TITLE: Staff Report for a City of San Leandro City Council Resolution to Authorize the City Manager to Approve a Non-Professional Service Agreement with ANI Private Security and Patrol, Inc. (provides security services for facility reservations at the Marina and Senior Community Centers at a cost of \$65,000 in account number 010-61-025-5890)

SUMMARY AND RECOMMENDATION

Staff recommends that the City Council authorize the City Manager to execute the non-professional services agreement with ANI Private Security and Patrol, Inc. to continue security services for facility reservations at both the Marina and San Leandro Senior Community Centers. This recommendation is the result of a Request for Proposals (RFP) #58213, issued on February 7, 2020 and closed on March 5, 2020. We received a total of one bid for this RFP.

BACKGROUND

The City of San Leandro has utilized security companies to provide security services for the Marina and San Leandro Senior Community Centers since 2011. Facility reservations are booked at least one month in advance and up to one year, to the day. Security is a renter requirement for all bookings in the Titan Auditorium at the Marina Community Center and Main Hall at the Senior Community Center. ANI Private Security and Patrol, Inc. will provide two security officers to patrol and monitor guests at the San Leandro Senior Community Center's Main Hall and Marina Community Center's Titan Auditorium during private facility rentals. Services can span Monday - Sunday, anywhere between 8:00 am - 11:00 pm, at a four-hour minimum. Security is present from the start of the rental event through clean-up.

Funding for this program is part of the City's budget and reservation hosts pay security fees at the rate of \$60 per hour, incorporated into the reservation fees. During Fiscal Year 2018-2019, the Titan Auditorium took in 305 reservations, generating revenue of \$233,533.50. The Main Hall at the San Leandro Senior Community Center hosted 688 social events requiring security and

brought in \$547,385.50 in reservation fees.

Due to COVID-19 and Alameda County's Shelter-in-Place Order, facility reservations have been cancelled from March 17, 2020 through June 30, 2020, which did impact the program budget.

The goal of ANI Private Security and Patrol, Inc. is to deliver quality security services to both community centers, including being on-time, providing proper customer service, appropriate patron patrol, and assisting with enforcing facility rules and regulations. ANI Private Security and Patrol, Inc. staff will accept ongoing feedback from reservation hosts regarding the satisfaction of ANI Private Security and Patrol, Inc.'s service. City facility staff will also communicate with ANI Private Security and Patrol, Inc. regularly to ensure proper service and thorough communication.

FISCAL IMPACTS

The attached Agreement provides the Compensation Schedule from July 1, 2020 through June 30, 2021. The proposed agreement keeps the hourly rate of \$32.00 per security guard, as reflected in the agreement. The total compensation for this agreement shall not exceed \$65,000, based on a 55-weekend year cycle and an estimate of 3 rentals per weekend. Funding for Fiscal Year 2020-21 in account 010-61-025-5890 is available for a total of \$33,607 and an additional amount of \$40,000 is proposed in the FY 2021 Budget Amendment scheduled for approval on June 15, 2020.

- 1.1 Term of Services.** The term of this Agreement shall begin on the Effective Date and shall end on June 30, 2021, the date of completion specified in Exhibit A, and Contractor shall complete the work described in Exhibit A on or before that date, unless the term of the Agreement is otherwise terminated or extended, as provided for in Section 8. - 1.3 Assignment of Personnel.** Contractor shall assign only competent personnel to perform services pursuant to this Agreement. City shall make no payment for any extra, further, or additional service pursuant to this Agreement.

In no event shall Contractor submit any invoice for an amount in excess of the maximum amount of compensation provided above either for a task or for the entire Agreement, unless the Agreement is modified prior to the submission of such an invoice by a properly executed change order or amendment.

2.9 Authorization to Perform Services. The Contractor is not authorized to perform any services or incur any costs whatsoever under the terms of this Agreement until receipt of authorization from the Contract Administrator.

2.10 Liquidated Damages. Failure of Contractor to respond to problems referred to it by City within the time limits established in Subsection 1.2 of this Agreement shall result in liquidated damages as set forth in Exhibit A.

Section 3. FACILITIES AND EQUIPMENT. Except as set forth herein, Contractor shall, at its sole cost and expense, provide all facilities and equipment that may be necessary to perform the services required by this Agreement. City shall make available to Contractor only the facilities and equipment listed in this section, and only under the terms and conditions set forth herein. Contractor shall make a written request to City to use facilities or equipment not otherwise listed herein.

3.1 Safety Requirements. In accordance with generally accepted construction practices and state law, Contractor shall be solely and completely responsible for conditions on the jobsite, including safety of all persons and property during performance of the work. This requirement shall apply continuously and not be limited to normal working hours.

Contractor shall take all necessary precautions and provide all necessary safeguards to prevent personal injury and property damage. Contractor shall provide protection for all persons including, but not limited to, its employees and employees of its subcontractors; members of the public; and employees, agents, and representatives of the City and regulatory agencies that may be on or about the work.

Special care shall be exercised relative to work underground.

In addition to complying with all other safety regulations, Contractor shall abide by any and all other City requirements contained in any specifications, special conditions or manuals, which shall be made available by City upon request.

Contractor shall provide and maintain all necessary safety equipment such as fences, barriers, signs, lights, walkways, guards, and fire prevention and fire-fighting equipment and shall take such other action as is required to fulfill its obligations under this section. It is the intent of the City to provide a safe working environment under normal conditions. Contractor shall maintain all portions of the jobsite in a neat, clean, and sanitary condition at all times. If required by the City, toilets shall be furnished by Contractor where needed for use of its employees and their use shall be strictly enforced. Contractor shall maintain the insurance policies required by this section throughout the term of this Agreement. The cost of such insurance shall be included in the Contractor's bid. Contractor shall not allow any subcontractor to commence work on any subcontract until Contractor has obtained all insurance required herein for the subcontractor(s) and provided evidence to City that such insurance is in effect. In the alternative, Contractor may rely on a self-insurance program to meet these requirements, but only if the program of self-insurance complies fully with the provisions of the California Labor Code. Determination of whether a self-insurance program meets the standards of the California Labor Code shall be solely in the discretion of the Contract Administrator.

4.3.3 Deductibles and Self-Insured Retentions. Contractor shall disclose to and obtain the written approval of City for the self-insured retentions and deductibles before beginning any of the services or work called for by any term of this Agreement. The Contractor's obligation to defend and indemnify shall not be excused because of the Contractor's inability to evaluate Liability or because the Contractor evaluates Liability and determines that the Contractor is not liable to the claimant. The Contractor must respond within 30 days, to the tender of any claim for defense and indemnity by the City, unless this time has been extended by the City. If the Contractor fails to accept or reject a tender of defense and indemnity within 30 days, in addition to any other remedy authorized by law, so much of the money due the Contractor under and by virtue of this Agreement as shall reasonably be considered necessary by the City, may be retained by the City until disposition has been made of the claim or suit for damages, or until the Contractor accepts or rejects the tender of defense, whichever occurs first.

Notwithstanding the forgoing, to the extent this Agreement is a "construction contract" as defined by California Civil Code Section 2782, as may be amended from time to time, such duties of Contractor to indemnify shall not apply when to do so would be prohibited by California Civil Code Section 2782.

In the event that Contractor or any employee, agent, or subcontractor of Contractor providing services under this Agreement is determined by a court of competent jurisdiction or the California Public Employees Retirement System (PERS) to be eligible for enrollment in PERS as an employee of City, Contractor shall indemnify, defend, and hold harmless City for the payment of any employee and/or employer contributions for PERS benefits on behalf of Contractor or its employees, agents, or subcontractors, as well as for the payment of any penalties and interest on such contributions, which would otherwise be the responsibility of City.

Contractor shall comply with all applicable federal, state, and local laws, policies, rules, and requirements related to equal opportunity and nondiscrimination in employment, contracting, and the provision of any services that are the subject of this Agreement, including but not limited to the satisfaction of any positive obligations required of Contractor thereby.

- 8.2 Extension.** City may, in its sole and exclusive discretion, extend the end date of this Agreement beyond that provided for in Subsection 1.1. Contractor may not assign this Agreement or any interest therein without the prior written approval of the Contract Administrator. Contractor shall not subcontract any portion of the performance contemplated and provided for herein, other than to the subcontractors noted in the proposal, without prior written approval of the Contract Administrator.
- 8.5 Survival.** All obligations arising prior to the termination of this Agreement and all provisions of this Agreement allocating liability between City and Contractor shall survive the termination of this Agreement.
- 8.6 Options upon Breach by Contractor.** If Contractor materially breaches any of the terms of this Agreement, City's remedies shall include, but not be limited to, the following:

Contractor hereby agrees to deliver those documents to the City upon termination of the Agreement. It is understood and agreed that the documents and other materials, including but not limited to those described above, prepared pursuant to this Agreement are prepared specifically for the City and are not necessarily suitable for any future or other use. City and Contractor agree that, until final approval by City, all data, plans, specifications, reports and other documents are confidential and will not be released to third parties without prior written consent of both Parties.
- 9.2 Contractor's Books and Records.** Contractor shall maintain any and all ledgers, books of account, invoices, vouchers, canceled checks, and other records or documents evidencing or relating to charges for services or expenditures and disbursements charged to the City under this Agreement for a minimum of 3 years, or for any longer period required by law, from the date of final payment to the Contractor to this Agreement.
- 9.3 Inspection and Audit of Records.** Any records or documents that Subsection 9.2 of this Agreement requires Contractor to maintain shall be made available for inspection, audit, and/or copying at any time during regular business hours, upon oral or written request of the City. Under California Government Code Section 8546.7, if the amount of public funds expended under this Agreement exceeds \$10,000.00, the Agreement shall be subject to the examination and audit of the State Auditor, at the request of City or as part of any audit of the City, for a period of 3 years after final payment under the Agreement.

The court may set such fees in the same action or in a separate action brought for that purpose.
- 10.2 Venue.** In the event that either party brings any action against the other under this Agreement, the Parties agree that trial of such action shall be vested exclusively in the state courts of California in the County of Alameda or in the United States District Court for the Northern District of California.

- 10.3 Severability.** If a court of competent jurisdiction finds or rules that any provision of this Agreement is invalid, void, or unenforceable, the provisions of this Agreement not so adjudged shall remain in full force and effect. The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision of this Agreement.
