TITLE: Staff Report for two City of San Leandro City Council Resolutions, to 1) Accept \$2.75 Million in Grant Funding from the California Department of Parks and Recreation Towards the Renovation of Memorial Park, and B) To Seek Additional Funding from the "Per Capita Grant Program" from the Same State Agency for Other Future City-Led Projects

SUMMARY AND RECOMMENDATIONS

Staff recommends that the City Council adopt the attached resolutions. The first resolution would approve and authorize the City's acceptance of \$2.75 million in grant funding from the State Department of Parks and Recreation to renovate Memorial Park, located at 1105 Bancroft Avenue. The second resolution would authorize the City to seek additional "Per Capita Grant Program" funds from the State Department of Parks and Recreation for other future City-led projects, tentatively envisioned to help support the resurfacing of Thrasher Park, located at 1300 Davis Street.

BACKGROUND & ANALYSIS

Consistent with the City Council's previous policy direction to pursue grant opportunities that may help to support City operations and public services, staff identified a potential funding opportunity from the State of California Department of Parks and Recreation. More specifically, as part of the November 2018 election, statewide voters authorized Proposition 68 (the "Parks and Water Bond Act of 2018"), which authorized \$4 billion in general obligation bonds for state and local parks, environmental protection projects, water infrastructure projects, and flood protection projects. Using funds derived from that measure, the State Department of Parks and Recreation created a grant program to which municipalities throughout the state may apply each year for parks renovation projects.

Overview of Funding Options for Memorial Park

In coordination with the City's state legislative advocate, Townsend Public Affairs, in 2019 staff examined all City-owned parks and identified Memorial Park as the park that most closely met

the application criteria for securing potential funds through the above-referenced grant program. The Recreation and Human Services Department subsequently organized community meetings with various local community and non-profit organizations in order to solicit feedback on the types of park amenities that members of the public might want to see at the park, in the event grant funds were awarded. As part of those efforts, a list of potential park amenities was developed, which could include new playground equipment that is accessible to users of all abilities, including those with physical, intellectual, and developmental disabilities.

The City of San Leandro submitted its application for this grant in Fall 2019, estimated to cost up to \$4.47 million. Although feedback from State staff indicated that the City's application was very well conceived, the City was ultimately notified that it was not awarded funding through the program as part of that round of funding, which was highly competitive. In June 2021, the City Council then authorized City staff to apply again for the same project via a new grant application cycle. The estimated total cost of all potential improvements remains unchanged from that which was submitted in 2019 - up to \$4.47 million. Subsequent to submitting the second application, staff was contacted by the state advocacy consultant (Townsend Public Affairs) regarding a potential opportunity to secure a portion of the requested project funding for Memorial Park through another source. More specifically, thanks to the office of State Senator Nancy Skinner in partnership with Townsend Public Affairs' advocacy efforts, Senator Skinner in her role as State Senate Budget and Fiscal Review Committee chairperson was able to embed a direct \$2.75 million allocation of funds towards this project as a line-item earmark within the adopted current fiscal year state budget. After being notified of this funding award, staff subsequently modified the state grant application to reduce the requested funding amount from \$4.47 million to \$1.72 million, to reflect that \$2.75 million had already been awarded for the project. That reduced-level application is now in process and the City expects to receive notification on the outcome of the grant application process in the first quarter of calendar year 2022.

Irrespective of whether or not the grant application is awarded, per State requirements, the City Council must adopt a resolution in order to accept the \$2.75 million in funding that was already appropriated by the State legislature for the project. To the extent the City is successfully awarded the additional \$1.72 million in funding through the modified grant application, the City Council would have a subsequent opportunity to review and consider the proposed grant before accepting the grant funds. Alternatively, if the City is unsuccessful in obtaining that additional funding, the scope of the project could be commensurately reduced to align with the existing \$2.75 million funding allocation that was already secured through the state earmark. In either scenario, the grant program does not require any local financial match from the City, beyond the use of staff time and ongoing maintenance costs, which could be absorbed using existing and projected City resources, which are already being utilized to maintain the existing park space.

A copy of the resolution is included in the City Council agenda packet for this item, which is virtually identical to the City Council resolution that was adopted in 2019 for this same purpose.

Overview of "Per Capita Grant Program" funding request

In addition to the above project, thanks to the efforts of Townsend Public Affairs, the City was also made aware of another potential source of funding that could be used for other park-related projects in San Leandro. More specifically, in addition to the competitive grant funds that were made available by Proposition 68, that ballot measure also authorized a direct allocation of funds

to certain communities based on population size and other codified metrics. At this time, staff estimates such funding could fall in the range of approximately \$233,000 in the current fiscal year. Based on a review of the program funding criteria coupled with a staff review of all existing parks facilities in the community, it is believed that a resurfacing of the skateboard park pavement at Thrasher Park would have a strong likelihood of meeting the program's funding criteria and could potentially be funded through this program. As such, a second resolution has also been included in the agenda packet for this item, which would authorize the City Manager to pursue this additional source of potential project funding.

Fiscal Impacts

None. Adoption of the associated resolutions authorizes the pursuit or acceptance of various state funding towards various parks projects. The funding programs do not require any local matching requirements and any ongoing maintenance costs could be absorbed using existing staffing resources.

If the State Controller's Office is unable to process the payment before the end of the GRANT PERFORMANCE PERIOD, the unpaid balance of grant funds will revert to the Legislature.
 - d. OGALS processes the final payment request after each PROJECT is complete as documented by the GRANTEE in the PROJECT COMPLETION PACKET, and as verified by OGALS when conducting a site inspection.
5. **Accounting and Audit:** DPR's Audits Office may conduct an audit. The GRANTEE is required to retain all PROJECT records for five years following receipt of the final GRANT payment. The Accounting and Audit Section provides directions and an Audit Checklist for DPR audit and accounting requirements.

Additional Non-Profit Requirements

Fidelity Bond (For Non-profit grantees only)

Non-profit GRANTEES must provide a copy of a current Fidelity Bond policy to their PROJECT OFFICERS before any payment requests can be approved by OGALS. The premium for a Fidelity Bond is an eligible cost.

A Fidelity Bond provides insurance covering fraudulent acts of GRANTEES' employees, volunteers, officers, and directors. The GRANTEE is the insured party. DPR must be named as a Third-Party Loss Payee, i.e., the same as a mortgage company on a home loan. OGALS address is: State of California, Dept. of Parks and Recreation, P.O. Box 942896, Sacramento, CA 94296-0001, Attn: Office of Grants and Local Services.

Coverage must be at least equal to the GRANT amount. Fidelity Bond insurance must be kept current for at least six months after the date of the final GRANT payment.

GRANTEES may obtain the Fidelity Bond through a general liability carrier, a major casualty insurance carrier, or a bonds specialty company. There are [Fidelity Bond frequently asked questions](#) available on the OGALS web site.

Competitive Solicitation Process (For non-profit grantees only)

Non-profit GRANTEES must attempt to obtain bids before awarding a contract on a GRANT-funded PROJECT for services (greater than \$5,000), and for construction work (greater than \$25,000), thus ensuring state funds are spent responsibly.

1. Non-profit GRANTEE attempts to obtain three bids for services (greater than \$5,000) and for construction work (greater than \$25,000).
2. To ensure that bidders understand the required PROJECT elements, the non-profit GRANTEE provides each bidder (potential contractor) the same written invitation for bid describing the PROJECT work to be performed based on "Best Value" factors, and the required PROJECT elements based on the Project Scope/Cost Estimate Form, and concept level site plan.
3. Solicit bids by contacting at least three potential contractors or by invitation for bids advertising, or a combination of both methods.

The non-profit GRANTEE's Board of Directors evaluates the bids to determine which contractor will provide the "best value" and will meet PROJECT requirements. "Best value" should be determined by price, quality of materials, equipment, and workmanship. The evaluation process must ensure no conflict of interest between the contractor and the non-profit GRANTEE's Board of Directors. The non-profit GRANTEE's Board of Directors need not necessarily accept the lowest bid, but a reasonable justification for the decision should be recorded in writing.

4. The Board of Directors selects a contractor and awards a contract.
5. For audit purposes, the GRANTEE keeps records of Steps 1 – 4 above.

Competitive Solicitation Requirement

The non-profit GRANTEE may request a waiver of the competitive solicitation process requirement. To request a waiver, the GRANTEE must send a written request to the PROJECT OFFICER assigned to the GRANT PROJECT and explain why a waiver is required.

B. Project Execution

1. Subject to the availability of GRANT MONIES, the STATE hereby grants to the GRANTEE a sum of money not to exceed the amount stated in Section I of this CONTRACT, in consideration of, and on condition that, the sum be expended in carrying out the purposes as set forth in the scope described in the enabling legislation and referenced in the APPLICATION, Section I of this CONTRACT, and under the terms and conditions set forth in this CONTRACT.

The GRANTEE shall assume any obligation to furnish any additional funds that may be necessary to complete the GRANT SCOPE(S).

During the CONTRACT PERFORMANCE PERIOD, the GRANTEE agrees to submit any proposed change or alteration from the original GRANT SCOPE(S) in writing to the STATE for prior approval. This applies to any and all proposed changes that will occur after STATE has approved the APPLICATION. Changes in the GRANT SCOPE(S) must first be approved in writing by the STATE.

2. The GRANTEE shall complete the GRANT SCOPE(S) in accordance with the time of the Performance Period set forth in Section I of this CONTRACT, and under the terms and conditions of this contract.
3. The GRANTEE shall comply with the California Environmental Quality Act (Public Resources Code, Section 21000, et seq., Title 14, California Code of Regulations, Section 15000 et seq.).
4. The GRANTEE shall comply with all applicable current laws and regulations affecting DEVELOPMENT projects, including, but not limited to, legal requirements for construction contracts, building codes, health and safety codes, and laws and codes pertaining to individuals with disabilities, including but not limited to the Americans With Disabilities Act of 1990 (42 U.S.C. §12101 et seq.) and the California Unruh Act (California Civil Code §51 et seq.)

C. Project Costs

1. GRANTEE agrees to abide by the PROCEDURAL GUIDE.
2. GRANTEE acknowledges that STATE may make reasonable changes to its procedures as set forth in the PROCEDURAL GUIDE. If STATE makes any changes to its procedures and guidelines, STATE agrees to notify GRANTEE within a reasonable time.

D. Project Administration

1. If GRANT MONIES are advanced for DEVELOPMENT projects, the advanced funds shall be placed in an interest-bearing account until expended. Interest earned on the advanced funds shall be used on the project as approved by the STATE. If grant monies are advanced and not expended, the unused portion of the grant and any interest earned shall be returned to the STATE within 60 days after project completion or end of the GRANT PERFORMANCE PERIOD, whichever is earlier.

E. Project Termination

1. Project Termination refers to the non-completion of a GRANT SCOPE. Any grant funds that have not been expended by the GRANTEE shall revert to the STATE.
2. The GRANTEE may unilaterally rescind this contract at any time prior to the commencement of the project. The commencement of the project means the date of the letter notifying GRANTEE of the award or when the funds are appropriated, whichever is later. After project commencement, this contract may be rescinded, modified or amended only by mutual CONTRACT in writing between the GRANTEE and the STATE, unless the provisions of this contract provide that mutual CONTRACT is not required.
3. Failure by the GRANTEE to comply with the terms of the (a) PROCEDURAL GUIDE, (b) any legislation applicable to the ACT, (c) this CONTRACT or any other grant contracts, specified or general, that GRANTEE has entered into with STATE or any other department, agency, commission or other subdivision of California State government, may be cause for suspension of all obligations of the STATE unless the STATE determines that such failure was due to no fault of the GRANTEE. In such case, STATE may reimburse GRANTEE for eligible costs properly incurred in performance of this CONTRACT despite non-performance of the GRANTEE. To qualify for such reimbursement, GRANTEE agrees to mitigate its losses to the best of its ability.
4. Any breach of any term, provision, obligation or requirement of this CONTRACT by the GRANTEE shall be a default of this CONTRACT. In the case of any default by GRANTEE, STATE shall be entitled to all remedies available under law and equity, including but not limited to: a) Specific Performance; b) Return of all GRANT MONIES; c) Payment to the STATE of the fair market value of the project property or the actual sales price, whichever is higher; and d) Payment to the STATE of the costs of enforcement of this CONTRACT, including but not limited to court and arbitration costs, fees, expenses of litigation, and reasonable attorney fees.
5. The GRANTEE and the STATE agree that if the GRANT SCOPE includes DEVELOPMENT, final payment may not be made until the work described in the GRANT SCOPE is complete and the GRANT PROJECT is open to the public.

F. Budget Contingency Clause

If funding for any fiscal year is reduced or deleted by the budget act for purposes of this program, the STATE shall have the option to either cancel this contract with no liability occurring to the STATE, or offer a contract amendment to GRANTEE to reflect the reduced grant amount. This Paragraph shall not require the mutual CONTRACT as addressed in Paragraph E, subsection 2, of this CONTRACT

G. Hold Harmless

1. The GRANTEE shall waive all claims and recourse against the STATE including the right to contribution for loss or damage to persons or property arising from, growing out of or in any way connected with or incident to this CONTRACT except claims arising from the concurrent or sole negligence of the STATE, its officers, agents, and employees.
2. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, damages, costs, expenses or liability costs arising out of the ACQUISITION, DEVELOPMENT, construction, operation or maintenance of the property described as the project which claims, demands or causes of action arise under California Government Code Section 895.2 or otherwise except for liability arising out of the concurrent or sole negligence of the STATE, its officers, agents, or employees.
3. The GRANTEE agrees that in the event the STATE is named as codefendant under the provisions of California Government Code Section 895 et seq., the GRANTEE shall notify the STATE of such fact and shall represent the STATE in the legal action unless the STATE undertakes to represent itself as codefendant in such legal action in which event the GRANTEE agrees to pay the STATE's litigation costs, expenses, and reasonable attorney fees.
4. The GRANTEE and the STATE agree that in the event of judgment entered against the STATE and the GRANTEE because of the concurrent negligence of the STATE and the GRANTEE, their officers, agents, or employees, an apportionment of liability to pay such judgment shall be made by a court of competent jurisdiction. Neither party shall request a jury apportionment.
5. The GRANTEE shall indemnify, hold harmless and defend the STATE, its officers, agents and employees against any and all claims, demands, costs, expenses or liability costs arising out of legal actions pursuant to items to which the GRANTEE has certified. The GRANTEE acknowledges that it is solely responsible for compliance with items to which it has certified.

H. Financial Records

1. The GRANTEE shall maintain satisfactory financial accounts, documents, including loan documents, and all other records for the project and shall make them available to the STATE for auditing at reasonable times. The GRANTEE also agrees to retain such financial accounts, documents and records for five years following project termination or final payment.
2. The GRANTEE shall keep such records as the STATE shall prescribe, including records which fully disclose (a) the disposition of the proceeds of STATE funding assistance, (b) the total cost of the project in connection with such assistance that is given or used, (c) the amount, source and nature of that portion of the project cost supplied by other sources, and (d) any other such records that will facilitate an effective audit.
3. The GRANTEE agrees that the STATE shall have the right to inspect and make copies of any books, records or reports pertaining to this contract or matters related thereto during regular office hours. The GRANTEE shall maintain and make available for inspection by the STATE accurate records of all of its costs, disbursements and receipts with respect to its activities under this contract, and shall provide copies of all such records to STATE in its certified status reports

upon request by the STATE. Such accounts, documents, and records shall be retained by the GRANTEE for at least five years following final payment.

4. The GRANTEE shall use a generally accepted accounting system.

I. Use of Facilities

1. The GRANTEE agrees that the GRANTEE shall operate and maintain, and retain full control of the property acquired or developed with the GRANT MONIES, for the duration of the CONTRACT PERFORMANCE PERIOD.
2. The GRANTEE agrees that, during the CONTRACT PERFORMANCE PERIOD, the GRANTEE shall use the property acquired or developed with grant funds under this contract only for the purposes of this grant and no other use, sale, assignment, transfer, mortgage, or other disposition or change of the control or use of the property or of any interest in the property to one not consistent with the grant purpose shall be permitted except as authorized by the DEPARTMENT and the property shall be replaced with property of equivalent value and usefulness as determined by the STATE.
3. The property acquired or developed may be transferred or assigned to another entity only if the successor entity assumes the obligations imposed under this contract and only with the prior approval of STATE.
4. Any real Property (including any portion of it or any interest in it, including any leases) may not be used as security or collateral for any debt, loan or mitigation, without the prior written approval of the STATE, provided that such approval shall not be unreasonably withheld as long as the purposes for which the grant was awarded are maintained. Any such permission that is granted does not make STATE a guarantor or a surety for any debt, loan or mitigation, nor does it waive STATE's rights to enforce performance under the CONTRACT.
5. All real property (including any portion or interest in it, including any leases), or rights thereto, acquired with GRANT MONIES shall be subject to an appropriate form of restrictive title, rights, or covenants approved by the STATE. If the project property is taken by use of eminent domain, GRANTEE shall reimburse STATE an amount at least equal to the amount of grant monies received from STATE or the pro-rated full market value of the real property, including improvements, at the time of sale, whichever is higher.
6. If eminent domain proceedings are initiated against GRANTEE, GRANTEE shall notify STATE within 10 days of receiving the complaint.

J. Nondiscrimination

3. All facilities shall be open to members of the public generally, except as noted under the special provisions of this project contract or under provisions of the enabling legislation and/or grant program.

K. Severability

If any provision of this CONTRACT or the application thereof is held invalid, that invalidity shall not affect other provisions or applications of the CONTRACT which can be given effect without the invalid provision or application, and to this end the provisions of this CONTRACT are severable.

L. Liability

1. STATE assumes no responsibility for assuring the safety or standards of construction, site improvements or programs related to the GRANT SCOPE. The STATE'S rights under this CONTRACT to review, inspect and approve the GRANT SCOPE and any final plans of implementation shall not give rise to any warranty or representation that the GRANT SCOPE and any plans or improvements are free from hazards or defects.
2. GRANTEE shall ensure that any contractor hired has adequate liability insurance, performance bond, or other security necessary to protect the GRANTEE interest and the STATE's interest against poor workmanship, fraud, or other potential loss associated with the completion of the grant project.

M. Assignability

Without the written consent of the STATE, the GRANTEE'S interest in and control of any portion of the GRANT PROJECT and responsibilities under this CONTRACT shall not be assignable or transferable by the GRANTEE either in whole or in part.

N. Use of Grant Monies

GRANTEE shall not use any grant funds (including any portion thereof) for the purpose of making any leverage loan, pledge, promissory note or similar financial device or transaction, without: 1) the prior written approval of the STATE; and 2) any financial or legal interests created by any such leverage loan, pledge, promissory note or similar financial device or transaction in the project property shall be completely subordinated to this CONTRACT through a Subordination Agreement provided and approved by the STATE, signed by all parties involved in the transaction, and recorded in the County Records against the fee title of the project property.

V. GRANT Payment Section

There are three types of payments:

- Pre-construction and Construction Reimbursement payments
- ADVANCE payments for construction and ACQUISITION ADVANCES into escrow
- Final payments

Payment requests are processed through the State Controller's Office and are mailed to the GRANTEE approximately eight weeks from the date the request is approved by OGALS.

OGALS will not approve payment requests that do not meet the requirements described in this GRANT ADMINISTRATION GUIDE.

OGALS may withhold payment if the GRANTEE has outstanding issues, such as:

- Breach of any other contract with OGALS
- An unresolved audit exception
- An outstanding conversion
- Park sites closed or inadequately maintained
- Overdue Project Status Reports
- Other unmet grant requirements

Payment Rules
• GRANT payments before the final payment may not exceed 80% of the PROJECT amount. 20% of the PROJECT amount is retained for the final payment as a REIMBURSEMENT. • The GRANTEE should group costs together to avoid frequent payment requests. Payment requests greater than \$10,000 are encouraged. • Complete CEQA prior to requesting any construction reimbursement. • Provide a sample timesheet to the PROJECT OFFICER prior to incurring any IN-HOUSE EMPLOYEE SERVICES costs, AND if claiming such costs, provide a sample timesheet with each reimbursement payment request. • Provide (1) a list of the bidders; (2) the recommendation and/or notice of award made by the governing board; and (3) the resulting signed contract agreement to the PROJECT OFFICER PRIOR to requesting reimbursement for costs on contracts requiring a competitive solicitation or bidding process. • Provide construction progress photos with all construction payment requests.

PRE-CONSTRUCTION REIMBURSEMENT

Payment Type	When to Request	Document to Send to PROJECT OFFICER
PRE-CONSTRUCTION REIMBURSEMENT(s) up to 25% of PROJECT amount	After the CONTRACT has been ENCUMBERED	• Payment Request Form • Grant Expenditure Form • Timesheet sample, if applicable

CONSTRUCTION REIMBURSEMENT

Payment Type	When to Request	Documents to Send to PROJECT OFFICER
REIMBURSEMENT of up to 80% of PROJECT amount before final payment	After the CONTRACT is ENCUMBERED and the GRANTEE incurred costs for work related to the GRANT SCOPE	• Payment Request Form • Grant Expenditure Form • Timesheet sample, if applicable • Construction progress photos • If payment request includes reimbursement to contractor/service providers, Competitive Solicitation documentation

ADVANCE Payments

ADVANCE payments may be requested for costs the GRANTEE will incur within the next six months. ADVANCE funds, and any interest earned on those funds, must be spent with six months of receipt, or returned to OGALS. ADVANCE payments are made at the discretion of OGALS. OGALS considers ADVANCE payments to be a privilege and reserves the right to disapprove ADVANCE payments.

There are two types of ADVANCE payments: PRE-CONSTRUCTION ADVANCE and CONSTRUCTION ADVANCE:

PRE-CONSTRUCTION ADVANCE

Payment Type	When to Request	Documents to Send to PROJECT OFFICER
PRE-CONSTRUCTION ADVANCE(s) up to 25% of PROJECT amount	After the GRANT CONTRACT has been ENCUMBERED	• Payment Request Form • ADVANCE justification (see below)

CONSTRUCTION ADVANCE

Payment Type	When to Request	Documents to Send to PROJECT OFFICER
ADVANCE(s) up to 50% of PROJECT amount	After the GRANT CONTRACT has been ENCUMBERED, and construction will commence during the next six months	• Payment Request Form • ADVANCE justification (see below) • Copy of signed construction contract and a notice to proceed or IN-HOUSE EMPLOYEE SERVICES labor schedule.

Advance Justification

An ADVANCE justification is required for an ADVANCE. It must provide the following information:

- Why an ADVANCE is needed instead of a reimbursement.
- A payment schedule, with a month-by-month estimate, for up to six months, showing the anticipated amount needed, and to whom the funds will be paid (IN-HOUSE EMPLOYEE or name of contractor).
- A funding plan, indicating how the GRANTEE intends to fund the percentage of the PROJECT exceeding the 50% advance limit.
- A statement indicating the GRANTEE will put the funds into a separate, interest bearing account.

OGALS may not approve the total amount of the requested ADVANCE payment if the requested funds will not be spent within six months from the date that the payment request is submitted by the GRANTEE.

Clearing the Advance

ADVANCES must be cleared with six months of receipt. An ADVANCE is cleared by submitting:

1. A Grant Expenditure Form documenting expenditures on eligible costs equal to the ADVANCE amount plus any earned interest.
2. Photos of any construction completed with the ADVANCE funds (for construction ADVANCES).

Acquisition Advance

Payment Type	When to Request	Documents to Send
ADVANCES up to 100% of the acquisition amount.	After the contract is encumbered and escrow is open	See following instructions 1. Escrow letter 2. Title report cover page 3. Payment request form

The following items are required to request an ADVANCE payment into escrow:

1. A letter on the GRANTEE's letterhead, addressing all of the following elements, and signed by the GRANTEE's AUTHORIZED REPRESENTATIVE:
 - a) Name, address and telephone number of the title company or escrow holder, and the escrow account number to which the GRANT funds will be disbursed.
 - b) Copy of the property appraisal and written concurrence.
 - c) GRANT CONTRACT number and amount of GRANT funds requested.
 - d) A statement by the GRANTEE that "the preliminary title report shows that there are no liens, easements, or any other restrictions that would prevent completion of the SCOPE and fulfillment of the CONTRACT provisions."
 - e) A statement by the GRANTEE that "all funds (exclusive of the GRANT funds to be provided under this agreement) needed for the completion of the acquisition of the property or properties have been secured and have been or will be deposited to escrow on or about the same date as the requested GRANT funds." In making this statement, the GRANTEE is entitled to reasonably rely on the representations of the seller.
2. Cover page of the preliminary title report.
3. Payment Request Form: the "Send Warrant To" item 7 on the Payment Request Form must be completed using the title company's or escrow holder's name, mailing address, and contact person.

After approval by OGALS, the payment will be mailed by the State Controller's Office to the designated escrow company within approximately 30 working days.

Returning Unexpended Advanced Funds or Interest

The balance of unspent GRANT funds must be returned to OGALS no later than thirty days after the end of the six-month ADVANCE period. OGALS will then return the GRANT funds to the CONTRACT balance. OGALS cannot return interest to the CONTRACT balance.

If interest was earned on the ADVANCED funds, interest must be spent on ELIGIBLE COSTS, and the unspent GRANT funds returned to OGALS.

Subsequent Payments

Any outstanding ADVANCE payments must be cleared before *any* additional reimbursements or ADVANCE payments will be approved.

This requirement may be waived in cases where a PROJECT requires timely payments to contractors, and the remaining balance of unspent ADVANCED funds cannot cover the next PROJECT payment. The following items are required to request a waiver:

1. A letter to the PROJECT OFFICER, signed by the AUTHORIZED REPRESENTATIVE explaining why the waiver is needed.
2. The majority of ADVANCED funds has been cleared.
3. A payment schedule with month-by-month estimates detailing the anticipated amount needed including the unspent balance of previously ADVANCED funds, along with the additional requested reimbursement or ADVANCE.

Final Payments / PROJECT COMPLETION PACKETS

OGALS recommends all PROJECT COMPLETION PACKETS be submitted by March 31, 2024.

The final payment (20% of the PROJECT amount) will be processed after PROJECT COMPLETION and the following occurs:

1. Approval of the PROJECT COMPLETION PACKET and additional required documents in the charts below.
2. Site inspection by the PROJECT OFFICER to verify PROJECT COMPLETION.

PROJECT COMPLETION PACKET

To request final payment and complete the PROJECT, the GRANTEE must submit the following documents:

1. Payment Request Form (pg. 35)
2. Grant Expenditure Form (pg. 37)

4. Project Completion Certification Form (pg. 38)
5. Completed CEQA, if not already provided (pg. 15)
6. Notice of Completion (optional)²
7. Audit Checklist with items marked that the GRANTEE will retain for five years following receipt of final payment (pg. 40)

For acquisition PROJECTS, the GRANTEE must submit these additional documents:

1. A copy of the recorded deed to the property
2. A map sufficient to verify the description of the property including parcel numbers and acreage
3. Copy of title insurance policy
4. Copy of title report

² OGALS recommends that the GRANTEE file a "Notice of Completion" with the County Recorder pursuant to State of California Civil Code §3093. Filing the "Notice of Completion" is not a PROJECT COMPLETION requirement.
