marina Community Center, City Hall, South Offices, Police Department, Washington Manor Library, and Marina Park) more accessible to persons with disabilities.

For Housing Activities, staff recommends providing \$90,000 of CDBG funds to continue funding the City's Single-Family Housing Rehabilitation Grant Program, which provides minor repair grants to extremely low- and very-low income San Leandro homeowners.

The City's administration funding for FY 2016-2017 is \$130,052 in order to adhere to the HUD-regulated 20% spending cap on general administration. Staff is recommending the allocation of \$120,052 to City staffing for CDBG program administration. CDBG funds will

also be allocated to ECHO Housing's Fair Housing services in the amount of \$10,000. Fair Housing is federally mandated, and ECHO Housing assists the City in meeting HUD requirements to affirmatively further fair housing.

Staff proposes to continue using the City's HOME funds for the acquisition, rehabilitation, and/or new construction of affordable rental housing as well as tenant-based rental assistance to serve lower income households in need. Currently, the nonprofit developer BRIDGE Housing Corporation has applied for the City's \$256,761 uncommitted HOME funds to assist with the construction of Marea Alta Phase 2, which will consist of an 85-unit affordable rental development for seniors. BRIDGE is currently applying for financing for Phase 2, which would not commence construction until after the 115-unit Phase 1 development is completed.

Current Agency Policies

Current City Council Policy is defined by the FY 2015-2019 Consolidated Plan, adopted by Resolution No. 2015-080 on April 20, 2015.

Applicable General Plan Policies

The Consolidated Plan addresses the goals of the General Plan Housing Element, such as increasing the supply of affordable for-sale and rental housing, providing opportunities for home ownership, preserving and rehabilitating existing affordable owner-occupied and rental housing, and addressing special needs populations.

Environmental Review

National Environmental Protection Act (NEPA) and California Environmental Quality Act (CEQA), the latter when applicable, review will be conducted for each project or activity approved by the City Council. Neither NEPA nor CEQA apply to the review and approval of the FY 2016-2017 Annual Action Plan, because there is no foreseeable effect on the environment.

Summary of Public Outreach Efforts

A notice of the public hearing (with partial translations in Chinese and Spanish) was published in the *Daily Review* newspaper on March 4, 2016. Copies of the Draft FY 2016-2017 Annual Action Plan will be available for review at City Hall (in the City Clerk's office and the City's Community Development Department), at the Main Library, and on the City's website at <http://www.sanleandro.org/depts/cd/housing/plans.asp> for a 30-day comment period from March 22nd - April 20th 2016. The second public hearing will be held May 2, 2016, at which time the City Council will consider approving the final Plan.

Fiscal Impacts

HUD will enter into contract with the City for the grant amount. The grant is on a reimbursement basis; this means funds are reimbursed by HUD after expenditure by the City for activities designated in the Annual Action Plan.

Budget Authority

Budget authority for CDBG funds is derived from Title I of the Housing and Community Development Act of 1974 (24 CFR 570 et seq.). Budget Authority for HOME funds is derived from the Federal Home Investment Partnerships (HOME) Program (under Title II of the Cranston-Gonzalez National Affordable Housing Act, as amended).

Executive Summary

AP-05 Executive Summary - 91.200(c), 91.220(b)

1. Introduction

The FY 2015-2019 Five-Year Housing and Community Development Strategic Plan (Consolidated Plan) identifies the housing and community development needs in San Leandro and outlines the strategies for meeting those needs. It updates the existing FY 2010-2014 Five-Year Consolidated Plan. The Draft FY 2016-2017 Annual Action Plan (Action Plan) represents the second year of the FY 2015-2019 Consolidated Plan and implements the strategies through the use of Community Development Block Grant (CDBG) and Home Investment Partnership (HOME) funds from the U.S. Department of Housing and Urban Development (HUD).

As a CDBG entitlement grantee, the City directly receives CDBG funds from HUD each year. In order to receive its annual CDBG grant allocation from HUD, the City must update its Consolidated Plan every five years and submit an Annual Action Plan to HUD.

The City participates in the Alameda County HOME Consortium, which is made up of Alameda County and Alameda County cities, excluding Berkeley and Oakland. As such, the City must apply to the County to receive its annual share of HOME funding. As part of this process, the City's Annual Action Plans must be submitted to Alameda County. The County serves as the lead agency for the Consortium and the HOME Program and is responsible for submittal to HUD of the Annual Action Plan documents on behalf of the entire Consortium.

There are three major goals identified for the funds under the Housing and Community Development Act from which the CDBG Program originated: 1) Provide decent housing, 2) Provide a suitable living environment, and 3) Expand economic opportunity.

In addition, CDBG funds must be used to meet one of three national objectives: 1) benefit low- and moderate-income persons, 2) aid in the prevention of slum and blight, or 3) meet an urgent need. Even if a project is suitable for one of the City's eligible categories, it must also pass the low- and moderate-income benefit test (at least 51% of the beneficiaries have incomes at or below 80% Area Median Income or a project benefits an area with a majority of low-moderate income people).

HOME funds, meanwhile, must be used specifically for housing opportunities for low- and moderate-income persons.

The City will receive \$650,261 in CDBG funds. In addition, the City will receive \$156,659 in new HOME funds available for general administration and affordable housing projects as part of the Alameda County HOME Consortium.

2. Summarize the objectives and outcomes identified in the Plan

After assessing the City's housing and community development priority needs, evaluating the Five-Year Strategic Plan objectives for FY 2015-2019, and analyzing CDBG eligibility criteria, the City is proposing to allocate its available CDBG dollars in the following eligible funding categories: Public Services, Public Facilities, Housing Activities, and General Administration.

For public services the City proposes to fund homeless services and a shelter, family support services for abused children and their families, and services for special needs population (i.e. meal delivery service for homebound seniors and meals in supportive settings for seniors).

For Public Facilities, the City must allocate \$198,234 to HUD for principal/interest payments for the City's outstanding \$2.5 million HUD Section 108 loan which was used to construct the City's senior center. In addition, staff proposes allocating \$134,436 to continue to assist in the implementation of the City's 2010 Updated ADA Transition Plan by funding the completion of architectural modifications designed to make City facilities (including the Main Library, Marina Community Center, City Hall, South Offices, Police Department, Washington Manor Library, and Marina Park) more accessible to persons with disabilities.

For Housing Activities, staff recommends providing \$90,000 of CDBG funds to fund City's Single-Family Housing Rehabilitation Grant Program, which provides minor repair grants to extremely low- and very-low income San Leandro homeowners.

The City's administration funding for FY 2016-2017 is \$130,052 in order to adhere to the HUD-regulated 20% spending cap on general administration. Staff is recommending to allocate \$120,052 to City staffing for program administration. CDBG funds will also once again be allocated to ECHO Housing's Fair Housing services. Staff proposes to allocate \$10,000 to fair housing services to assist the City in meeting HUD requirements to affirmatively further fair housing.

Additionally, staff proposes to continue using the City's HOME funds for the acquisition, rehabilitation, and/or new construction of affordable rental housing as well as tenant-based rental assistance to serve lower income households in need. The City will be allocating \$256,761 in unused/carryover HOME funds to BRIDGE Housing's Marea Alta Senior project, an 85-unit senior rental housing development.

The main obstacles to addressing the City's underserved needs are: 1) the continued reductions in funding levels for the CDBG and HOME programs, and 2) the excess of need far exceeding the amounts of funding available.

3. Evaluation of past performance

Past performance for public services and capital improvement projects was evaluated and described in the City's HUD-approved Consolidated Annual Performance and Evaluation Report (CAPER) for FY 2014-2015.

4. Summary of Citizen Participation Process and consultation process

HUD Consolidated Plan regulations require and provide guidelines for the City to develop a citizen participation plan that governs the public input and noticing process for creating the consolidated plan and subsequent annual action plans. The goal of the citizen participation plan is to encourage broader public involvement in the planning and allocation of CDBG and HOME funds and implementation of related programs. A minimum of two (2) public hearings are required with at least one (1) hearing to be held before the Draft FY 2016-2017 Annual Action Plan is published for public comment.

Notice of a summary and the availability of the Draft FY 2016-2017 Annual Action Plan for 30-day public comment was published in a locally circulated newspaper, *Daily Review*, on March 4, 2016. The City

Council will hold a public hearing on March 21, 2016 to receive initial public input on the Draft Annual Action Plan and to begin the 30-day comment from March 22nd through April 20th, 2016. The Draft Action Plan was available for public review and comment during the 30-day period at City Hall (City Clerk's office and Community Development Department), the Main Library, and the City website (www.sanleandro.org/depts/cd/housing/plans.asp).

5. Summary of public comments

Any public comments received during the 30-day public comment period from March 22nd through April 20th, 2016 will be documented.

6. Summary of comments or views not accepted and the reasons for not accepting them

None.

7. Summary

The City has proposed allocating its available CDBG funds to the activities and projects, described above, in order to address the City's housing and community development needs.

AP-10 Consultation - 91.100, 91.200(b), 91.215(l)

1. Introduction

The Action Plan is an important document for the HOME Consortium. Built on interagency coordination, consultation, and public participation, the Action Plan focuses attention on housing and community development needs and resources available to meet these needs. The FY 2016-2017 Action Plan will be prepared through consultation with other public and private entities. The HOME Consortium Technical Advisory Committee, composed of staff from all jurisdictions in the HOME Consortium, meets bi-monthly to provide policy input into the Action Plan planning process.

The City of San Leandro will continue to coordinate available CDBG, HOME, and local funds to provide housing programs, public service assistance, capital improvements, and economic development activities for eligible residents and neighborhoods in FY 2016-2017. Housing-related activities will be coordinated between various City divisions, including Planning and Housing Services. The City will also coordinate with Alameda County, County HOME Consortium member cities, and non-profit agencies to address housing needs. The City will work with Alameda County to administer HOME funds for acquisition, rehabilitation, and/or new construction of affordable rental housing as well as tenant-based rental assistance. The City will continue to contract for housing services such as fair housing and tenant/landlord counseling. The City staff will continue to work closely with local non-profit agencies, the County, and other HOME Consortium members to identify permanent affordable, emergency and transitional housing needs (along with necessary supportive services) for the homeless and/or persons with special needs. HOME Consortium members have agreed to continue funding the regional Tenant-Based Rental Assistance (TBRA) for Homeless Families Program, a transitional housing program that provides short-term rental subsidies and support services to assist homeless families attain permanent housing. In addition, the Housing Authority of Alameda County (HACA) administers the HUD Section 8 Housing Voucher Program for San Leandro, and the City will continue support for the Housing Authority in its efforts to maintain the current level of vouchers for eligible San Leandrans.

The City will continue to provide CDBG funds to the City's Community Assistance Grant Program (CAP). Efforts will continue to include the Human Services Commission (HSC) and non-profit agency directors/members to improve and evaluate the needs assessment and funding process. HSC identifies social service needs in the community, reviews requests for funds, and makes recommendations for City financial support to social service agencies.

Additionally, CDBG funds are expected to be made available for City-initiated and/or non-profit capital improvement projects. Should funds be available, non-profit improvements will be coordinated within the City's Planning, Building & Safety Services, Engineering & Transportation, Public Works Departments, and the City Council.

Commercial revitalization efforts, furthermore, will continue through the City's Office of Business Development (OBD) staff. OBD staff work closely with CDBG staff, local business organizations (such as the Chamber of Commerce and Downtown Business Association), surrounding communities, and various other economic development organizations to better address and determine the City's future economic and job needs.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I)).

EveryOne Home activities to address the housing needs of the homeless, and extremely low-income persons with serious mental illness and/or those living with HIV/AIDS center on the implementation of the EveryOne Home Plan. Planning efforts began in 2004 as a unique collaboration among community stakeholders, cities and Alameda County government agencies representing three separate care systems — homeless services, HIV/AIDS services, and mental health services — that share overlapping client populations and a recognition that stable housing is a critical cornerstone to the health and well-being of homeless and at-risk people, and our communities. Since its publication in 2006 the Plan has been adopted by the Alameda County Board of Supervisors and all fourteen (14) cities, including San Leandro, and endorsed by numerous community organizations.

Implementation of the EveryOne Home Plan is spearheaded by a community-based organization of the same name. It is guided by a Leadership Board comprised of jurisdictional appointed members and key community constituencies such as consumers, cities, nonprofit service providers and housing developers, businesses, law enforcement, housing authorities, and faith-based organizations.

EveryOne Home envisions a system of housing and services in Alameda County that, by 2020, ensures all extremely low-income residents have a safe, supportive and permanent place to call home with services available to help them stay housed and improve the quality of their lives. EveryOne Home partners are working on five core strategies: 1) Prevent homelessness and other housing crises; 2) Increase housing opportunities for homeless and extremely low-income households; 3) Deliver flexible services to support stability and independence; 4) Measure success and report outcomes; and 5) Develop long-term leadership and build political will.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

The City of San Leandro will continue to provide pro-rata funding in supporting the administration and implementation of the EveryOne Home Plan.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction’s area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

Alameda County Housing and Community Development Department through HMIS and leadership of the EveryOne Home Performance Management Committee is supportive of the EveryOne Home initiative to establish system wide outcomes and to evaluate effectiveness of programs against those outcomes. These outcomes include shortening the period of time being homeless and reducing the recidivism rates for homeless people.

Consultation with EveryOne Home, the Alameda Countywide Continuum of Care, on the use of Emergency Solutions Grant (ESG) funds, began early in 2012, when representatives from the City of Berkeley, the City of Oakland, Alameda County Housing and Community Development Department (Urban County grantee), and the Executive Director of EveryOne Home worked together to implement the new ESG requirements in a way that would be consistent county-wide and would continue a collaboration which began in 2009 with the American Recovery and Reinvestment Act (ARRA) Homelessness Prevention and Rapid Re-housing (HPRP) funds. This collaboration resulted in the creation of the Priority Home Partnership (PHP), which was a county-wide program to implement HPRP. In order to learn from the best practices established by PHP, the group agreed to meet regularly to prepare for the submission of this Substantial Amendment and to coordinate around the use of future ESG funding via regular meetings and discussions with EveryOne Home. Subsequent to those calls, on March 1, 2012, EveryOne Home held a community-wide meeting at which additional consultation and public input into the use of ESG funds was solicited. A series of meetings with EveryOne Home and the ESG grantees continued through the year and a coordinated ESG program was established and began implementation in early 2013. This coordinated program will use this same structure for FY 2014 ESG funding.

AP-35 Projects - 91.420, 91.220(d)

Introduction

CDBG funds can be used for four (4) general types of projects: housing, capital projects, economic development, and public services. All projects must meet at least one (1) of HUD's national objectives: 1) to benefit low/moderate-income people; 2) to prevent or eliminate slums and blight; and 3) to meet an urgent community development need.

Even if a project is suitable for one of the City's eligible categories, it must also pass the low- and moderate-income benefit test. A project basically meets this standard if at least 51% of the beneficiaries have low-moderate incomes (i.e., incomes at or below 80% of Area Median Income) or if the project benefits an area (e.g., census tracts, service area, neighborhood, etc.) with a majority of low-moderate income people. Funded projects are required to document the income levels of persons and households receiving these services.

After assessing the City's housing and community development priority needs, evaluating the Five-Year Strategic Plan objectives for FY 2015-2019, and analyzing CDBG eligibility criteria, the City is proposing to allocate its available CDBG dollars in the following eligible funding categories: Public Services, Public Facilities, Housing Activities, and General Administration.

The City of San Leandro allocates its annual federal CDBG and HOME funds to address the City's housing and community development needs identified in the City's FY 2015-2019 Five-Year Housing and Community Development Strategic Plan (Consolidated Plan).

Table 7 – Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

The four (4) public services agencies (CALICO, Davis Street Family Resource Center, SOS/Meals on Wheels, and Spectrum Community Services) selected to be funded in FY 2015-2016 are among fifteen (15) agencies who submitted an application to the City-issued FY 2015-2017 Community Assistance Grant Program (CAP) RFP. These agencies provide critical, and CDBG-eligible, social services for San Leandro residents, thus, meeting the City's Consolidated Plan priority needs, and the City's Human Services Commission recommended that these 4 agencies be funded with CDBG funds.

The City's allocation to ECHO Housing to provide fair housing services is consistent with the Consolidated Plan priority and the City's commitment to affirmatively further fair housing.

The allocation for the City's HUD Section 108 Loan repayment is in accordance with the 20-year repayment schedule for the City's \$2.5 million HUD Section 108 Loan used to complete the City's senior center.

The City's ADA Transition Plan, partially funded with CDBG funds, outlines the City's commitment to make City facilities for ADA accessible.

Lastly, the City is able to provide lower-income San Leandro homeowners with minor repair grants using CDBG funds to ensure that these existing, affordable homes are preserved and in safe conditions.

The main obstacles to addressing the City's underserved needs are: 1) the continued reductions in funding levels for the CDBG and HOME programs, and 2) the excess of need far exceeding the amounts of funding available.

AP-50 Geographic Distribution - 91.420, 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

Most of the activities in the Action Plan meet the needs of the entire City. The income structure of the City is fairly diverse, and there are few low-income census tract areas. Potential sites that could possibly accommodate affordable housing and homeless facilities are identified in the City's current Housing Element of the General Plan. Geography was not used to determine funding allocation priorities.

AP-85 Other Actions - 91.420, 91.220(k)

Introduction

To carry out the following strategies outlined in the City of San Leandro's Consolidated Plan, the City will pursue the following planned actions.

Actions planned to address obstacles to meeting underserved needs

The Consolidated Plan priorities are designed to address the underserved needs in San Leandro. The primary obstacle to meeting the City's underserved needs is securing adequate funding resources.

Actions planned to foster and maintain affordable housing

The City will coordinate and collaborate with Alameda County to administer HOME funds for acquisition, rehabilitation, and/or new construction of affordable rental housing as well as tenant-based rental assistance. The City staff will continue to work closely with local non-profit agencies, the County, and other HOME Consortium member cities to identify permanent affordable housing as well as emergency and transitional housing needs (along with necessary supportive services) for the homeless and/or persons with special needs. HOME Consortium members, including San Leandro, have also agreed to continue funding the consortium-wide Tenant-Based Rental Assistance (TBRA) for Homeless Families Program, a transitional housing program that provides short-term rental subsidies, job preparation and placements, case management, and other support services to assist homeless families attain permanent housing.

The City, moreover, will continue to contract with ECHO Housing for housing services such as fair housing and tenant/landlord counseling. These services help maintain people in housing and prevent homelessness.

Furthermore, the City's Housing Rehabilitation Program for minor home repair grants for owner-occupied homes historically preserved and improved the City's existing housing stock for extremely low and very low-income homeowners and also assisted elderly homeowners to age in place.

Lastly, the City will continue to monitor the preservation of 1,446 Below-Market Rate (BMR) rental units (funded and/or regulated by the City/Redevelopment Agency and/or regulated by State Low-Income Housing Tax Credit Program) for tenants earning between 30% and 120% of the Area Median Income and fifty-six (56) existing BMR ownership units.

Actions planned to reduce lead-based paint hazards

The new Environmental Protection Agency (EPA) rule effective April 22, 2010 requires that contractors be EPA-lead certified prior to beginning work on structures built before 1978. The City, specifically its Building & Safety Services Division, requires contractors, who are working on homes built prior to 1978, to demonstrate that they have satisfied the EPA law prior to providing them the City building permits needed.

Should the City use federal funds, such as HOME funds, for acquisition and/or rehabilitation of

apartments for preservation or maintenance as affordable housing, it will inform tenants of lead-based paint and comply with both the new EPA law on lead and renovation as well as with applicable HUD lead-based paint hazard reduction guidelines and regulations.

Actions planned to reduce the number of poverty-level families

Section 220 of the 1992 Housing and Community Development Act requires jurisdictions to describe the goals, programs, and policies that will reduce the number of households with incomes below the poverty level. One strategy for increasing household income is to improve the employment potential of those who are seeking to break from the cycle of poverty. The City's Community Assistance Grant Program (CAP), which is currently funded with CDBG funds, will continue to support non-profit agencies that provide job assistance and related services to low-income members of the community.

The City's Office of Business Development actively seeks new commercial office and retail developments that may result in new employment opportunities for residents. The CDBG staff will continue to work closely with the City's Office of Business Development staff to develop eligible projects and programs and promote increased economic development and community job creation and retention.

Actions planned to develop institutional structure

Public agencies, for-profit and non-profit private organizations all play a part in the provision of affordable housing, social services, capital improvements, and economic development. The City's Housing Services Division has the primary responsibility for implementation of the Consolidated Plan and the Housing Element. The Division works closely with the Office of Business Development in the implementation of affordable housing projects and programs. Non-profit agencies also provide social services to the community each year. The Alameda County Housing and Community Development (HCD) Department is the lead agency in the implementation of the HOME Consortium's Consolidated Plan. HCD also administers the HOME Program for the HOME Consortium members, HUD homeless programs (including the Continuum of Care Council), and the Mortgage Credit Certificate (MCC) Program for homeownership. The City and other cities in the County take part in the HCD activities described above.

Actions planned to enhance coordination between public and private housing and social service agencies

The City plans to continue funding EveryOne Home's operations, and City staff will continue to serve on its strategic Leadership Board. As already described, the City is committed to implementing the strategies of the EveryOne Home Plan and its objectives of ending homelessness in Alameda County by 2020.

Program Specific Requirements

AP-90 Program Specific Requirements - 91.420, 91.220(I)(1,2,4)

Introduction

The program-specific requirements governed by the Community Development Block Grant Program (CDBG) and HOME Investment Partnership Program (HOME) are described below.

Community Development Block Grant Program (CDBG) Reference 24 CFR 91.220(I)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

- | | |
|--|------------|
| 1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed | \$0 |
| 2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan. | \$0 |
| 3. The amount of surplus funds from urban renewal settlements | \$0 |
| 4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan | \$0 |
| 5. The amount of income from float-funded activities | \$0 |
| Total Program Income: | \$0 |

Other CDBG Requirements

- | | |
|---|------|
| 1. The amount of urgent need activities | 0 |
| 2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit - A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70% of CDBG funds is used to benefit persons of low and moderate income. NON-STATE GOVERNMENT CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing -- The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan -- It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Drug Free Workplace -- It will or will continue to provide a drug-free workplace by:

1. Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;
2. Establishing an ongoing drug-free awareness program to inform employees about –
 - a. The dangers of drug abuse in the workplace;
 - b. The grantee's policy of maintaining a drug-free workplace;
 - c. Any available drug counseling, rehabilitation, and employee assistance programs; and
 - d. The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;
3. Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph 1;
4. Notifying the employee in the statement required by paragraph 1 that, as a condition of employment under the grant, the employee will –
 - a. Abide by the terms of the statement; and
 - b. Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;
5. Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph 4(b) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to every grant officer or other designee on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;
6. Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph 4(b), with respect to any employee who is so convicted –
 - a. Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or
 - b. Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;
7. Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs 1, 2, 3, 4, 5 and 6.

Anti-Lobbying -- To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and
3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction -- The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan -- The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 -- It will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

Specific CDBG Certifications

The Entitlement Community certifies that:

Citizen Participation -- It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan -- Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan -- It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds -- It has complied with the following criteria:

1. **Maximum Feasible Priority** - With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);
2. **Overall Benefit** - The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2016, (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;
3. **Special Assessments** - It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force -- It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and
2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction.

Compliance With Anti-discrimination laws -- The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint -- Its activities concerning lead-based paint will comply with the requirements of part 35, subparts A, B, J, K and R, of title 24.

Compliance with Laws -- It will comply with applicable laws.

OPTIONAL CERTIFICATION
CDBG

Submit the following certification only when one or more of the activities in the action plan are designed to meet other community development needs having a particular urgency as specified in 24 CFR 570.208(c):

The grantee hereby certifies that the Annual Plan includes one or more specifically identified CDBG-assisted activities, which are designed to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community and other financial resources are not available to meet such needs.

Specific HOME Certifications

The HOME participating jurisdiction certifies that:

Tenant Based Rental Assistance -- If the participating jurisdiction intends to provide tenant-based rental assistance:

The use of HOME funds for tenant-based rental assistance is an essential element of the participating jurisdiction's consolidated plan for expanding the supply, affordability, and availability of decent, safe, sanitary, and affordable housing.

Eligible Activities and Costs -- it is using and will use HOME funds for eligible activities and costs, as described in 24 CFR § 92.205 through 92.209 and that it is not using and will not use HOME funds for prohibited activities, as described in § 92.214.

Appropriate Financial Assistance -- before committing any funds to a project, it will evaluate the project in accordance with the guidelines that it adopts for this purpose and will not invest any more HOME funds in combination with other Federal assistance than is necessary to provide affordable housing.

ESG Certifications

I, _____, Chief Executive Officer of the City of San Leandro, certify that the local government will ensure the provision of the matching supplemental funds required by the regulation at 24 CFR 576.51. I have attached to this certification a description of the sources and amounts of such supplemental funds.

I further certify that the local government will comply with:

1. The requirements of 24 CFR 576.53 concerning the continued use of buildings for which Emergency Shelter Grants are used for rehabilitation or conversion of buildings for use as emergency shelters for the homeless; or when funds are used solely for operating costs or essential services.
2. The building standards requirement of 24 CFR 576.55.
3. The requirements of 24 CFR 576.56, concerning assurances on services and other assistance to the homeless.
4. The requirements of 24 CFR 576.57, other appropriate provisions of 24 CFR Part 576, and other applicable federal laws concerning nondiscrimination and equal opportunity.
5. The requirements of 24 CFR 576.59(b) concerning the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970.
6. The requirement of 24 CFR 576.59 concerning minimizing the displacement of persons as a result of a project assisted with these funds.
7. The requirements of 24 CFR Part 24 concerning the Drug Free Workplace Act of 1988.
8. The requirements of 24 CFR 576.56(a) and 576.65(b) that grantees develop and implement procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted with ESG funds and that the address or location of any family violence shelter project will not be made public, except with written authorization of the person or persons responsible for the operation of such shelter.
9. The requirement that recipients involve themselves, to the maximum extent practicable and where appropriate, homeless individuals and families in policymaking, renovating, maintaining, and operating facilities assisted under the ESG program, and in providing services for occupants of these facilities as provided by 24 CFR 76.56.
10. The requirements of 24 CFR 576.57(e) dealing with the provisions of, and regulations and procedures applicable with respect to the environmental review responsibilities under the National Environmental Policy Act of 1969 and related authorities as specified in 24 CFR Part 58.
11. The requirements of 24 CFR 576.21(a)(4) providing that the funding of homeless prevention activities for families that have received eviction notices or notices of termination of utility services will meet the requirements that: (A) the inability of the family to make the required payments must be the result of a sudden reduction in income; (B) the assistance must be necessary to avoid eviction of the family or termination of the services to the family; (C) there must be a reasonable prospect that the family will be able to resume payments within a reasonable period of time; and (D) the assistance must not supplant funding for preexisting homeless prevention activities from any other source.
12. The new requirement of the McKinney-Vento Act (42 USC 11362) to develop and implement, to the maximum extent practicable and where appropriate, policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent such discharge from immediately resulting in homelessness for such persons. I further understand that state and local governments are primarily responsible for the care of these individuals, and that ESG funds are not to be used to assist such persons in place of state and local resources.
13. HUD's standards for participation in a local Homeless Management Information System (HMIS) and the collection and reporting of client-level information.

I further certify that the submission of a completed and approved Consolidated Plan with its certifications, which act as the application for an Emergency Shelter Grant, is authorized under state and/or local law, and that the local government possesses legal authority to carry out grant activities in accordance with the applicable laws and regulations of the U. S. Department of Housing and Urban Development.

APPENDIX X TO CERTIFICATIONS

Instructions Concerning Lobbying and Drug-Free Workplace Requirements

Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.
2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code). Check if there are workplaces on file that are not identified here. The certification with regard to the drug-free workplace is required by 24 CFR part 21.

Place Name	Street	City	County	State	Zip
San Leandro City Hall	835 East 14 th Street	San Leandro	Alameda	CA	94577

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:
 - "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);
 - "Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;
 - "Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;
 - "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including:
 - a. all "direct charge" employees;
 - b. all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and
 - c. temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Note that by signing these certifications, certain documents must be completed, in use, and on file for verification.

These documents include:

1. Analysis of Impediments to Fair Housing
2. Citizen Participation Plan
3. Anti-displacement and Relocation Plan
