TITLE: Staff Report for a City of San Leandro City Council Resolution to Accept the Work of the Annual Street Overlay/Rehabilitation 2017-18, Project No. 2018.0050

SUMMARY AND RECOMMENDATIONS

This contract constructed 20 street segments throughout the City, including upgrades to 86 curb ramps to comply with Americans with Disabilities Act (ADA) requirements.

Staff recommends the following actions:

- Accept the work by DeSilva Gates Construction;
- Authorize the City Manager to file the Notice of Completion;
- Authorize the City Manager to release the performance and payment bonds; and
- Authorize the City Manager to release the maintenance bonds for the subject project upon successful completion of the one-year maintenance period.

BACKGROUND

The City maintains approximately 180 centerline miles of paved roadways. Each year, the City typically conducts two pavement maintenance projects, one for street sealing and one for street overlay/rehabilitation. This contract is for the replacement of pavement (overlay) and for the repair of subgrade below pavement (rehabilitation), which addresses pavement in either poor condition and/or failed condition.

This contract completed repairs, reconstruction and/or overlay on a total of 10.73 lane miles of pavement on 20 segments of City streets, including upgrading and/or installing 86 curb ramps within the project limits to comply with the ADA. In addition, the project constructed two enhanced crosswalks with Rectangular Rapid Flashing Beacons on Farrallon Drive and School Street, respectively, and installed bicycle facilities within the project limits in support of the City's

Complete Streets goals. The project also installed nine speed cushions on several streets for neighborhood traffic calming. A list of work locations included in this contract is attached to this staff report.

The completion of this project is an important step towards improving the City's streets, maintaining City infrastructure and providing safe access for all modes of transportation to improve the quality of life in San Leandro.

Analysis

Construction was completed and performed in compliance with the contract documents. The reconstruction of Washington Avenue was, however, deleted from the contract because CalTrans could not issue a timely permit for the work in its jurisdiction. The Washington Avenue work has been included in a following project.

The contractor did not fulfill the goals outlined in the Community Workforce Agreement (CWA). The contractor only attracted 5% of its workforce from San Leandro and 37% from within Alameda County. Although, the contractor could not meet the CWA goals, the contractor provided sufficient documentation of its good faith efforts.

Current Agency Policies

- Maintain and enhance San Leandro's infrastructure.

Previous Actions

- On July 17, 2017, by Resolution No. 2017-108, the City Council approved a contract with NCE to design the subject project in the amount of \$700,000.
- On July 16, 2018, by Resolution No. 2018-081, the City Council awarded a construction contract to DeSilva Gates Construction, L.P. in the amount of \$10,163,845.
- On July 20, 2020, by Resolution No. 2020-093, the City Council authorized an increase to the contract change order cap from 13% to 20% (from \$1,321,300 to \$2,032,769) and appropriated \$364,960 from Measure B Fund balance.

Applicable General Plan Policies

- Policy CSF-6.8 Maintenance: Ensure that sufficient funding is provided for the ongoing maintenance of City-owned facilities, including streets, streetlights, traffic signals, landscaping, street trees, storm drains, public buildings, and other infrastructure.

Permits and/or Variances Granted

- Obtained permits from CalTrans for work on CalTrans' right of way.

Environmental Review

This project is categorically exempt from the California Environmental Quality Act (CEQA) per Section 15301(c) of the CEQA guidelines. The Notice of Exemption was filed with the Alameda County Recorder on June 8, 2018.

Summary of Public Outreach Efforts

- The streets to be repaved are posted on the City’s website and were displayed at the 2018 Cherry Festival and 2018 City Council Town Hall meetings.
- Properties adjacent to the work received notification from the City and a second notification from the Contractor prior to starting work.
- The Notice to Bidders was published in the Daily Review, the South County Post, Visión Hispana and Sing Tao. Staff also notified 23 builders’ exchanges and construction data firms as well as a list of contractors that ask to be notified of bidding opportunities via email.

Fiscal Impacts

The total project cost is as described below

NCE design contract	\$837,740
Other design costs	\$189,756
Construction contract	\$10,163,845
Contract Change Orders	(\$357,575)
<u>Construction management and inspection</u>	<u>\$540,922</u>
Total	\$11,374,688

Change Order Summary

Change Order limit authorized at contract award was 13% (\$1,321,300)

<u>CCO No.</u>	<u>Description</u>	<u>Amount</u>	<u>%</u>
1	Added scope to construct driveways impacted by the project.	\$86,865	0.9%
2	Additional cost based on measured quantities of materials to construct driveways	\$21,823	0.2%
3	Added scope for construction of roundabout at West Broadmoor.	\$287,826	2.8%
4	Additional costs associated with changes to CTB treatment on Juana, Endicott and West Broadmoor due to shallow utilities.	\$256,441	2.5%
5	Added scope for new sanitary sewer main installation on Oakes Boulevard	\$287,723	2.9%
6	Added scope to repair sinkhole on Marina Blvd., modification of Lewelling median to accommodate bike lanes	\$378,886	3.7%

and increase in construction item quantities.

7	Additional cost to stabilize and repave sections of Juana Ave. and Oakes Blvd. to address poor subgrade and shallow utilities issues on both streets.	\$317,336	3.1%
8	Final agreed based on deductions, including <u>the deletion of Washington Ave</u>	(\$1,672,799)	(16.5%)
	Total Requested Change Orders	(\$35,899)	(0.4%)

Budget Authority

This street rehabilitation project was funded as follows:

<u>Account No.</u>	<u>Reso., Appropriation Dates & Source</u>	<u>Amount</u>
141-38-392	FY 2017-18 Budget, Measure BB	\$1,500,000
210-38-377	FY 2016-17 Budget, General Funds	\$754,374*
141-39-392	FY 2017-18 Budget, Measure BB Grant	\$9,225,000
142-38-392	FY 2017-18 Budget, Gas Tax	\$185,000
144-38-392	Approp. by Reso. 2020-093, 144 Fund Balance	\$364,960
<u>143-38-392</u>	<u>FY 2017-18 Budget, Measure F (VRF)</u>	<u>\$950,000</u>
	Sub Total	\$12,979,334

*Not the full appropriation; only the portion used on this project/contract is shown.

The sanitary sewer point repair work was funded as follows:

<u>Account No.</u>	<u>Reso., Appropriation Dates & Source</u>	<u>Amount*</u>
593-52-262	FY 2016-17, WPCP Enterprise Fund	\$185,000
593-52-266	FY2017-18, WPCP Enterprise Fund	\$292,723
<u>593-52-280</u>	<u>FY 2020-21, WPCP Enterprise Fund</u>	<u>\$307,975</u>
	Sub Total	\$785,698

Total appropriation **\$13,765,032**

TITLE: RESOLUTION of the City of San Leandro City Council to Accept the Work of the Annual Street Overlay/Rehabilitation 2017-18; Project No. 2018.0050 (provides for the acceptance of work performed by DeSilva Gates Construction, filing the Notice of Completion, releasing the Performance and Payment Bonds, and releasing the Maintenance Bond upon successful completion of the one-year maintenance period)

WHEREAS, pursuant to a construction contract between the City of San Leandro and DeSilva Gates Construction, approved on July 16, 2018, by Resolution No. 2018-081, DeSilva Gates Construction completed the Annual Street Overlay/Rehabilitation 2017-18, Project No. 2018.0050; and

WHEREAS, said work was completed in accordance with the plans and specifications and to the satisfaction of the Engineering and Transportation Director, who therefore recommends that said work be accepted.

NOW, THEREFORE, the City of San Leandro City Council does RESOLVE as follows:

1. That the work hereinbefore described is hereby accepted; and
2. That the City Clerk is hereby directed to file a Notice of Completion on said project;
and
3. That the bonds heretofore given for performance and payment of said conditions are hereby discharged and exonerated from further liability when the statute of limitations expires after the recording of the Notice of Completion; and
4. That upon completion of the one-year maintenance period established pursuant to said contract, and to the satisfaction of the Engineering and Transportation Director, the City Manager is hereby authorized to release the maintenance bond heretofore given for maintenance of the

work hereinbefore described.
