TITLE: Staff Report for a City of San Leandro City Council Resolution to Authorize the City Manager to Enter into a Project Funding Agreement with the Alameda County Transportation Commission for Discretionary Funding Related to the COVID-19 Rapid Response Bicycle/Pedestrian Grant Program; to Appropriate \$75,000 in Grant Funds; and to Appropriate \$75,000 of Matching Funds from Measure B Bike and Ped Fund Balance.

SUMMARY AND RECOMMENDATIONS

The City was awarded a COVID-19 Rapid Response Bicycle/Pedestrian Grant of \$75,000 by the Alameda County Transportation Commission (ACTC) to install Rectangular Rapid Flashing Beacons (RRFB) at four intersections in the City.

Staff recommends the following actions:

- Authorize the City Manager to execute the agreement that accepts \$75,000 in grant funds from Alameda CTC;
- Appropriate \$75,000 in grant funds; and
- Appropriate \$75,000 in matching funds from Measure B Bike and Ped Fund Balance.

BACKGROUND

In summer 2020, ACTC announced funding for the COVID-19 Rapid Response Bicycle and Pedestrian Grant Program (Program) to support Alameda County's economic recovery and growth from the impacts of COVID-19. The program funds are designated for quick-build transportation improvement projects that support improved bicycle and pedestrian accessibility to local businesses.

The Program goals include:

- To create, expand and improve bicycle/pedestrian access to local businesses, restaurants and employment centers;

- To restore local economic activities;
- To promote physical social distancing, enhance mobility and open spacing along transportation corridors to business districts and employment centers; and
- To enhance public health through transportation improvements that mitigate the risk and spread of COVID-19.

The City was granted \$75,000 in discretionary grant funds for the subject project and is required to match the grant on a 1:1 ratio. A project agreement that sets forth the terms and conditions of the grant must be executed before the City is eligible to receive the funds.

On October 30, 2020, ACTC awarded the City a grant fund to install Rectangular Rapid Flashing Beacons (RRFBs) at four (4) intersections to improve pedestrian crossing safety: Lewelling Boulevard/Calgary Street, Lewelling Boulevard/Dewey Street, Lewelling Boulevard/Andover Street and MacArthur Boulevard/Victoria Avenue. The grant requires that the construction of the associated crosswalk improvements must be completed no later than March 31, 2021.

Analysis

City was awarded \$75,000 in discretionary grant funds to design RRFBs at four City intersections. The City's required local match is \$75,000, bringing the total project budget to \$150,000. The Measure B Bicycle and Pedestrian Fund has sufficient fund balance to accommodate this request.

If the City Council authorizes the City Manager to execute the grant agreement with ACTC, staff will proceed with the design and construction of the project. RRFBs consist of lighted signs placed in the sidewalk on each side of the crosswalk that when activated by pedestrians, provide a warning to drivers of people crossing the street. RRFBs are currently installed at several locations around town. Studies find that vehicle compliance with pedestrian right of way is improved with a rectangular rapid flashing beacon when compared to an unsignalized crossing.

Current Agency Policies

- Provide quality public safety services and grow our partnership with the community to keep San Leandro safe.
- Advance projects and programs promoting sustainable economic development, including transforming San Leandro into a center for innovation.

Applicable General Plan Policies

- Policy T-3.6: Pedestrian Environment. Improve the walkability of all streets in San Leandro through the planning, implementing, and maintaining of pedestrian supportive infrastructure.
- Policy T-7.2: Capital Improvements. Identify capital improvements and other measures which improves the safety of bicyclists, pedestrians, and motor vehicles on San Leandro Streets.
- Policy T-7.7: Funding. Pursue grants for the improvement of pedestrian, bicycle, and motor

vehicle safety, including a greater focus on traffic law and speed enforcement.

Summary of Public Outreach Efforts

Properties adjacent to the work will receive a notification from the Contractor prior to the work.

Legal Analysis

The City Attorney's Office reviewed the agreement, and it is approved as to form.

Fiscal Impacts

Execution of the agreement will provide \$75,000 in funds for the design and installation of RRFB at four crosswalks and will require the City to provide \$75,000 in matching funds.

RECITALS

A. The voters of Alameda County, pursuant to the provisions of the Bay Area County Traffic and Transportation Funding Act, Public Utilities Code Section 131000, et seq., approved Measure B at the General Election held in November 1986, authorizing the collection of a one-half cent transaction and use tax over a fifteen (15)-year period to address major transportation needs and congestion in Alameda County and giving Alameda County Transportation Authority (“ACTA”) the responsibility for the administration of the proceeds of the tax. The proceeds from the 1986 Measure B tax have been and continue to be used to pay for investments as outlined in the 1986 Alameda County Transportation Expenditure Plan (“1986 TEP”), as it may be amended. Although collection of the 1986 Measure B tax ceased in 2002, capital projects funded wholly or in part by 1986 Measure B funds are still being delivered using these funds.

B. The voters of Alameda County, pursuant to the provisions of the Local Transportation Authority and Improvement Act, Public Utilities Code Section 180000, et seq., approved the reauthorization of Measure B at the General Election held on November 7, 2000, authorizing the collection of a one-half cent transaction and use tax to be collected for twenty (20) years beginning April 1, 2002 and giving Alameda County Transportation Improvement Authority (“ACTIA”) responsibility for the administration of the proceeds of the tax. The proceeds from the 2000 Measure B tax have been and continue to be used to pay for investments as outlined in the 2000 Alameda County Transportation Expenditure Plan (“2000 TEP”), as it may be amended.

C. The voters of Alameda County, pursuant to Section 65089.20 of the Government Code, approved Measure F, the Vehicle Registration Fee (“VRF”), authorizing Alameda County Congestion Management Agency (“ACCMA”) to administer the proceeds from a \$10 per year vehicle registration fee on

each annual motor-vehicle registration in Alameda County, starting with registrations effective July 2011 with collection beginning in May 2011, six months following approval of Measure F. Vehicles subject to the VRF include all motorized vehicles, including passenger cars, light-duty trucks, medium-duty trucks, heavy-duty trucks, buses of all sizes, motorcycles, and motorized camper homes, unless vehicles are expressly exempted from the payment of the VRF.

D. By resolutions adopted by the ACTA and ACTIA Boards on June 24, 2010, all of ACTA's functions and responsibilities were assigned to, and accepted by, ACTIA. On that same date, the ACTIA and ACCMA Boards took the final actions to create ALAMEDA CTC, a joint powers authority with all responsibilities of ACTIA and ACCMA. Pursuant to resolutions adopted by the ACTIA and ACCMA Boards and the Commission of ALAMEDA CTC, ACCMA and ACTIA were terminated as of the close of business on February 29, 2012, with ALAMEDA CTC designated as the successor entity. All of its predecessors' functions and responsibilities have been assigned to, and accepted by, ALAMEDA CTC.

E. The voters of Alameda County, pursuant to the provisions of the Local Transportation Authority and Improvement Act, California Public Utilities Code Section 180000 et seq., approved Measure BB at the General Election held on November 4, 2014, authorizing the extension of an existing one-half of one percent transaction and use tax scheduled to terminate on March 31, 2022, and the augmentation of the tax by one-half of one percent, and giving ALAMEDA CTC responsibility for the administration of the proceeds of the 2014 Measure BB tax. The duration of the 2014 Measure BB tax will be 30 years from the initial year of collection, which began April 1, 2015, with said tax to terminate/expire on March 31, 2045. The proceeds from the 2014 Measure BB will be used to pay for investments as outlined in the 2014 Alameda County Transportation Expenditure Plan ("2014 TEP"), as it may be amended.

F. As the Transportation Fund for Clean Air ("TFCA") Program Manager in Alameda County, ALAMEDA CTC annually programs 40 percent of the TFCA funds collected in Alameda County. ALAMEDA CTC receives these funds from the Bay Area Air Quality Management District ("BAAQMD"), and then distributes these funds on a reimbursement basis to eligible project sponsors.

G. ALAMEDA CTC is continuing the implementation of the CMA Exchange Program, originally established by the ACCMA, for the purpose of providing local or otherwise unrestricted funds to ALAMEDA CTC for use in projects and programs adopted into the CMA Transportation Improvement Program ("CMA TIP") by ALAMEDA CTC.

H. The funding programs administered by ALAMEDA CTC and available for projects and programs that benefit the Alameda County transportation system, consisting of 1986 Measure B, 2000 Measure B, 2014 Measure BB, VRF, TFCA, and CMA TIP, are collectively defined as and shall be referenced herein as the "ALAMEDA CTC ADMINISTERED FUNDS". Requirements related to 2000 Measure B, VRF and 2014 Measure BB Direct Local Distribution ("DLD") funding distributed pursuant to 2000 Measure B, VRF and 2014 Measure BB Transportation Expenditure Plans are covered by separate agreements between ALAMEDA CTC and DLD recipients.

I. Measure B, Measure BB, VRF, and TFCA funds obligated by this AGREEMENT shall be programmed, allocated, and expended for the purpose defined and in accordance with the provisions set forth in the applicable transportation expenditure plans, or the BAAQMD-approved TFCA County Program Manager Policies.

J. ALAMEDA CTC programs and allocates ALAMEDA CTC ADMINISTERED FUNDS through the ALAMEDA CTC Comprehensive Investment Plan (“CIP”) that is updated periodically to summarize the programming and allocations of ALAMEDA CTC ADMINISTERED FUNDS, and the policies, procedures and requirements related to the expenditure of ALAMEDA CTC ADMINISTERED FUNDS.

K. The PROJECT SPONSOR is implementing a project or program (“PROJECT”) that is eligible for ALAMEDA CTC ADMINISTERED FUNDS. The PROJECT and the strategy to implement the PROJECT are described in greater detail in Appendix A: Project Control Information.

L. This AGREEMENT obligates funds from one or more of ALAMEDA CTC administered funding programs as specified in Appendix B: Alameda CTC Administered Funds Obligated by this Agreement, for the PROJECT and the phase(s) described in Appendix A: Project Control Information. ALAMEDA CTC ADMINISTERED FUNDS obligated by this AGREEMENT are available to reimburse eligible costs incurred by PROJECT SPONSOR for the PROJECT and the phase(s) described in Appendix A: Project Control Information.

M. The issuance of bonds or another financing mechanism are possible funding options as part of ALAMEDA CTC administered funding programs to meet cash flow requirements of each individual program based on current schedule and project delivery information.

Progress reports are due by the last day of each calendar month following the established reporting period in which the work was performed. These reports shall include PROJECT status information such as the scope of work completed to date, total costs incurred, future actions, project performance, issues identification, changes to scope or schedule, and any additional relevant information requested by ALAMEDA CTC.

17. PROJECT SPONSOR shall submit to ALAMEDA CTC a Request for Reimbursement in accordance with the minimum required invoicing frequency established for the PROJECT, but not more than one such request per month, for reimbursement of eligible PROJECT costs and expenses incurred by PROJECT SPONSOR. The required minimum invoicing frequency and invoice forms are provided in Appendix C: Alameda CTC Request for Reimbursement and Reporting Requirements. If PROJECT SPONSOR does not incur any reimbursable expenses during the minimum invoicing period, in lieu of submitting an invoice, PROJECT SPONSOR shall submit a letter or a statement as part of the required progress report for the same period confirming that no reimbursable costs were incurred during the given period. If PROJECT SPONSOR requests reimbursement for costs incurred as a result of a contract or agreement with a third party that contains a contract value of \$50,000 or greater, e.g. a consultant, contractor or other entity, PROJECT SPONSOR shall submit an electronic copy of the fully executed contract or agreement to ALAMEDA CTC prior to ALAMEDA CTC authorizing reimbursement of such costs. Each Request for Reimbursement shall

also include detailed supporting documentation for the total PROJECT costs with the reimbursable portion of the total costs clearly identified. Supporting documentation for the Request for Reimbursement packages includes copies of invoices from vendors, consultants, or contractors and summaries of eligible PROJECT SPONSOR staff time charges. 19. PROJECT SPONSOR shall keep all necessary PROJECT records to demonstrate compliance with this AGREEMENT, including documentation of activities, performance, progress reports, final report, expenses and charges to support invoices submitted to ALAMEDA CTC and other PROJECT reporting requirements as described in Appendix C: Alameda CTC Request for Reimbursement and Reporting Requirements in one central location for a period of not less than five (5) years after the later of (i) ALAMEDA CTC's payment of the final invoice, (ii) the PROJECT SPONSOR's submittal of the Final Report for ALAMEDA CTC ADMINISTERED FUNDS under this AGREEMENT, and (iii) the end of the PROJECT's established "Years of Effectiveness" period (as identified in Appendix G: Transportation Fund for Clean Air Policies and Requirements) if any TFCA funds are provided under this AGREEMENT.

- a. PROJECT SPONSOR and PROJECT SPONSOR's contractors and subcontractors shall each maintain and make available for inspection and audit all books, documents, papers, accounting records, and other evidence pertaining to the performance of such contracts, including, but not limited to, the costs of administering those various contracts.
- b. PROJECT SPONSOR shall allow ALAMEDA CTC or its authorized representatives to inspect, audit, or make copies of any PROJECT records for a period of five (5) years after ALAMEDA CTC's payment of the final invoice and the PROJECT SPONSOR's submittal of the Final Report. The same access also shall be granted to BAAQMD or its authorized representatives for TFCA funds obligated by this AGREEMENT.

For TFCA funding obligated through this AGREEMENT, SPONSOR shall also credit the BAAQMD as a funding source and display the BAAQMD-approved TFCA logo.
- b. PROJECT SPONSOR shall provide updated and accurate PROJECT information on the PROJECT SPONSOR's website, or create such a website if none exists, and provide a link to ALAMEDA CTC website.

- c. PROJECT SPONSOR shall publish an article in a printed or electronically distributed publication such as a newsletter, local newspaper, e-publications, or website highlighting the PROJECT and the use of ALAMEDA CTC ADMINISTERED FUNDS at least once per fiscal year. For TFCA funding obligated through this AGREEMENT, SPONSOR shall also credit the BAAQMD as a funding source.
- d. PROJECT SPONSOR shall document compliance with the publicity requirements and furnish such documentation upon request, and regularly through the progress and final reporting required by this AGREEMENT, through evidence such as photos of construction and vehicle signage, copies of print, electronic and other media published to satisfy this requirement. For TFCA funding obligated through this AGREEMENT, SPONSOR shall also document that the BAAQMD was credited as a funding source and the BAAQMD-approved TFCA logos were displayed.
- e. PROJECT SPONSOR shall notify ALAMEDA CTC and request an exemption as soon as it is reasonably known that the PROJECT SPONSOR is unable to fulfill the requirements under this Section I.20 due to extraordinary circumstances.

21. PROJECT SPONSOR shall, to the extent not otherwise prohibited by law, and to the extent required by the California Public Records Act (California Government Code section 6250 et seq.), place in the public domain any software, written document, or other product developed with ALAMEDA CTC ADMINISTERED FUNDS received through this AGREEMENT.

PROJECT SPONSOR will comply with all applicable state and federal laws and regulations.

24. PROJECT SPONSOR shall render a report or answer any and all inquiries, upon ALAMEDA CTC's request, in regards to its receipt of ALAMEDA CTC ADMINISTERED FUNDS, compliance audit findings, and usage of ALAMEDA CTC ADMINISTERED FUNDS before the ALAMEDA CTC Commission, Independent Watchdog Committee, and/or community advisory committees, as applicable.

For TFCA funds obligated by this AGREEMENT, a PROJECT SPONSOR who has failed a BAAQMD financial or performance audit for the PROJECT will be excluded from receiving an award of any TFCA funds for five (5) years from the date of BAAQMD's final audit determination. Existing TFCA funds already awarded to the SPONSOR will not be released until all audit recommendations and remedies have been satisfactorily implemented. A failed BAAQMD financial audit means a final audit report that includes an uncorrected audit finding that confirms an ineligible expenditure of TFCA funds. A failed BAAQMD performance audit means that the PROJECT was not implemented in accordance with the AGREEMENT. SPONSOR shall be afforded a reasonable amount of time to address/cure adverse audit findings.

26. For TFCA funds obligated by this AGREEMENT, PROJECT SPONSOR shall return to ALAMEDA CTC, on a pro-rated basis, TFCA funds received under this Agreement if PROJECT is not maintained and/or operated throughout, and at least until the conclusion of, its “Years of Effectiveness” as identified in Appendix G: Transportation Fund for Clean Air Policies and Requirements.

27. For TFCA funds obligated by this AGREEMENT, PROJECT SPONSOR shall submit a TFCA Final Report to the ALAMEDA CTC. The required content for the TFCA Final Report is identified in the TFCA Final Report Form referenced in Appendix G.

SECTION II

1. ALAMEDA CTC shall make a good faith effort to provide all ALAMEDA CTC ADMINISTERED FUNDS obligated by this AGREEMENT.
2. ALAMEDA CTC shall assist PROJECT SPONSOR when able, upon request and as necessary, in resolving issues related to the PROJECT.
3. ALAMEDA CTC shall provide a copy of its approved logo for PROJECT SPONSOR to use as required by this AGREEMENT.
4. ALAMEDA CTC shall provide notice to the PROJECT SPONSOR of any and all expenditures made by PROJECT SPONSOR, which are not in compliance with the AGREEMENT or the applicable ALAMEDA CTC ADMINISTERED FUNDS promptly after ALAMEDA CTC becomes aware of any such expenditures.
5. ALAMEDA CTC shall provide timely notice to PROJECT SPONSOR prior to conducting an audit of expenditures made by PROJECT SPONSOR to determine whether such expenditures are in compliance with this agreement or the applicable ALAMEDA CTC ADMINISTERED FUNDS.

SECTION III

IT IS MUTUALLY AGREED AS FOLLOWS:

1. That ALAMEDA CTC ADMINISTERED FUNDS obligated by this AGREEMENT may be shifted between the phases of the PROJECT or between activities in the same phase of the PROJECT, so long as each of the following occurs: 1) PROJECT SPONSOR submits a written amendment request that provides revised and updated Appendix A: Project Control Information forms documenting the requested funding obligation shift and demonstrating to ALAMEDA CTC’s satisfaction that the phase or activity from which the funds were shifted remains fully funded, and 2) the parties execute an amendment to this AGREEMENT incorporating the revised and updated Appendix A forms as described above, which amendment shall be approved by ALAMEDA CTC pursuant to applicable ALAMEDA CTC policies.

2. ALAMEDA CTC and the PROJECT SPONSOR may jointly authorize an “Administrative Amendment” for any minor schedule revisions, deliverables, or budget revisions that do not increase the total ALAMEDA CTC ADMINISTERED FUNDS obligated by this AGREEMENT. Any change in the PROJECT scope of work must be approved by ALAMEDA CTC prior to implementation of the change by the PROJECT SPONSOR. Administrative amendment requests sent to ALAMEDA CTC must include a revised Appendix A: Project Control Information which reflects the requested changes by the PROJECT SPONSOR.

3. For the purposes of this AGREEMENT, (i) a “Contract” shall mean and refer to a third party agreement with the PROJECT SPONSOR for services related to PROJECT, including agreements with another public agency, consultant firm, contractor or entity; (ii) “PROJECT SPONSOR Staff” costs include costs related to staff dedicated directly to management, oversight, or development work on the project and may include direct costs including contracts for services, such as legal counsel, that are considered an extension of PROJECT SPONSOR Staff; (iii) “Capital” with respect to any Right-of-Way Capital phase shall mean and refer to the cost to acquire real property, access rights and other property interests; and (iv) “Agreement Expiration Date” shall mean and refer to the expiration date of this AGREEMENT.

4. Funds expended for work directly related to the phases of the PROJECT covered by this AGREEMENT prior to the applicable allowable start date identified in Appendix B: Alameda CTC Administered Funds Obligated by this Agreement will not be considered for reimbursement pursuant to this AGREEMENT. In all cases, reimbursable costs will be limited to those costs shown in Appendix A: Project Control Information.

5. ALAMEDA CTC ADMINISTERED FUNDS obligated by this AGREEMENT are subject to fund availability and any new requirements and policies imposed by ALAMEDA CTC. The AGREEMENT shall be amended, as necessary, to reflect the applicable requirements.

6. If additional local, state or federal funding is obtained to partially offset ALAMEDA CTC ADMINISTERED FUNDS planned for the PROJECT, ALAMEDA CTC ADMINISTERED FUNDS will not be transferred from the PROJECT until after it is ensured that all phases of the PROJECT can be fully delivered. ALAMEDA CTC ADMINISTERED FUNDS offset by additional local, state or federal funding shall be available for PROJECT only after all other funding planned for PROJECT, as described in Appendix A: Project Control Information, has been committed and/or encumbered to the PROJECT.

7. Should any portion of PROJECT be financed with federal or state funds, all applicable laws, rules and policies relating to the use of such funds shall apply, notwithstanding other provisions of this AGREEMENT.

8. For TFCA funds obligated by this AGREEMENT, this AGREEMENT is subject to the current BAAQMD-approved TFCA County Program Manager Fund Policies included in Appendix G: Transportation Fund for Clean Air Policies and Requirements and any new requirements imposed by the BAAQMD upon ALAMEDA CTC with respect to the TFCA funds distributed hereunder. ALAMEDA CTC will only distribute TFCA funds under this AGREEMENT to the extent the documented project costs are eligible under the applicable BAAQMD TFCA Policies.

9. The laws of the State of California shall govern this AGREEMENT.

10. All correspondence and communications will contain ALAMEDA CTC project number and name for PROJECT in a clearly identifiable location. For projects with TFCA funds obligated by this AGREEMENT, all correspondence and communications will also contain the TFCA project number as identified in Appendix G: Transportation Fund for Clean Air Policies and Requirements.

11. ALAMEDA CTC reserves the right to conduct technical and financial audits of PROJECT work and records when determined to be necessary or appropriate and PROJECT SPONSOR agrees, and shall require its contractors and subcontractors to agree, to cooperate with ALAMEDA CTC by making all appropriate and relevant PROJECT records promptly available for audit and copying.

12. PROJECT costs incurred by PROJECT SPONSOR are only eligible for reimbursement on a pro-rated basis unless specifically provided for in Appendix A: Project Control Information, and PROJECT SPONSOR is expected to concurrently seek reimbursement from the other sources shown in Project A: Project Control Information. Pro-rated basis, as used herein, equals the amount of ALAMEDA CTC ADMINISTERED FUNDS obligated by this AGREEMENT to a phase, divided by the total funding for the phase, as shown in Appendix A: Project Control Information. For any Request for Reimbursement which includes such expenditures, PROJECT SPONSOR shall (i) report the total expenditures during the reimbursement period, (ii) indicate the percentage of the total expenditures for the phase expected to be funded by ALAMEDA CTC ADMINISTERED FUNDS obligated by this AGREEMENT, and (iii) request reimbursement for the dollar amount which equals the product of such total expenditures and such percentage.

13. ALAMEDA CTC approval of PROJECT SPONSOR submitted Requests for Reimbursement will be contingent on the submittal of progress reports and deliverables by PROJECT SPONSOR as required by this AGREEMENT. In the event that progress reports and deliverables are not complete and current, approval of Requests for Reimbursement shall be withheld until an acceptable remedy has been implemented and approved by ALAMEDA CTC. If PROJECT SPONSOR fails to submit the required deliverables or otherwise fails to meet the reporting and invoicing requirements of this AGREEMENT, ALAMEDA CTC may deobligate funds from the PROJECT and this AGREEMENT. Not less than thirty (30) days prior to the effective date of any such action, ALAMEDA CTC will endeavor to notify PROJECT SPONSOR in writing that the required deliverables, invoicing and reporting is overdue.

14. Request for Reimbursements submitted after the Agreement Expiration Date identified in Appendix B: Alameda CTC Administered Funds Obligated by this AGREEMENT will not be considered for reimbursement by ALAMEDA CTC unless an exception is requested by the PROJECT SPONSOR no less than sixty (60) days before the Agreement Expiration Date, and the exception is approved by ALAMEDA CTC. ALAMEDA CTC will deobligate any remaining ALAMEDA CTC ADMINISTERED FUNDS from PROJECT and this AGREEMENT.

15. Each Right-of-Way transaction which is funded either wholly or in part with ALAMEDA CTC ADMINISTERED FUNDS shall be subject to repayment or reimbursement to ALAMEDA CTC under ALAMEDA CTC Policies in effect as of the effective date of this AGREEMENT, irrespective of the party holding title to the real estate which is the subject of the Right-of-Way transaction in question. The parties agree that Section III.16(a) through Section III.16(f), the provisions of which are intended to provide further detail regarding the application of such Policies, shall govern the extent to which such repayment is required and the conditions applicable to any such repayment. If such Policies are amended after the effective date of this

AGREEMENT by ALAMEDA CTC, the PROJECT SPONSOR and ALAMEDA CTC shall execute an amendment to this AGREEMENT which references the revised Policies.

16. For the purposes of the following provisions, “ALAMEDA CTC Share” shall mean the percentage share of the original property purchase price funded by ALAMEDA CTC ADMINISTERED FUNDS (i.e., if the purchase was fully funded by ALAMEDA CTC ADMINISTERED FUNDS, ALAMEDA CTC Share shall equal 100%); any appraisal required under Section III.16(a) and Section III.16(f) only, shall be conducted at no cost to ALAMEDA CTC; “Fair Market Value” of a given property shall mean the net proceeds from the sale of such property if such sale occurs in an open market transaction or by auction, or the value of the property determined by an independent third-party appraisal of the property if some or all of the property is retained by PROJECT SPONSOR or otherwise transferred to any other party without an auction or open market transaction; and “CPI” means the Consumer Price Index, All Items for All Urban Consumers, San Francisco-Oakland, San Jose, CA.

- a. If any property is acquired for the PROJECT using ALAMEDA CTC ADMINISTERED FUNDS to finance some or all of the acquisition, and the PROJECT is cancelled or otherwise does not begin construction within three (3) years after the effective date of AGREEMENT (as such deadline may be extended by agreement between the parties hereto), then PROJECT SPONSOR shall, within one (1) year after such cancellation decision or the expiration of such three (3) year period, reimburse ALAMEDA CTC for the greater of the following: ALAMEDA CTC Share of the property’s Fair Market Value or the full amount of ALAMEDA CTC ADMINISTERED FUNDS used to acquire the property, as escalated by the increase in the CPI during the most recent period for which CPI data is available which is equal in length to the period between the date ALAMEDA CTC ADMINISTERED FUNDS were paid to PROJECT SPONSOR and the date reimbursement is made to ALAMEDA CTC.
- b. If any property is acquired for the PROJECT using ALAMEDA CTC ADMINISTERED FUNDS to finance some or all of the acquisition and only a portion of the acquired property is required for the PROJECT, and if the PROJECT begins construction within three (3) years after the effective date of this AGREEMENT (as such deadline may be extended by agreement between the parties hereto), then PROJECT SPONSOR shall, within one (1) year after PROJECT completion, reimburse ALAMEDA CTC for ALAMEDA CTC Share of the Fair Market Value of any property determined to be “excess property”.
- c. If the PROJECT begins construction within three (3) years after the effective date of this AGREEMENT (as such deadline may be extended by agreement between the parties hereto), then except as provided in subparagraph (d) below, no reimbursement is due with respect to any property interest acquired for the project using ALAMEDA CTC ADMINISTERED FUNDS if the entirety of the acquired property is required for the PROJECT.
- d. If PROJECT SPONSOR anticipates receiving net revenues (i.e., rental or other income generated by the property, less reasonable costs for insurance, maintenance and related items) from any property acquired using ALAMEDA CTC ADMINISTERED FUNDS, PROJECT SPONSOR shall notify ALAMEDA CTC on how PROJECT SPONSOR will use such revenue to offset other project costs, and document such revenue separately in project reimbursement requests.

- e. If PROJECT is suspended, PROJECT SPONSOR shall pay all property management costs.
- f. Property that is required for the PROJECT and acquired wholly or in part with ALAMEDA CTC ADMINISTERED FUNDS shall be available for PROJECT construction within ten (10) years of ALAMEDA CTC reimbursement to the PROJECT SPONSOR. If, after ten (10) years, PROJECT has not been completed, PROJECT SPONSOR shall reimburse ALAMEDA CTC Share of the fair market value of the property, based on the net proceeds from the sale of the property or an appraisal of the property conducted at no cost to ALAMEDA CTC, within one (1) year after the expiration of this ten (10) year period.

17. If condemnation procedures are required to obtain possession to Right-of-Way, ALAMEDA CTC will consider the required deposit as an eligible cost and reimburse the PROJECT SPONSOR upon request. PROJECT SPONSOR shall submit documentation of the final order of condemnation settlement within ninety (90) days after the date of the court recording of the final order of condemnation. If the amount of ALAMEDA CTC reimbursement to the PROJECT SPONSOR is higher than ALAMEDA CTC Share of the amount of settlement in the final order of condemnation, the PROJECT SPONSOR shall pay ALAMEDA CTC the difference between the amount reimbursed and ALAMEDA CTC Share of the amount settled plus ALAMEDA CTC Share of the interest accrued to the deposit account within one (1) year of the final order of condemnation.

18. PROJECT SPONSOR shall not initiate condemnation of any property until full funding for the construction of the PROJECT has been secured.

19. Reimbursement to PROJECT SPONSOR by ALAMEDA CTC for PROJECT Right-of-Way is limited to the following (and net of any relocation payments provided by other sources):

- a. The cost to purchase all real property required for the PROJECT free and clear of liens and/or conflicting easements, including the costs for preparation of documents, negotiations and legal services.
- b. The cost of damages to owners of the remainder of real property not actually taken but injuriously affected by PROJECT.
- c. The cost of relocation payments and services provided to owners and occupants pursuant to the appropriate State laws and regulations when the PROJECT displaces an individual, family, business, farm operation or nonprofit organization.
- d. The cost of demolition and/or the sale of all improvements on the right-of-way. Proceeds from the sale of any such improvements shall be credited to the PROJECT and used to offset PROJECT costs.
- e. The cost of all unavoidable utility relocation, protection or removal necessary for the completion of the PROJECT.

- f. The cost of all necessary hazardous material and hazardous waste treatment, encapsulation or removal and protective storage for which PROJECT SPONSOR accepts responsibility and where the actual generator cannot be identified and recovery made.

20. If PROJECT SPONSOR materially breaches this AGREEMENT, including but not limited to failing to deliver the PROJECT within the schedule defined by this AGREEMENT without compelling reason, failing to file required progress reports in the time specified by this AGREEMENT, or failing to comply with applicable regulations, ALAMEDA CTC may either terminate this AGREEMENT or suspend payments to PROJECT SPONSOR until such time as PROJECT SPONSOR makes reasonable efforts to comply with this AGREEMENT.

21. Neither ALAMEDA CTC, nor its governing body or any officer, consultant, or employee thereof shall be responsible for any damage or liability occurring by reason of anything done or omitted to be done by PROJECT SPONSOR in connection with the PROJECT. It is also understood and agreed, pursuant to Government Code Section 895.4, PROJECT SPONSOR shall fully defend, protect, indemnify and hold harmless ALAMEDA CTC, its governing body, and all its officers, employees, agents, representatives, and successors-in-interest, against any and all liability, loss, expense, including reasonable attorneys' fees, or claims for injury (as defined in Government Code Section 810.8) or damages occurring by reason of anything done or omitted to be done by PROJECT SPONSOR in connection with PROJECT, including the performance of the PROJECT or operation or use of the equipment that is subject to this AGREEMENT. If TFCA funds are obligated by this AGREEMENT, PROJECT SPONSOR shall also fully defend, protect, indemnify and hold harmless BAAQMD, its governing body, and all its officers, employees, agents, representatives, and successors-in-interest, from any liability imposed on BAAQMD for injury (as defined in Government Code Section 810.8) occurring by reason of anything done or omitted to be done by PROJECT SPONSOR in connection with PROJECT.

22. Neither PROJECT SPONSOR, nor its governing body or any officer, consultant, or employee thereof shall be responsible for any damage or liability occurring by reason of anything done or omitted to be done by ALAMEDA CTC under or in connection with any work, authority or jurisdiction delegated to ALAMEDA CTC under this AGREEMENT. It is also understood and agreed, pursuant to Government Code Section 895.4, ALAMEDA CTC shall fully defend, protect, indemnify and hold harmless PROJECT SPONSOR, its governing body, and all its officers, employees, agents, representatives, and successors-in-interest, against any and all liability, loss, expense, including reasonable attorneys' fees, or claims for injury (as defined in Government Code Section 810.8) or damages occurring by reason of anything done or omitted to be done by ALAMEDA CTC in connection with PROJECT, including the performance of the PROJECT or operation or use of the equipment that is subject to this AGREEMENT.

23. Nothing in the provisions of this AGREEMENT is intended to create duties or obligations to or rights in third parties not party to this AGREEMENT. This AGREEMENT gives no rights or benefits to anyone other than ALAMEDA CTC and PROJECT SPONSOR and has no third-party beneficiaries.

24. All legal actions by either party against the other arising from this AGREEMENT, or for the failure to perform in accordance with the applicable standard of care, or for any other cause of action, will be subject to the statutes of limitations of the State of California.

25. Should it become necessary to enforce the terms of this AGREEMENT, the prevailing party shall be entitled to recover reasonable expenses and attorney's fees from the other party.

26. This AGREEMENT shall terminate upon the Agreement Expiration Date identified in Appendix B: Funds Obligated by this AGREEMENT unless this AGREEMENT is extended by mutual agreement of the parties. Notwithstanding the foregoing, Sections I.7, I.19, III.21 and III.22 shall survive the termination or expiration of this AGREEMENT.

27. This AGREEMENT, including its Recitals and Appendices, constitutes the entire AGREEMENT. This AGREEMENT may be changed only as allowed in Sections III.1 and Section III.2 of this AGREEMENT or by a written amendment executed by both parties.

PROJECT PERFORMANCE MEASURES

Project Performance Measures: The Project Performance Measures and Targets describes what outcome-based performance measure(s) the PROJECT SPONSOR plans to evaluate to ensure that the project/program is meeting its objectives.

Project Performance Outcomes
This project will improve pedestrian access to adjacent neighborhood shopping centers and restaurants for the residents across these very busy roadways. At the completion, pedestrians who want to cross the street will activate the RRFB to alert the drivers of the presence of pedestrians intending to cross the street. The RRFB is bright enough to call the attention of the drivers. Improved pedestrian safety at these particular intersections will increase access to nearby businesses, which have been negatively impacted by the COVID-19 pandemic, thus providing a dual benefit to the community in serving both residents and local businesses.

Note:

1. It is expected that the Project will achieve the performance measures targets and/or project outcomes as established herein.
