### Analysis

This Software-as-a-Service (SaaS) system provides all of the core applications required to maintain the Library Department's operations, such as: inventory management; account management, self-check-out, online content, and more.

The City pays an annual subscription for the various systems. In addition, SirsiDynix provides software updates and technical support. This annual renewal is for all licenses required by Staff to fully use the software.

### Legal Analysis

The City Attorney's office has reviewed and approved the purchase agreements.

**Fiscal Impacts**

The total cost of the annual renewal is \$77,143.83.

**Budget Authority**

The Finance Director has determined there are sufficient funds in Account 688-13-001-5311 for the annual payment.
