TITLE: Staff Report for a Resolution Authorizing the City Manager to Execute an Amendment to the Consulting Services Agreement with Townsend Public Affairs for State Legislative Advocacy Services, to Extend the Term of the Agreement through June 30, 2019 at the Same Rate, in an Amount Not to Exceed \$60,000 Annually

SUMMARY AND RECOMMENDATIONS

Staff recommends that the City Council authorize the City Manager to execute an extension of the City's current contract with Townsend Public Affairs through June 30, 2019 at the same rate, in an amount not to exceed \$60,000 annually for state legislative advocacy services.

BACKGROUND AND ANALYSIS

In October 2013, the City Council authorized the creation of a City Council ad-hoc committee to provide guidance on the development of a state legislative platform as well as a process through which a consultant could be selected to provide state-level advocacy services on behalf of the City.

Following a competitive request for proposals process, on February 18, 2014, the City Council directed the City Manager to enter into a one-year consulting services agreement with Townsend Public Affairs for state level advocacy services, at a rate of \$60,000 per year. Based upon the City's satisfaction with Townsend's performance, that contract was extended each year at the same rate. The current contract expires at the end of this month, on June 30, 2018.

Over the course of its contract with the City, Townsend Public Affairs and its Northern California Senior Director, Niccolo De Luca, have continued to provide highly effective services to the City on a wide range of legislative matters. This assistance has included working to secure the passage of several bills in coordination with Assembly Member Rob Bonta, including AB 2292 that was co-sponsored by the City of San Leandro, which added broadband infrastructure to the list of projects that can be approved through infrastructure financing districts. Townsend Public

Affairs has also assisted the Mayor, City Council and City staff in actively advocating with state officials on matters related to San Leandro Hospital. More recently, they have also been of great assistance to the City in fostering dialogue with the California State Department of Transportation to identify ways of ensuring that East 14th Street can be re-paved as soon as possible.

Mr. De Luca has also been actively involved in state efforts to regulate the emerging cannabis industry and he has ensured that San Leandro's interests are addressed as related statewide legislation and regulations are developed. He has also closely monitored and proactively kept City officials and staff apprised of various other legislative efforts that could substantively impact San Leandro. Examples of related policy issues include legislation to support development of new affordable housing, efforts to preempt local land use authority, and address homelessness.

Based upon these factors, the City Manager recommends that the City Council authorize him to execute an extension of the existing consulting services agreement with Townsend Public Affairs, at the same rate of \$5,000 per month (\$60,000 annually). Staff recommends an extension through June 30, 2019 to align the new contract with the fiscal year. Sufficient funds for the proposed contract extension have already been programmed into the adopted FY 2017-19 budget.

Fiscal Impacts

The proposed agreement with Townsend Public Affairs will not exceed \$60,000 for one year of services.

Budget Authority

Sufficient funds are programmed into the adopted FY 17-19 budget to accommodate the proposed contract extension.

EXHIBIT B

COMPENSATION SCHEDULE & REIMBURSABLE EXPENSES

Townsend Public Affairs shall perform all services described in this proposal for the rate of \$5,000 per month (\$60,000 on an annualized basis). There are no additional reimbursable expenses pursuant to this contract.

EXHIBIT C

INDEMNIFICATION

Consultant shall indemnify, defend with counsel acceptable to City, and hold harmless City and its officers, elected officials, employees, agents and volunteers from and against any and all liability, loss, damage, claims, expenses, and costs (including without limitation, attorney's fees and costs and fees of litigation) (collectively, "Liability") of every nature arising out of or in connection with Consultant's performance of the services called for or its failure to comply with any of its obligations contained in this Agreement, except such Liability caused by the sole negligence or willful misconduct of City.

Notwithstanding the forgoing, to the extent this Agreement is a "construction contract" as defined by California Civil Code Section 2782, as may be amended from time to time, such duties of Consultant to indemnify shall not apply when to do so would be prohibited by California Civil Code Section 2782.

The Consultant's obligation to defend and indemnify shall not be excused because of the Consultant's inability to evaluate Liability or because the Consultant evaluates Liability and determines that the Consultant is not liable to the claimant. If the Consultant fails to accept or reject a tender of defense and indemnity within 30 days, in addition to any other remedy authorized by law, so much of the money due the Consultant under and by virtue of this Agreement as shall reasonably be considered necessary by the City, may be retained by the City until disposition has been made of the claim or suit for damages, or until the Consultant accepts or rejects the tender of defense, whichever occurs first.
