**TITLE:** Staff Report for a City Council Resolution to Approve a Consulting Services Agreement with Integrated Archive Systems (IAS) for Rubrik Cloud Data Management Appliance and Software for the Amount of \$107,045.76

---

### SUMMARY AND RECOMMENDATIONS

Staff recommends that the City Council approve a resolution authorizing the City Manager to execute an agreement with Integrated Archive Systems (IAS) to install and configure a Rubrik Cloud Data Management Appliance and Software. The contract is valued at an amount of \$107,045.76.

### BACKGROUND

The City of San Leandro's data backup and recovery procedures have become outdated. Advancements in technology have enabled data to be backed up with cloud-computing services, making backups quicker and more reliable.

### Analysis

The City of San Leandro's Information Technology Division maintains data backup systems and procedures to ensure all City data and IT systems are safe, secure and can be recovered, as needed by City staff. This includes everything from single file recovery from accidental deletion to full data center recovery in the event of a disaster or cyber incident.

The current strategy involves backing up data to an on-site media tape library machine and services to relocate those tapes to a secure off-site location. Recovery involves maintaining an electronic index of tapes, loading the proper tape into the library, and restoring the desired data. While off-site, long-term storage is a best-practice for data backup, the current procedures do not allow for quick, full system recovery nor do they enable restoration to secondary location, such as the emergency operations center (EOC).

Staff evaluated replacement backup technology vendors and was impressed with Rubrik. The Rubrik appliance can backup data locally, including both file and system data, archive to the cloud for long-term storage, and can function as a secondary storage device in an emergency. Staff intends to use the Rubrik appliance to replace its current backup systems and procedures. This design enables on-site data to be stored up to 30 days locally, and up to one year in the Cloud, to remove the requirement for an on-site tape library and off-site services. In addition, by utilizing the City's dark fiber, a 10 gigabit connection from City Hall/Police Department to the Senior Community Center will enable real-time activation of the EOC, in a disaster or cyber incident. The agreement also includes an additional module that will help IT Staff identify and rapidly recover from cyber breaches.

Staff received bids from three qualified Rubrik resellers and recommends awarding the contract to Integrated Archive Systems (IAS) given its bid was the lowest, they have a solid reputation, and have worked with other local government agencies in the Bay Area.

### **Previous City Council Actions**

- On October 7, 2019, the City Council heard a Presentation on Cyber Security discussing the need for updated backup systems.

### **Legal Analysis**

The City Attorney's office reviewed and approved the purchase agreements.

### **Fiscal Impacts**

The total one-time cost of the Rubrik system and services is \$107,045.76. This includes a combination of hardware costs and software configuration. The agreement also includes 3 years of support, paid up-front.

Beginning in Year 4, software support will need to be renewed at the expected annual rate of \$24,900. The contract has a provision that if the City renews at Year 4, Rubrik will provide a full hardware replacement of the 6404s Appliance, valued at \$17,400, for no additional cost.

Rubrik will include its Radar module, which detects data anomalies using machine learning, and can help rapidly recover from cyber incidents such as ransomware, at no cost for the first three years. The City has the option to renew this service in Year 4 at the expected annual rate of \$6,048.

These costs will be partially offset by the replacement of existing backup software, hardware, and off-site services.

### **Budget Authority**

The Finance Director has determined there are sufficient funds in the 688 Fund Balance. Future maintenance will be paid from Account 688-13-001-5310.

The court may set such fees in the same action or in a separate action brought for that purpose.

**10.3 Severability.** If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.

**10.5 Successors and Assigns.** The provisions of this Agreement shall inure to the benefit of and shall apply to and bind the successors and assigns of the Parties.

**10.6 Use of Recycled Products.** Consultant shall prepare and submit all reports, written studies and other printed material on recycled paper to the extent it is available at equal or less cost than virgin paper.

- 10.7 Conflict of Interest.** Consultant may serve other clients, but none whose activities within the corporate limits of City or whose business, regardless of location, would place Consultant in a “conflict of interest,” as that term is defined in the Political Reform Act, codified at California Government Code Section 81000 *et seq.*

Consultant shall not employ any City official in the work performed pursuant to this Agreement. No officer or employee of City shall have any financial interest in this Agreement that would violate California Government Code Section 1090 *et seq.*

Consultant hereby warrants that it is not now, nor has it been in the previous 12 months, an employee, agent, appointee, or official of the City. If Consultant was an employee, agent, appointee, or official of the City in the previous 12 months, Consultant warrants that it did not participate in any manner in the forming of this Agreement. ### INDEMNIFICATION

Consultant shall indemnify, defend with counsel acceptable to City, and hold harmless City and its officers, elected officials, employees, agents and volunteers from and against any and all liability, loss, damage, claims, expenses, and costs (including without limitation, attorney's fees and costs and fees of litigation) (collectively, "Liability") of every nature arising out of or in connection with Consultant's performance of the services called for or its failure to comply with any of its obligations contained in this Agreement, except such Liability caused by the sole negligence or willful misconduct of City.

Notwithstanding the forgoing, to the extent this Agreement is a "construction contract" as defined by California Civil Code Section 2782, as may be amended from time to time, such duties of Consultant to indemnify shall not apply when to do so would be prohibited by California Civil Code Section 2782.

The Consultant's obligation to defend and indemnify shall not be excused because of the Consultant's inability to evaluate Liability or because the Consultant evaluates Liability and determines that the Consultant is not liable to the claimant. The Consultant must respond within 30 days to the tender of any claim for defense and indemnity by the City. If the Consultant fails to accept or reject a tender of defense and indemnity within 30 days, in addition to any other remedy authorized by law, so much of the money due the Consultant under and by virtue of this Agreement as shall reasonably be considered necessary by the City, may be retained by the City until disposition has been made of the claim or suit for damages, or until the Consultant accepts or rejects the tender of defense, whichever occurs first.
